1. **Source of Funds**

   The DS Program is supported by the Services*Training*Officers*Prosecutors (STOP) Violence Against Women Formula Grant Program (STOP Formula Grant Program).

   a. **Legislative Authority**

      The STOP Formula Grant Program was authorized in 1994 through the Violence Against Women Act (VAWA) and was reauthorized in 2000, 2005 and most recently in 2013. The STOP Formula Grant Program is administered by the Office on Violence Against Women, Office of Justice Programs, U.S. Department of Justice.

   b. **Purpose**

      The STOP Formula Grant Program promotes the development and implementation of effective, victim-centered law enforcement, prosecution, and court strategies to address violent crimes against women and the development and enhancement of victim services in cases involving violent crimes against women. States and communities are encouraged to restructure and strengthen the criminal justice system response to domestic violence, sexual violence, and stalking, drawing upon the experience of all participants in the system.

The points of view, opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibit are those of the author/s and do not necessarily represent the official position or policies of the U.S. Department of Justice or of Cal OES. A total of $813,000 is available for the Program and the Subrecipient must budget for the full 12-month grant performance period. Subrecipients are eligible for up to $135,500 for the 2017-18 subaward performance period.

F. PROGRAM INFORMATION

1. Background

Historical Trauma is common in Native American communities due to the past events in California and the Nation. As a result, under-reporting and/or non-reporting of violence towards Native women can be a direct result of mistrust towards law enforcement and public service providers. According to United States Department of Justice Statistics, Native women are 2.5 times more likely to experience sexual assault crimes compared to all other races, and one in three Native American women reports having been raped during her lifetime.

As a mandatory Public Law (PL) 280 State, California is required to ensure that public safety and criminal justice system services are provided on all Native American lands held in trust for the tribes by the United States. In California, VAWA-funded programs are administered through the auspices of Cal OES and implemented to provide culturally appropriate services to victims of crime to include Native American communities.

2. Program Objectives

There are five objectives for the DS Program. Additional objectives are not required; however Subrecipients may decide to provide additional services which could include
counseling, assistance with restraining orders, emergency transportation, and/or other grant appropriate activities. Objectives must be measurable and quantifiable. Objectives must include the activities or steps necessary to achieve the objectives. The activities must delineate a logical, well-developed and effective plan for achieving the objectives. Subrecipients using grant funds to provide counseling services must include documentation that demonstrates client confidentiality is protected.

a. Provide trainings to agencies and other regional service providers. An emphasis will be placed on cultural competency trainings.

b. Offer outreach programs regarding domestic violence and/or sexual assault issues and other available services to members of the local community and appropriate agencies.

c. Provide court accompaniment and/or advocacy services to Native American women victims of domestic violence and/or sexual assault.

d. Supply emergency food and/or clothing to Native American women victims of domestic violence and/or sexual assault.

e. Provide emergency shelter services to Native American women victims of domestic violence and/or sexual assault and to their children. These shelter services can include, but are not limited to, motel placement, short-term housing assistance, or placement in non-Native American shelter programs.

3. Operational Agreements

The Subrecipients must have, at a minimum, an Operational Agreement (OA) with a local domestic violence shelter and rape crisis program in their service area. Submission of each OA is not required. Subrecipients must submit the Operational Agreement Summary form as part of the appendix.

4. ADA Compliance

Subrecipients must be in compliance with the Americans with Disabilities Act (ADA) of 1990, 42 U.S.C.12101, et seq., and Title 28 of the Code of Federal Regulations, Part 35. The Subrecipient shall operate so that each service is accessible to and usable by individuals with disabilities. Subrecipients may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternative accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock or other conveyances, or any other methods that result in making its services, programs, or activities readily accessible to and usable by individuals with disabilities.
Subrecipients must ensure that communication with individuals with disabilities is as effective as communication with others without disabilities. This includes the use of telecommunications systems for communications by telephone. Subrecipients must also ensure that individuals with impaired vision or hearing can obtain information as to the existence and location of accessible services, activities, and facilities, as well as provide appropriate signage. This includes all written materials (i.e., brochures, applications, consents, videos, etc.). Subrecipients must ensure that all aspects of employment comply with ADA, including the application process (i.e., recruitment, hiring) and employment tasks.

5. Reporting Requirements

a) Cal OES Progress Reports

Two 6-month Progress Reports shall be submitted throughout the Grant Subaward performance period no later than the due dates as follows:

<table>
<thead>
<tr>
<th>Report</th>
<th>Report Period</th>
<th>Due Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>1st Report</td>
<td>October 1, 2017-March 31, 2018</td>
<td>April 30, 2018</td>
</tr>
<tr>
<td>Final Report</td>
<td>April 1, 2018-September 30, 2018</td>
<td>October 31, 2018</td>
</tr>
</tbody>
</table>

b) The STOP Formula Grant Program Annual Progress Report covers the calendar year period of January 1 through December 31. This report is due to Cal OES no later than January 31, 2018.

