Subject: DOMESTIC VIOLENCE HOUSING FIRST PROGRAM, FISCAL YEAR 2016-2017 REQUEST FOR PROPOSAL

The California Governor’s Office of Emergency Services (Cal OES), Criminal Justice/Emergency Management & Victim Services Branch, is soliciting proposals for the Domestic Violence Housing First (XD) Program for fiscal year 2016-2017.

The purpose of the XD Program is to create a pilot program that first provides stable housing and then supportive services for victims of domestic violence.

In December 2014, President Obama signed into law the "Consolidated and Further Continuing Appropriations Act, 2015." This bill raised the Crime Victims Fund cap from $745 million to $2,361 billion, allowing awards to states through the Victims of Crime Act Victim Assistance Formula Grant Program to quadruple for 2015. It is unknown if this funding level will be sustained for future years, therefore, Cal OES is increasing services for victims through one-time, 24-month grants.

Approximately $2,400,000 is available for the XD Program through Victims of Crime Act funds. It is anticipated that four proposals will be selected for funding, for a 24-month subaward period, beginning July 1, 2016, and ending June 30, 2018.

Proposals will be rated and ranked competitively. Applicants should read this Request for Proposal (RFP) carefully to ensure proposals contain required elements. Please refer to the RFP for contact and eligibility information, the proposal due date, and submission options.

Thank you for your interest in this Program and we look forward to working with you.

Sincerely,

MARK S. GHILARUCCI
Director

D. ELIGIBILITY

To be eligible for funding through the XD Program, Applicants must meet the following requirements.

1. Agency

Applicants are limited to units of local government, Indian tribes, and other organizations, including nonprofit and nongovernmental organizations, or a combination thereof.

Nonprofit organizations must include, within their application, a copy of the most recently filed version of one of the following forms:

- IRS Form 990;
- State of California Franchise Tax Board Form 199; or
- State of California Board of Charitable Trusts Form CT2.

2. Applicants must receive a minimum score of 298 average points to be eligible for funding.

E. FUNDS

1. Fund Source

The XD Program is supported with federal Victims of Crime Act (VOCA) Victim Assistance Formula Grant Program (Formula Grant Program) funds. The VOCA Formula Grant Program is authorized by the Victims of Crime Act of 1984 as amended, 42 U.S.C. 10601, et seq.

a. Purpose

VOCA authorizes federal financial assistance to states for the purpose of compensating and assisting victims of crime, providing funds for training and technical assistance, and assisting victims of federal crimes.

b. Funding Amount/Subaward Period

Each project will be eligible for up to $600,000 for a 24-month subaward period commencing July 1, 2016, and ending June 30, 2018. Applicants must budget for the full subaward period and should request less funding, when appropriate.

2. Match

VOCA requires a cash and/or in-kind match equal to 20 percent of the total project cost.

3. Restrictions/Guidelines

- Volunteers must be utilized unless there is a compelling reason to waive this requirement.
- Funds may not be used for capital improvements.
- Original publications (written, visual, or sound) produced in whole or in part must contain the following statement: “Funding made possible through the United States Department of Justice, Victims of Crime Act, 2015-VA-GX-0058.”
- All awards made are subject to the Federal VOCA Victim Assistance Program Guidelines and are contingent upon the approval of the Proposed Rule to implement the Victim Assistance Formula Grant Program authorized by the Victims of Crime Act of 1984. The Proposed Rule would codify and update the existing program Guidelines to reflect changes in Office for Victims of Crime (OVC) policy, the needs of the crime victim services field, and VOCA itself.

The Code of Federal Domestic Assistance (CFDA) number for the VOCA Formula Grant Program is 16.575. Additional information can be found at www.cfda.gov.

F. PROGRAM INFORMATION

1. Program Overview

The purpose of the XD Program will be to create a pilot domestic violence-specific program that will first focus on helping victims increase access to, and retain safe, permanent housing and then provide tailored supportive services. Examples of supportive services include transportation subsidies, career training, job-related expenses, child care, and temporary rental assistance. The Program will provide flexible, trauma-informed advocacy for victims and their children and financial assistance that addresses victims unique and evolving safety needs, and allows them to choose how to best rebuild their lives.

The XD Program is modeled after the Washington State Domestic Violence Housing First Program, which is an evidence-based form of rapid rehousing customized for the needs of domestic violence victims to move victims who are homeless quickly into permanent housing and provide tailored services. Evidence shows that once victims are in stable housing, the issues that may have contributed to homelessness can be best addressed, eliminating housing as a reason to stay in an abusive relationship.

