

# Emergency Management Specialist Certificate

**Governor's Office of Emergency Services**  
**California Specialized Training Institute**

In recognition of the completion of our capstone Emergency Management courses, Cal OES/CSTI offers an Emergency Management Specialists Certificate. The content in these courses focuses on the phases of emergency management and leads to the overall readiness for disasters in the State of California

## Emergency Management Specialist Certificate a Total of 7 Courses

### REQUIRED Courses:

### Hours:

Disaster Mitigation (G393)	20
Disaster Planning (G235)	24
Disaster Recovery (G270.4)	20
Introduction to Emergency Management: Earthquake	40

### Elective Courses:

You must have a minimum of 3 courses from the Cal OES/CSTI approved electives list and a total of 72 elective hours in order to be eligible for the specialist certificate.

The approved electives list can be on our website at:

<http://www.caloes.ca.gov/CSTI/Pages/EMERGENCY-MANAGEMENT-SPECIALIST-CERTIFICATE.aspx>

**Credit for Past Training:** Former Cal OES/CSTI course graduates may receive credit towards specialist certificates for previously attended Cal OES/CSTI courses. Verification of Cal OES/CSTI course completion certificate or transcript is required in order to receive credit for past training.

**Application Process:** For information on the application process, please contact the Specialist Certificate Coordinator at (805) 549-3536, or email [specrequest@caloes.ca.gov](mailto:specrequest@caloes.ca.gov).

**Need more information:** For more information about all of Cal OES/CSTI courses and training and exercise services, please call our main line at (805) 549-3535 or visit our website at [www.csti.ca.gov](http://www.csti.ca.gov).

**FEMA Dual Certification:** Upon completion of designated CSTI courses, participants may also meet the requirements for various courses offered in the Federal Emergency Management Agency's (FEMA) Advanced Professional Series (APS). <http://www.caloes.ca.gov/CSTI/Pages/FEMA-Training-Information.aspx>.