Each year, the Department of Justice provides Cal OES with the online link. You may obtain it by contacting your Cal OES Program Specialist. Upon completion of data entry, please scroll to the end of the report to select “validate”. The Program will then review the data and identify any errors or “red flag” items. Once the report has been verified with no errors it must be submitted electronically, via e-mail, to the Subrecipient’s Program Specialist for review no later than January 31st. Cal OES must then review and compile the data and incorporate it into the State’s Final Report to OVW. Submission of the required data is essential for continued STOP Formula Grant Program funding for California. Questions regarding the completion of either the Cal OES Progress Report or the STOP Formula Grant Program Annual Report should be directed to the Subrecipient’s Program Specialist.
A. PREPARING AN APPLICATION

The instructions in this section correspond to each of the application components and to the forms required to complete the application.

The Applicant must use the forms provided in Part IV of this RFA or on our website at [www.caloes.ca.gov](http://www.caloes.ca.gov). The forms must be printed on plain white 8½” x 11” paper for the application. The Project and Budget Narrative templates provided on the website are formatted to Cal OES’s standards. If you create your own Project and/or Budget Narrative forms, the format must duplicate the Cal OES templates and not allow for more space than provided by Cal OES. If a space limitation is specified for a component, strict adherence to the space limitation is required.

Please provide the eight required application components in the order listed below:

- Application Cover Sheet (included in Part IV)
- Grant Subaward Face Sheet (Cal OES 2-101)
- Project Contact Information (Cal OES 2-102)
- Signature Authorization and Instructions (Cal OES 2-103)
- Certification of Assurance of Compliance – VAWA (Cal OES 2-104g)
- Project Narrative (Cal OES 2-108)
- Project Budget (Including the Budget Narrative (Cal OES 2-107) and the Budget Forms (Cal OES 2-106b)
- Operational Agreement Summary (Cal OES 2-160)

Click the link below to access Cal OES forms or go to [www.caloes.ca.gov](http://www.caloes.ca.gov). Select “Cal OES Divisions,” scroll down to “Grants Management,” on the right-hand side, click on “Criminal Justice, Emergency Management & Victim Services Grant Programs” then select “Forms.” Or, paste the following link into your browser:

**NOTE:** Pay special attention to the required forms. Failure to submit the correct forms will result in the application being returned.
Copies of the application must be assembled separately and individually fastened in the upper left corner. **Do not bind the application.**

**B. CERTIFICATION OF ASSURANCE OF COMPLIANCE (Cal OES 2-104g)**

Cal OES is required by law to obtain written certifications of compliance. The Certification of Assurance of Compliance form is a binding affirmation that the Subrecipient will comply with the following regulations and restrictions:

- State and Federal civil rights laws;
- Drug Free Workplace;
- California Environmental Quality Act;
- Federal grant fund requirements;
- Lobbying restrictions;
- Debarment and Suspension requirements; and
- Proof of Authority documentation from the city council/governing board.

This document becomes a part of the Cal OES Grant Subaward. Two individuals must sign the Certification of Assurance of Compliance (Cal OES 2-104g): the designated individual authorized to sign the Grant Subaward (see Section 2113) and the individual granting that authority (the City/County Financial Officer, the City/County Manager, or the Governing Board Chair). The second signature is not required for State Agencies.

**C. PROJECT NARRATIVE**

The Project Narrative is the main body of information describing the problem to be addressed, the plan to address the identified problem through appropriate and achievable objectives and activities, and the ability of the Subrecipient to implement the plan.

3. **Problem Statement**

   No Problem Statement is required.

4. **Plan**

   Provide a quantitative and narrative description for each program objective listed on page 3 of this RFA.

**D. PROJECT BUDGET**

The purpose of the Project Budget is to demonstrate how the Applicant will implement the Plan with the funds available through this Program. The budget is the basis for management, fiscal review, and audit. Project costs must be directly related to the
objectives and activities of the project. The budget must cover the entire performance period. In the budget, include only those items covered by grant funds, including match funds when applicable. Projects may supplement grant funds with funds from other sources. However, since approved line items are subject to audit, Applicants should not include in the Project Budget matching funds (if applicable) in excess of the required match. Budgets are subject to Cal OES modifications and approval.

Cal OES requires the Applicant to develop a line-item budget which will enable the project to meet the intent and requirements of the Program and ensure the successful and cost-effective implementation of the project. The Applicant should prepare a realistic and prudent budget avoiding unnecessary or unusual expenditures which detract from the accomplishment of the objectives and activities of the project.