Situations identified in the Washington State Domestic Violence Housing First Program Evaluation Summary (Cohort 1 Agencies and Cohort 2 Agencies), (http://wscadv.org/wp-content/uploads/2015/06/dvhfcohort1evaluationsummary.pdf)
that made it difficult for victims to obtain or keep housing include lack of affordable, available housing, limited or lack of employment, eviction history, limited English proficiency, chemical dependency and criminal background history, having a disability, being single (for housing meant for families), having pets (even “comfort” pets), transportation, not having a checking account, lack of childcare, immigration status, credit history, debt from an abuser, landlords’ attitudes toward victims, Child Protective Services involvement, and not having custody of children when searching for family housing.

The following link is to the Washington State Domestic Violence Housing First Toolkit, which has helpful information, if you are considering implementing a similar program in your community: [http://wscadv.org/projects/domestic-violence-housing-first/toolkit/](http://wscadv.org/projects/domestic-violence-housing-first/toolkit/).

2. Project Service Components

a. Survivor-driven Advocacy

Subrecipients must provide advocacy that focuses on addressing the needs identified by victims of crime and tailor services to meet their unique needs. Subrecipients must be able to help address a range of service needs that may fall outside the scope of traditional domestic violence services, be mobile (go where victims need them), and meet victims where it is safe and convenient.

Depending on the situation, victims will have different levels of need. A low level of need may include paying one month of rent, lock installation, utilities, or temporary childcare. A medium level of need may include those identified under the low level, as well as, connecting clients with other services (support groups or counseling, etc.). A high level of need would include the low and medium levels, as well as, long-term planning with an advocate to obtain housing, improve their financial situation, etc. ¹

b. Housing Assistance

Subrecipients must assist victims with accessing safe and stable housing for up to 24 months. Subrecipients must meet with victims to determine what their housing needs are and present a realistic range of options to help make the housing search process more manageable and advocate on their behalf. This can include accompanying victims to housing appointments, acting as a liaison with landlords, and negotiating leases.

¹ The Washington State Domestic Violence Housing First Program Evaluation Summary, Cohort 1 Agencies
c. Supportive Services

Subrecipients must offer supportive services, while victims participate in the XD Program. Supportive services may include, securing employment, legal assistance, transportation, counseling, childcare services, case management, and other assistance. **Please note that victims cannot be required to participate in supportive services in order to have access to housing. Subrecipients may not impose restrictive conditions in order for victims to receive services.**

d. Community Engagement

Subrecipients must have the ability to provide outreach and education to landlords and housing authorities, many of whom may view victims as high-risk tenants. In addition, Subrecipients must also have the ability to provide outreach and education to key stakeholders such as city government, housing councils, and other homeless/housing programs regarding the dynamics of domestic violence and victims’ needs for safety. Subrecipients must develop relationships with other entities to assist victims (i.e.; legal assistance providers, police, employment agencies, CPS, etc.).

e. Financial Assistance

Subrecipients must work with victims to identify and understand what their financial needs are and provide practical, temporary funding assistance to address those needs so that employment and financial stability are achievable. VOCA allows for providing financial assistance to address needs created by the victimization. Examples of VOCA-allowable financial assistance include emergency food, shelter, clothing, transportation, window, door, and lock replacement or repair, emergency costs of non-prescription and prescription medicine, emergency durable medical equipment costs, traditional, cultural and/or alternative therapy/healing, legal assistance, and relocation assistance (examples include moving expenses, security deposits on housing, rental and mortgage assistance, and utility startup).

Subrecipients must also assist victims in taking care of other financial needs that are not supported by VOCA (examples include repairing a victim’s vehicle, school supplies, uniforms and permits required for employment), either through other funding or by working with other agencies that can provide the assistance.

f. Accessibility of Services

Subrecipients must address the barriers victims experience when accessing housing and supportive services, including lack of knowledge about resources, language barriers, social and cultural challenges, and accessibility for victims of crime with disabilities.
g. Staffing

Subrecipients must commit a minimum of one (1) Full-Time-Equivalent (FTE) advocate to oversee the project. The advocate must:

- Have at least two years of experience providing domestic violence services;
- Meet the requirements of a “domestic violence counselor” pursuant to Evidence Code §1037.1(a)(1) (Training must take place within the first six months of the grant award period if not already completed); and
- Have experience collaborating with community partners that a victim would need assistance from in order to achieve safety, stability, and independence.

h. 40-hour-training – Domestic Violence Counselors

Subrecipients must ensure advocates and volunteers working with victims and their children meet the requirements of a “Domestic Violence Counselor” pursuant to Evidence Code §1037.1(a)(1). Projects must provide this training in accordance with Evidence Code §1037.1(a)(2) which states, “The 40 hours of training must be supervised by an individual who qualifies as a counselor pursuant to Evidence Code Section 1037.1(a)(1) and who has at least one year of experience counseling domestic violence victims for the domestic violence victim service organization. The training shall include, but need not be limited to, the following areas:

- History of domestic violence;
- Civil and criminal law as it relates to domestic violence, the domestic violence victim-counselor privilege, and other laws that protect the confidentiality of victim records and information;
- Societal attitudes towards domestic violence, peer counseling techniques;
- Housing, public assistance and other financial resources available to meet the financial needs of domestic violence victims; and
- Referral services available to domestic violence victims.”

