The Federal Emergency Management Agency (FEMA) has opened the “June 2017 BSIR” in the Grants Reporting Tool (GRT). Completion of the BSIR is a requirement of the Homeland Security Grant Program (HSGP), Nonprofit Security Grant Program (NSGP), and Emergency Management Performance Grant Program (EMPG).

Cal OES will be hosting three (3) webinar trainings on the BSIR. The trainings will provide instructions for completing projects and submitting the BSIR in the GRT. Cal OES subrecipients are encouraged to attend. **The BSIR is due to Cal OES by COB Thursday, August 31, 2017. Subrecipients will need to report on FY 2015 and FY 2016.**

**THE FOLLOWING REQUIREMENTS APPLY TO SHSP/UASI SUBRECIPIENTS:**

For FY 2016, HSGP subrecipients were required to provide information for all grant funded projects in the first BSIR submission, which was for the reporting period ending December 31, 2016.

Consistent with the FY 2016 HSGP Notice of Funding Opportunity (NOFO) requirements, the Grant Programs Directorate (GPD), along with the DHS Office of Intelligence and Analysis (I&A), and FEMA’s National Preparedness Assessment Division (NPAD), conducted a review of all FY 2016 HSGP reported projects in the December 2016 BSIR submission to determine the feasibility and effectiveness of projects and their likelihood of completion within the three year period of performance. The results of the review will be sent to subrecipients by their Cal OES Program Representatives, along with instructions on how to make required adjustments.