**Note:** The following information is provided to assist in the preparation of the budget:

- Strict adherence to required and prohibited items is expected.
- Where the Applicant does not budget for a required item, the Applicant assumes responsibility.
- Failure of the Applicant to include required budget items does not eliminate responsibility to comply with those requirements during the implementation of the project.

The Applicant should refer to the Subrecipient Handbook for additional information concerning Cal OES’s budget policy or to determine if specific proposed expenses are allowable. The Subrecipient Handbook is accessible on our website at [www.caloes.ca.gov](http://www.caloes.ca.gov). Select “Cal OES Divisions,” scroll down to “Grants Management,” on the right-hand side, click on “Criminal Justice, Emergency Management & Victim Services Grant Programs” then select “Handbooks, Reports & Publications.” Should you have additional budget questions, contact the person listed in Part I, Section B.

1. **Budget Narrative**

The Applicant is required to submit a narrative with the Project Budget. The narrative must be typed and placed in the application preceding the budget pages, describing:

- How the project’s proposed budget supports the Program’s objectives and activities;
- How funds are allocated to minimize administrative costs and support direct services;
- The duties of project-funded staff, including qualifications or education level necessary for the job assignment (this does not take the place of the brief justification required in the line-item budget);
- How project-funded staff duties and time commitments support the proposed objectives and activities;
• Proposed staff commitment/percentage of time to other efforts, in addition to
time allocated to this project;
• The necessity for subcontracts and unusual expenditures; and
• The mid-year salary range adjustments.

2. Specific Budget Categories

In Part IV of this RFA, or on our website, you can access Excel spreadsheets
(Cal OES 2-106b) for each of the following three budget categories:

a. Personal Services – Salaries/Employee Benefits

1) Salaries

Personal services include services performed by project staff directly
employed by the Applicant and must be identified by position and
percentage of salaries. They may be salaried or hourly, full-time or part-
time positions. Sick leave, vacation, holidays, overtime, and shift
differentials must also be budgeted as a part of salaries. If the Applicant’s
personnel have accrued sick leave or vacation time prior to the approval of
grant funding, they may not take time off using project funds. Salaries for
staff not directly employed by the Applicant must be shown as
participating staff (see Subrecipient Handbook, Section 4500) in the
Operating Expenses Category. Consultant services remain under
Operating Expenses (refer to Part II, D.2.b. - Operating Expenses -
paragraph two).

2) Benefits

Employee benefits must be identified by type and percentage of salaries.
The Applicant may use fixed percentages of salaries to calculate benefits.
Budgeted benefits cannot exceed those already established by the
Applicant.

Employer contributions or expenses for social security, employee life and
health insurance plans, unemployment insurance, and/or pension plans are
allowable budget items. Benefits, such as uniforms or California Bar
Association dues are allowable budget items if negotiated as a part of an
employee benefit package.

A line item is required for each different position/classification, but not for each
individual employee. If several people will be employed full-time or part-time in the
same position/classification, provide the number of full-time equivalents (e.g., three
half-time clerical personnel should be itemized as 1.5 clerical positions).
b. Operating Expenses
Operating expenses are defined as necessary expenditures other than personal salaries, benefits, and equipment. Such expenses may include specific items directly charged to the project, and in some cases, when permitted by the funding source, an indirect cost allowance. The expenses must be grant-related (i.e., to further the Program objectives as defined in the Grant Subaward) and be encumbered during the performance period.

The following items fall within this category: consultant services such as subcontractors, participating staff who are not employed by the Applicant, travel, office supplies, training materials, research forms, equipment maintenance, software equipment rental/lease, telephone, postage, printing, facility rental, vehicle maintenance, answering service fees, and other consumable items. Furniture and office equipment with a cost of less than $3,500 (excluding tax) and/or with a useful life of less than one year fall within this category. Otherwise, these fall under equipment expenses.

Salaries for staff not directly employed by the Applicant must be shown as consultant and/or participating staff costs (whichever is applicable per Subrecipient Handbook, Sections 3710 and 4500), under the Operating Expenses category. These costs must be supported by an Operational Agreement (OA), which must be kept on file by the Subrecipient and made available for review during a Cal OES site visit, a monitoring visit, or an audit. In the case of grants being passed through a Subrecipient to be operated by another agency, the staff from the second agency will be shown in the Operating Expenses Category.

Budget for anticipated training related to the project. The Applicant must include sufficient per diem and travel allocations for person(s) to attend required Cal OES training conferences or workshops.

c. Equipment

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and a cost of $3,500 or more per unit (excluding tax).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three laser jet printers must be one line item, not three).