The California Partnership to End Domestic Violence (The Partnership) and your Cal OES Program Specialist are resources for assistance in implementing the required training areas and training topics.

3. Reporting Requirements

Subrecipients are required to complete reports for both Cal OES and the Office for Victims of Crime.
a. Cal OES Progress Reports

There are six Progress Reports required. See the chart below for report periods and due dates.

b. OVC Reports

There are two reports Subrecipients will need to complete. One initially and the other quarterly, as follows:

1) Subgrant Award Report (SAR)

   This report is due at the time funds are awarded. Cal OES will initiate access and the Subrecipient must complete the remainder of the report in the OVC Performance Measurement Tool (PMT).

2) Subgrantee Data Report

   The Subrecipient must complete quarterly reports no later than three weeks following the end of each federal fiscal year quarter. The Subrecipient will report data directly into the OVC Performance Measurement Tool.

PART II – RFP INSTRUCTIONS

A. PREPARING A PROPOSAL

The instructions in this section correspond to each of the proposal components and to the forms required to complete the proposal.

The Applicant must use the forms provided in Part IV of this RFP or on our website at www.caloes.ca.gov. If you create your own Project and/or Budget Narrative forms, the format must duplicate the Cal OES templates and not allow for more space than provided by Cal OES. If a space limitation, such as a page limit, is specified under the Project Narrative section, strict adherence to the space limitation is required. Information included beyond the space limitation will not be reviewed.

NOTE: Failure to comply with the spacing/formatting requirements is one of the factors that may negatively impact the Applicant’s score and ranking during the rating process.

The following eight components are required for a complete proposal:

- Proposal Cover Sheet (included in Part IV)
- Grant Subaward Face Sheet (Cal OES 2-101)
- Project Contact Information (Cal OES 2-102)

Click the link below to access Cal OES forms or go to www.caloes.ca.gov, Select “Cal OES Divisions,” scroll down to “Grants Management,” on the right-hand side, click on “Criminal Justice, Emergency Management & Victim Services Grant Programs” then select “Forms.” Or, paste the following link into your browser:
NOTE: The Applicant must ensure that all information requested by the RFP is included in the appropriate section of the proposal in order to receive credit. Failure to include the required components may result in a reduced score or disqualification. Cal OES will not advise the Applicant if the proposal is incorrect and/or incomplete prior to rating or disqualification.

B. CERTIFICATION OF ASSURANCE OF COMPLIANCE (Cal OES 2-104f)

- Drug Free Workplace;
- California Environmental Quality Act;
- Federal grant fund requirements;
- Lobbying restrictions;
- Debarment and Suspension requirements; and
- Proof of Authority documentation from the city council/governing board.

D. PROJECT BUDGET

The purpose of the Project Budget is to demonstrate how the Applicant will implement the proposed plan with the funds available through this Program. The budget is the basis for management, fiscal review, and audit. Project costs must be directly related to the objectives and activities of the project. The budget must cover the entire performance period. In the budget, include only those items covered by grant funds, including match funds, when applicable. Projects may supplement grant funds with funds from other sources. However, since approved line items are subject to audit, Applicants should not include in the Project Budget matching funds (if applicable) in excess of the required match. Budgets are subject to Cal OES modifications and approval.

To calculate the match, subtract the required match percent from 100 percent (100%), divide the Grant Subaward amount by this difference to determine the total project cost, and then subtract the Grant Subaward amount (the Cal OES allocation) to determine the match amount. The following example below demonstrates how to calculate the amount of a ten percent match (10%) on a $50,000 allocation, based on Total Project Cost.

Example

\[
\text{Grant Subaward Amount} = \$50,000 \\
\text{Divide } \$50,000 \text{ by } .9 \ (100 \text{ minus } 10 = 90) = \$55,555 \ (\text{Total Project Cost}) \\
\text{Subtract Grant Subaward Amount} = \$50,000 \ (90\%) \\
\text{Local Match} = \$5,555 \ (10\%)
\]

Cal OES requires the Applicant to develop a line-item budget which will enable the project to meet the intent and requirements of the Program and ensure the successful and cost-effective implementation of the project. The Applicant should prepare a realistic and prudent budget avoiding unnecessary or unusual expenditures which detract from the accomplishment of the objectives and activities of the project.