NOTE: The left column of each budget category on the Spreadsheet requires line-item detail including the calculation and justification for the expense. Enter the whole dollar amount only (no cents) on each line item and the match amount (if applicable) in the correct column of the Budget Category form. You may add extra rows if necessary. The spreadsheets automatically calculate the subtotal at the end of each
budget category and provide the total of the three spreadsheets at the bottom of the Equipment page. The total of the budget including each funding source and/or match amount must correspond to the amount of the Total Project Cost (Block 12G) on the Grant Subaward Face Sheet.

E. APPLICATION APPENDIX

The application appendix provides Cal OES with additional information from the Applicant to support components of the application. The following must be included:

- Organizational Chart:
The Organizational Chart should clearly depict the structure of the Applicant organization and the specific unit within the organization responsible for the implementation of the project. This chart should also depict supporting units within the organization (e.g., the Accounting Unit) and the lines of authority within the organization. Job titles on the Organizational Chart must match those in the Budget and Budget Narrative.

- Project Summary (Cal OES 2-150)
- Noncompetitive Bid Request (Cal OES 2-156) [if applicable]
- Other Funding Sources (Cal OES 2-151)
- Federal Grant Funds Log (Cal OES 2-105)
- Prior, Current, and Proposed Cal OES Funding (Cal OES 2-152)
- Project Service Area Information (Cal OES 2-154)
- Computer and Automated Systems Purchase Justification Guidelines (Cal OES 2-157) [if applicable]

Click the link below to access Cal OES forms or go to www.caloes.ca.gov. Select “Cal OES Divisions,” scroll down to “Grants Management,” on the right-hand side, click on “Criminal Justice, Emergency Management & Victim Services Grant Programs” then select “Forms.” Or, paste the following link into your browser:

NOTE: The Applicant is strongly encouraged to review the following sections before preparing the application:

A. FINALIZING THE GRANT SUBAWARD
B. ADMINISTRATIVE REQUIREMENTS
C. BUDGET POLICY

A. FINALIZING THE GRANT SUBAWARD

1. Standard Project Funding Authority

**Allocation of funds is contingent on the enactment of the State Budget.**
Cal OES does not have the authority to disburse funds until the Budget is passed and the Grant Subaward is fully executed. Expenditures incurred prior to authorization are made at the Subrecipient’s own risk and may be disallowed. Cal OES employees are not able to authorize an Applicant to incur expenses or financial obligations prior to the execution of a Grant Subaward. However, once the Grant Subaward is finalized the Subrecipient may claim reimbursement for expenses incurred on, or subsequent to, the start of the Grant Subaward performance period.

If, during the term of the Grant Subaward, the state and/or federal funds appropriated for the purposes of the Grant Subaward are reduced or eliminated by the California Legislature or the United States Government, or in the event revenues are not collected at the level appropriated, Cal OES may immediately terminate or reduce the Grant Subaward by written notice to the Subrecipient. However, no such termination or reduction shall apply to allowable costs already incurred by the Subrecipient to the extent state or federal funds are available for payment of such costs.

Cal OES Grant Subawards are subject to applicable restrictions, limitations, or conditions enacted by the California Legislature and/or the United States Government, subsequent to execution of the Grant Subaward.

2. Processing Grant Subaward

a. Grant Subaward Conditions

Cal OES may add Grant Subaward Conditions to the Grant Subaward prior to or after funding. If conditions are added, these will be discussed with the Applicant and a copy of the conditions will be sent to the Subrecipient when the conditions are made part of the Grant Subaward. Grant Subaward Conditions may include requirements for sole source justification, a computer feasibility study, or other requirements deemed necessary by Cal OES.
b. Grant Subaward Amounts

When the amount of funds available is limited, Cal OES may reduce the amount of the Grant Subaward from the amount requested by the Applicant. In addition, Cal OES reserves the right to negotiate budgetary changes with the Applicant prior to executing the Grant Subaward. If either of these actions is required, Cal OES will notify the Applicant prior to executing the Grant Subaward.

c. Grant Subaward

A copy of the executed Grant Subaward and pertinent attachments will be sent to the Project Director. When the executed grant is received, a Report of Expenditures and Request for Funds (Cal OES 2-201) may be submitted for reimbursement.

B. ADMINISTRATIVE REQUIREMENTS

The following requirements apply to projects selected for funding and are explained below for the Subrecipient’s planning purposes:

1. The Subrecipient Handbook (SRH)

The Subrecipient Handbook is accessible on our website at www.caloes.ca.gov. Select “Cal OES Divisions,” scroll down to “Grants Management,” on the right-hand side, click on “Criminal Justice, Emergency Management & Victim Services Grant Programs” then select “Handbooks, Reports & Publications.” The Subrecipient Handbook contains administrative information and requirements necessary to implement the project. Subrecipients must administer their grants in accordance with the Subrecipient Handbook requirements. Failure to comply with these requirements can result in the withholding or termination of the Grant Subaward.

2. Communications (SRH 11500)

Projects must maintain a current telephone number and internet access with an e-mail address (see Section 2340.1), as well as a current postal address and physical location within the State of California.

3. Progress Reports and Data Collection (SRH 10100)

Funded projects are required to participate in data collection and to submit Progress Reports required by the Program. Projects are required to keep accurate records to document the information reported in the Progress Reports. The records must be kept by the project for a period of seven years. During site/monitoring visits, Cal OES will review these records for accuracy and compare them with the reported data submitted on the Progress Reports.

Community-based organizations (CBOs) shall submit a monthly Report of Expenditures and Request for Funds (Cal OES 2-201) unless they request a quarterly reporting period. Government and education agencies receiving funds will be required to report on a quarterly basis. This form is due within 30 calendar days of the end of the reporting period and must be submitted whether or not the project has incurred expenses. Delays in submitting the form Cal OES 2-201 will result in the withholding of funds and may result in the recommendation to the Cal OES Director for termination of the Grant Subaward.

5. Programmatic Technical Assistance and Site Visit Performance Assessment (SRH 10200/10300)

Funded projects are assigned a Cal OES Program Specialist to oversee the progress of the project in achieving its goals, objectives, and compliance with the Grant Subaward. Program Specialists are available to assist the Subrecipient in the successful implementation of the project and in meeting the administrative requirements of the Grant Subaward. New projects should expect a site visit from the assigned Program Specialist within the first six months of the performance period. Follow-up site visits will be conducted periodically throughout the life of the grant. Projects may request a site visit to obtain technical assistance.

6. Monitoring Requirements (SRH 10400)

A monitoring visit is an on-site assessment by staff to determine if the project is in compliance with the terms of the Program, the Grant Subaward, the Program Guidelines (if applicable), the RFA/RFP, and the Subrecipient Handbook. Projects will be monitored on a random or as-needed basis.

7. Audit Requirements (SRH 8100)

To safeguard Cal OES’s assets and to ensure that all funds are accounted for, Cal OES requires that organizations receiving Cal OES Grant Subaward(s) be audited in accordance with the Subrecipient Handbook.

8. Source Documentation (SRH 10111)

Subrecipients will be required to maintain source documentation to support claimed expenditures and project accomplishments. Source documentation is defined as records used to validate project activities and achievements pertaining to the objectives outlined in the Grant Subaward. Subrecipients are to retain source documentation for Progress Reports on a quarterly basis, regardless of submission requirements. Requirements and definitions for Program specific source documentation are delineated in the RFA instructions. Subrecipients will be required
to have written job descriptions on file for positions funded by Cal OES detailing specific grant-related activities to achieve project objectives.

9. Fidelity Bond (SRH 2160)

Private CBOs and American Indian organizations are required to obtain and send to Cal OES a copy of a blanket fidelity bond or equivalent insurance contract applicable to officials and employees of Cal OES-funded projects within 60 days of the signed Grant Subaward. Failure to comply with this requirement may result in the withholding of grant funds or termination of the Grant Subaward. The beneficiary named on the bond or an endorsement must include the “State of California, California Governor’s Office of Emergency Services” and include the Grant Subaward number for identification purposes.

The time period covered by the bond must include the effective date and total time period of the grant, including extensions. The bond must be in an amount equal to 50 percent (50%) of the total Grant Subaward and may have a deductible in an amount not to exceed one percent (1%) of the bond.

A bond is not required of a Subrecipient sponsored by units of government. CBOs sponsored by units of government may submit documentation indicating this in lieu of the bond or insurance contract, unless specifically required by terms of the Program or Grant Subaward Conditions.

10. Copyrights, Rights in Data, and Patents (SRH 5300-5400)

Cal OES owns rights of and reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, and use, in whole or in part, material produced by activities supported by a Grant Subaward. These ownership rights are detailed in the Subrecipient Handbook.

C. BUDGET POLICY

This document summarizes information on Cal OES Budget Policy contained in the Subrecipient Handbook. Additional information may be obtained by accessing the Subrecipient Handbook at www.caloes.ca.gov. Select “Cal OES Divisions,” scroll down to “Grants Management,” on the right-hand side, click on “Criminal Justice, Emergency Management & Victim Services Grant Programs” then select “Handbooks, Reports & Publications.”

1. Supplanting Prohibited (SRH 1330)

Grant funds must be used to supplement existing funds for Program activities and not replace funds appropriated for the same purpose. If selected for funding, a written certification must be provided to Cal OES indicating grant funds will not be used to
supplant existing funds. Potential supplanting will be the subject of application
review, post-award monitoring, and audit.

2. Project Income (SRH 6610)

Project income, such as client fees and fees for services provided by the Subrecipient
(i.e., training, presentations, etc.), asset forfeitures, profits from the sale of project
products, and conference proceeds as the result of a direct trade of time or products
for money must be used to offset or augment the grant, unless otherwise specified in
the RFA instructions. Project income cannot be used as matching funds, unless
otherwise specified in the RFA instructions.