Note: The following information is provided to assist in the preparation of the budget:

- Strict adherence to required and prohibited items is expected.
- Where the Applicant does not budget for a required item, the Applicant assumes responsibility.
- Failure of the Applicant to include required budget items does not eliminate responsibility to comply with those requirements during the implementation of the project.
The Applicant should refer to the *Subrecipient Handbook* for additional information concerning Cal OES’s budget policy or to determine if specific proposed expenses are allowable. The *Subrecipient Handbook* is accessible on our website at [www.caloes.ca.gov](http://www.caloes.ca.gov). Select “Cal OES Divisions,” scroll down to “Grants Management,” on the right-hand side, click on “Criminal Justice, Emergency Management & Victim Services Grant Programs” then select “Handbooks, Reports & Publications.” Should you have additional budget questions, contact the person listed in Part I, section B.

1. **Budget Narrative**

   The Applicant is required to submit a narrative with the Project Budget. The narrative must be typed and placed in the proposal preceding the budget pages, describing:

   - How the project’s proposed budget supports the Program’s objectives and activities;
   - How funds are allocated to minimize administrative costs and support direct services;
   - The duties of project-funded staff, including qualifications or education level necessary for the job assignment (this does not take the place of the brief justification required in the line-item budget);
   - How project-funded staff duties and time commitments support the proposed objectives and activities;
   - Proposed staff commitment/percentage of time to other efforts, in addition to time allocated to this project;
   - The necessity for subcontracts and unusual expenditures; and
   - The mid-year salary range adjustments.

2. **Specific Budget Categories**

   In Part IV of this RFP, or on our website, you can access Excel spreadsheets (Cal OES 2-106 a) for each of the following three budget categories:

   a. **Personal Services – Salaries/Employee Benefits**

      1) **Salaries**

      Personal services include services performed by project staff directly employed by the Applicant and must be identified by position and percentage of salaries. They may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must also be budgeted as a part of salaries. If the Applicant’s personnel have accrued sick leave or vacation time prior to the approval of grant funding, they may not take time off using project funds. Salaries for staff not directly employed by the Applicant must be shown as participating staff (see *Subrecipient Handbook*, Section 4500) in the
Operating Expenses Category. Consultant services remain under Operating Expenses (refer to Part II, C.2.b. - Operating Expenses - paragraph two).

2) Benefits

Employee benefits must be identified by type and percentage of salaries. The Applicant may use fixed percentages of salaries to calculate benefits. Budgeted benefits cannot exceed those already established by the Applicant.

Employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance, and/or pension plans are allowable budget items. Benefits, such as uniforms or California Bar Association dues are allowable budget items if negotiated as a part of an employee benefit package.

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 clerical positions).

b. Operating Expenses

Operating expenses are defined as necessary expenditures other than personal salaries, benefits, and equipment. Such expenses may include specific items directly charged to the project, and in some cases, when permitted by the funding source, an indirect cost allowance. The expenses must be grant-related (i.e., to further the Program objectives as defined in the Grant Subaward) and be encumbered during the performance period.

The following items fall within this category: consultant services such as subcontractors, participating staff who are not employed by the Applicant, travel, office supplies, training materials, research forms, equipment maintenance, software equipment rental/lease, telephone, postage, printing, facility rental, vehicle maintenance, answering service fees, and other consumable items. Furniture and office equipment with a cost of less than $5,000 (excluding tax,) and/or with a useful life of less than one year fall within this category. Otherwise, these fall under equipment expenses.

Salaries for staff not directly employed by the Applicant must be shown as consultant and/or participating staff costs (whichever is applicable per Subrecipient Handbook, Sections 3710 and 4500), under the Operating Expenses category. These costs must be supported by an Operational Agreement (OA), which must be kept on file by the Subrecipient and made
available for review during a Cal OES site visit, a monitoring visit, or an audit. In the case of grants being passed through a Subrecipient to be operated by another agency, the staff from the second agency will be shown in the Operating Expenses Category.

Budget for anticipated training related to the project. The Applicant must include sufficient per diem and travel allocations for person(s) to attend required Cal OES training conferences or workshops.

c. Equipment

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and a cost of $5,000 or more per unit (excluding tax).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three laser jet printers must be one line item, not three).