3. Methods of Contracting and/or Procurement (SRH 3400)

In most cases, a competitive bid process is required to purchase equipment or
consultant services with grant funds (refer to SRH 3400 – 3530 for additional
information).

4. Match Requirements (SRH 6500)

The RFA Instructions (Part II) may specify a cash or in-kind match. When used to
augment the project, expenditures for items such as Personal Services, Operating
Expenses, or Equipment are considered match if not in violation of the prohibition on
supplanting. Match must be specified in the budget and will become part of the Grant
Subaward. Specific instructions for calculating the match are provided below. There
are examples of how to calculate the match requirement in Sections 6550-6550.2 of
the Subrecipient Handbook.

a. State Funds Matching State or Federal Funds (SRH 6522)

State and/or federal funds can be used to match other state and/or federal funds
only if the following conditions have been met:

1) The other funding source does not prohibit this practice;
2) The funds are to be used for identical activities (e.g., to augment the
project); and
3) The project has obtained prior written approval from Cal OES or the terms
of the Program allow this practice.

b. Type of Match

1) Cash Match (SRH 6511)

Cash match, also known as hard match, is often derived from the local
funding resources committed to a project such as county general fund
revenue, United Way contributions, private donations or profits from
fund-raising events. When used to augment the project, cash expenditures for items such as personnel, facilities and supplies may be considered cash match if not in violation of the prohibition on supplanting. A cash match must be specifically identified by line item as match in the budget.

2) In-Kind Match (SRH 6512)

In-kind match, also known as soft match, is the project’s contribution of non-cash outlay of materials or resources to support a percentage of Cal OES’s Grant Subaward activities. It may include non-cash outlay contributed by other public agencies and institutions, private organizations, and individuals. Examples include donated office supplies, equipment, professional services, and volunteer time. In general, the value of in-kind contributions is determined by fair market value, which must be specifically identified by line item as in-kind match in the budget.

5. Travel Policies

The following is Cal OES’s current travel policy:

a. Travel and Per Diem (SRH 2236)

The Applicant may prepare the budget using its own travel policy or the state travel policy according to the following guidelines. Travel reimbursement will only be allowed based on actual costs.

1) Units of Government (SRH 2236.21)

Units of government may use their own written travel policy or the state policy.

2) Community-Based Organizations (CBOs) (SRH 2236.22)

A community-based organization may use the state travel policy or the Applicant’s written policy up to the maximum rates allowed by the state travel policy.

3) Out-of-State Travel (SRH 2236.11)

Out-of-state travel is restricted and only allowed in exceptional situations. Requests for approval for out-of-state travel must be submitted for Cal OES approval.

b. State Travel and Per Diem Policy (SRH 2236.2)

Use the following state travel policy for budgeting travel expenses:
1) Meals and Incidentals
   a) Breakfast $7.00
      Breakfast may be claimed when travel commences at or prior to 6:00 a.m. Breakfast may be claimed on the last fractional day of a trip of more than 24 hours if travel terminates at or after 8:00 a.m.
   b) Lunch $11.00
      Lunch may not be claimed for travel less than 24 hours. Lunch may be claimed if the trip begins at or before 11:00 a.m. and may be claimed on the last fractional day of a trip of more than 24 hours if the travel terminates at or after 2:00 p.m.
   c) Dinner $23.00
      Dinner may be claimed if the trip begins at or before 5:00 p.m. Dinner may be claimed when travel terminates at or after 7:00 p.m., whether on a one-day trip or on the last day of a trip of more than 24 hours.
   d) Incidentals $5.00
      Incidentals may be claimed for trips of 24 hours or more.
   e) Total Per Diem
      The maximum is $46.00 for a 24-hour period.

2) Lodging
   The maximum allowed lodging expense is $90.00 per night, plus applicable taxes, (except as noted below). All lodging rates are per night and receipts are required for reimbursement.

3) Special Lodging Rates
   - Statewide (excluding counties identified below): $90.00, plus tax
   - Napa, Riverside, and Sacramento Counties: $95.00, plus tax
   - Los Angeles, excluding the City of Santa Monica, Orange, Ventura Counties and Edwards AFB: $120.00, plus tax
   - Alameda, Monterey, San Diego, San Mateo, and Santa Clara counties: $125.00, plus tax
   - City & County of San Francisco and the City of Santa Monica: $150.00, plus tax
4) Mileage

When a privately owned vehicle is utilized on project-related business, a maximum of 53.5 cents per mile is allowed, unless a higher rate is justified. Documentation justifying a higher rate must be on file and available for audit, but should not be submitted with the application.

5) Other

Taxi, airport shuttle, etc., which exceed $3.50 must be supported by receipt. Parking in excess of $10.00 must be supported by receipt.

6. Participating Staff (SRH 4500)

The term “participating staff” refers to salaried employees of a participating agency assigned to work with the Subrecipient on the implementation of a project. The agreement between the Subrecipient and the participating agency concerning participating staff must be reflected in the OA. Grant-related costs associated with participating staff must be itemized in the Operating Expenses category of the grant budget.

7. Independent Contractor/Consultant (SRH 3710)

Independent Contractors/Consultant services are either provided on a contractual or salary basis by individuals or organizations that are not employees of the project. Services provided by a salaried employee of an agency identified in an Operational Agreement (OA) are not considered consultant services (see Section 4000). Independent contractors/consultants must not be used in lieu of employees. If the contract is over $3,500, the project must hire the independent contractor/consultant through Competitive Bid, or submit a Non-Competitive Bid NB request to Cal OES for prior approval. If less than $3,500, the project must maintain documentation for justification of the NB contract (see Section 3500).

- Produce a specific product or service;
- Work independently without direct supervision from the Applicant;
- Work on specific projects;
- Provide services for a limited number of hours or period of time; and/or
- Have no agency management or oversight responsibilities directed toward the financial success or direction of the agency.

There must be a signed, written agreement between the organization and independent contractor/consultant specifying the contract period, compensation rate, duties or obligations, and any other conditions of employment.
a. Rates (SRH 3710.1)

The maximum rate for independent contractors/consultants is $650 (excluding travel and per diem costs) for an eight-hour day. An eight-hour day may include preparation, evaluation, and travel time in addition to the time required for actual performance. A request for compensation for over $650 a day must have prior approval from Cal OES and additional justification.

a. Exception to Rates (SRH 3710.1.1)

Compensation to government employees (e.g., federal, state, and local) will be allowed when the unit of government will not provide its services without cost. In these cases, the rate of compensation is not to exceed the daily salary rate paid by the unit of government.

b. Expert Witness Fees (SRH 3710.2)

Projects, which routinely utilize “expert witnesses” as independent contractors or consultants to conduct evaluations and provide expert testimony in the courtroom, may budget for this expense. However, the project may only be charged for costs above what the jurisdiction is required to cover. Unless otherwise prohibited, the maximum allowable rate for such witness fees is $250 per hour, and is not to exceed $2,000 per day. The total amount budgeted for expert witness fees must not exceed 10 percent (10%) of the project’s total budget. Requests for proposed expert witness costs must be accompanied by written justification indicating the following:

- Qualifications, training, and experience of the expert(s), including a statement regarding recognition by the court of the individual as an expert;
- Specialized certification/licensure [e.g., Masters in Social Work (MSW); Licensed Clinical Social Worker (LCSW), Marriage and Family Therapist (MFT); Medical Doctor (MD)];
- Rate of pay per hour including documentation of a survey of the availability of similar consultants, the current “going rate,” and the proposed rate of pay with a cost breakdown if the expert is paid according to services (e.g., mileage, waiting time, court testimony);
- Proposed services to be provided (e.g., analysis of forensic evidence, psychological evaluation); and
- Justification why this cost cannot be paid with other funds (attach the justification to Cal OES 2-106a)

8. Facility Rental (SRH 2232)

Facility rental costs per square foot must be based on actual rent paid, not to exceed $21 per square foot annually ($1.75 per square foot per month). If the rental cost for
office space exceeds this rate, it must be consistent with the prevailing rate in the local area. This documentation must be on file and available for audit. Exceptions to the above rates and/or square footage must be approved by Cal OES and requires appropriate justification.

- Rental Space for Training, Shelter, Counseling Rooms, and Other Required Space (SRH 2232.1)

Rental space for training and individual and/or group counseling rooms may also be charged to the grant, providing the charge is based on actual costs and not reimbursed by another source.

9. Rented or Leased Equipment (SRH 2233)

An explanation and cost analysis is required when equipment is rented or leased. This analysis must demonstrate that it is more cost-effective to rent or lease the equipment than it is to purchase it, and must be approved by Cal OES prior to the execution of a rental or lease agreement.

10. Indirect Cost Rate Proposal (ICRP) (SRH 2180 & SRH 2188)

Indirect costs are shared costs that cannot be directly assigned to a particular activity, but are necessary to the operation of the organization and the performance of the project. The costs of operating and maintaining facilities, accounting services, and administrative salaries are examples of indirect costs.

a. Subrecipients do not have to budget for indirect costs.

b. Subrecipients that budget for indirect costs must:

   - use their approved Indirect Cost Rate (ICR) that has been established by the Subrecipient’s cognizant federal agency (Cal OES will not act as a cognizant agency); or

   - use an amount up to the ten percent (10%) de Minimis rate of the Subrecipient’s Modified Total Direct Costs (MTDC) base. MTDC includes the cost of salaries, wages and benefits of personnel that work directly on the project, and other operational costs that are directly related to the project. The MTDC base cannot include any distorting costs such as equipment, rent, capital expenditures, or any Subawards, contracts, or consultant beyond the first $25,000.

Subrecipients, who request Cal OES funds for indirect costs, must provide a method of calculation that shows what direct costs were used to calculate their indirect budgeted amount. The Subrecipient can then charge up to that budgeted amount on the subaward.
11. Audit Costs (SRH 8150)

Subrecipients expending less than $750,000 in federal funds annually cannot use federal funds to reimburse for costs associated with audits. Subrecipients expending $750,000 or more in federal grant funds annually are required to secure an audit pursuant to 2 CFR Part 200 Uniform Guidance and are allowed to utilize federal grant funds to budget for the audit costs.

Specifically, the allowable audit costs are as follows:
- If the total project cost is less than or equal to $150,000, the project may budget up to $2,000 for the financial audit cost; or
- If the total project cost is greater than $150,000, the project may budget up to one and a half percent (1.5%) of the total project cost for financial audit costs.

12. Equipment (SRH 2300)

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and a cost of $3,500 or more per unit (excluding tax).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three laser jet printers should be one line item, not three).

a. Allowable Expenses

Equipment used solely for project activities may be budgeted if it is essential to the implementation of the project. Grant funds may not be used to reimburse the Subrecipient for equipment already purchased.

Rented or leased equipment must be budgeted as an Operating Expense. Lease-to-purchase agreements are generally not allowable. If a lease-to-purchase is requested, the project will be required to submit justification, including cost-effectiveness, with the Grant Subaward Forms Package. Prior approval by Cal OES is required.

b. Computers and Automated Equipment (SRH 2340)

1) Community-Based Organizations (SRH 2342.1)

CBOs may budget up to $25,000 in computer equipment, software, and related costs. Justification will be required if the proposal is selected for funding. Cal OES will evaluate the proposed purchase on the basis of grant-related need. Prior approval by Cal OES is required.
2) Units of Government (SRH 2342.2)

Units of government may budget for computer equipment, software, and related costs. Justification will be required if the proposal is selected for funding. Cal OES will evaluate the proposed purchase on the basis of grant-related need. Cal OES must give approval prior to purchase.

3) Computer Purchase Justification (SRH 2341)

Approval for purchases of computers and automated equipment is contingent on the Applicant’s ability to demonstrate cost-effective, project-related need which is best demonstrated by clearly relating each computer system or component to the grant objectives and activities. If selected for funding, the Applicant will be sent instructions for preparing the justification.

13. Prohibited Expense Items (SRH 2240)

   a. Bonuses/Commissions (SRH 2241)

      Projects are prohibited from paying any bonuses/commissions to any individual, organization, or firm unless specifically authorized by the terms of the Program.

   b. Lobbying (SRH 2242)

      Refer to SRH 2242.1 for an extensive list of prohibited activities.

   c. Fundraising (SRH 2243)

      Cal OES grant funds cannot be used for organized fundraising including financial campaigns, endowment drives, solicitation of gifts and bequests, or similar expenses incurred solely to raise capital or obtain contributions.

   d. Real Property and Improvements (SRH 2244)

      Real property, including land, land improvements, structures and their attachments, and structural improvements and alterations are not allowable expenditures unless specifically authorized in the RFA instructions.

   e. Interest (SRH 2245)

      The cost of interest payments is only allowable if the cost is a result of a lease/purchase agreement.
f. Charges, Fees, and Penalties (SRH 2245)

Finance charges, late payment fees, penalties, and returned check charges are not allowable expenditures.

g. Food and Beverages (SRH 2246)

The cost of food and/or beverages at grant-sponsored conferences, meetings, or office functions is not an allowable expenditure.

h. Weapons and Ammunition (SRH 2247)

The cost of weapons and/or ammunition of any type is not an allowable expenditure, unless it is part of a governmental negotiated benefit package or is specifically authorized in the RFA instructions.

i. Membership Dues (SRH 2248)

The cost of membership dues for projects involved in the licensing or credentialing of professional personnel are not allowable expenditures, unless specifically authorized in the terms of the program.

j. Professional License (SRH 2248)

The cost of a professional license is not an allowable expenditure, unless specifically authorized in the terms of the program.

k. Annual Professional Dues or Fees (SRH 2248)

The cost of professional dues or fees is not an allowable expenditure, unless it is part of a negotiated benefit package, or is authorized by the terms of the program.

l. Depreciation (SRH 2249)

Depreciation charges are not allowable expenditures.