NOTE: The left column of each budget category on the spreadsheet requires line-item detail including the calculation and justification for the expense. Enter the whole dollar amount only (no cents) on each line item and the match amount (if applicable) in the correct column of the Budget Category form. You may add extra rows if necessary. The spreadsheets automatically calculate the subtotal at the end of each budget category and provide the total of the three spreadsheets at the bottom of the Equipment page. The total of the budget including each funding source and/or match amount must correspond to the amount of the Total Project Cost (Block 12G) on the Grant Subaward Face Sheet.

E. PROPOSAL APPENDIX

The Proposal Appendix provides Cal OES with additional information from the Applicant to support components of the proposal. The following must be included:

- IRS Form 990, State of California Franchise Tax Board Form 199, or State of California Board of Charitable Trust Form [if applicable]
- Organizational Chart: The Organizational Chart should clearly depict the structure of the Applicant organization and the specific unit within the organization responsible for the implementation of the project. This chart should also depict supporting units within the organization (e.g., the Accounting Unit) and the lines of authority within the organization. Job titles on the Organizational Chart must match those in the Budget and Budget Narrative.
- Noncompetitive Bid Request (Cal OES 2-156) [if applicable]

NOTE: The Applicant is strongly encouraged to review the following sections before preparing the proposal:

A. SELECTION OF PROPOSAL FOR FUNDING
B. FINALIZING THE GRANT SUBAWARD
C. ADMINISTRATIVE REQUIREMENTS
D. BUDGET POLICY

A. SELECTION OF PROPOSAL FOR FUNDING

1. Proposal Rating

Eligible proposals received by the deadline are generally rated by a three member team. The rater scores are averaged and then ranked numerically. The Rating Form used for this process is included in Part IV of this RFP and is for informational purposes only.

2. Funding Recommendation

Final funding decisions are made by the Director of Cal OES. Funding recommendations are based on the following:

- The ranked score of the proposal;
- Consideration of funding priorities or geographical distribution specific to this RFP; and
- Prior negative administrative and programmatic performance, if applicable.

Projects previously funded by Cal OES will be reviewed for poor past compliance, including fiscal management, progress and annual reports, audit reports, and other relevant documentation or information. This review may result in one or more of the following actions:

a. The project may not be selected for funding;
b. The amount of funding may be reduced; or
c. Grant Subaward Conditions may be placed in the Grant Subaward.

See RFP Appendix for additional information.
3. Notification Process

Applicants will be notified in writing of the results of the rating process. Applicants not selected for funding will receive a denial letter containing their average score and information on the appeal process.

B. FINALIZING THE GRANT SUBAWARD

1. Standard Project Funding Authority

*Allocation of funds is contingent on the enactment of the State Budget.*

Cal OES does not have the authority to disburse funds until the budget is passed and the Grant Subaward is fully executed. Expenditures incurred prior to authorization are made at the Subrecipient’s own risk and may be disallowed. Cal OES employees are not able to authorize an Applicant to incur expenses or financial obligations prior to the execution of a Grant Subaward. However, once the Grant Subaward is finalized the Subrecipient may claim reimbursement for expenses incurred on, or subsequent to, the start of the Grant Subaward period.

If, during the term of the Grant Subaward, the state and/or federal funds appropriated for the purposes of the Grant Subaward are reduced or eliminated by the California Legislature or the United States Government, or in the event revenues are not collected at the level appropriated, Cal OES may immediately terminate or reduce the Grant Subaward by written notice to the Subrecipient. However, no such termination or reduction shall apply to allowable costs already incurred by the Subrecipient to the extent state or federal funds are available for payment of such costs.

Cal OES Grant Subawards are subject to applicable restrictions, limitations, or conditions enacted by the California Legislature and/or the United States Government, subsequent to the execution of the Grant Subaward.

2. Processing Grant Subaward

a. Grant Subaward Conditions

Cal OES may add Grant Subaward Conditions to the Grant Subaward prior to or after funding. If conditions are added, these will be discussed with the Applicant/Subrecipient and a copy of the conditions will be sent to the Subrecipient when the conditions are made part of the Grant Subaward. Grant Subaward Conditions may include requirements for sole source justification, a computer feasibility study, or other requirements deemed necessary by Cal OES.
b. Grant Subaward Amounts

When the amount of funds available is limited, Cal OES may reduce the amount of the Grant Subaward from the amount requested by the Applicant. In addition, Cal OES reserves the right to negotiate budgetary changes with the Applicant prior to executing the Grant Subaward. If either of these actions is required, Cal OES will notify the Applicant prior to executing the Grant Subaward.

c. Grant Subaward

A copy of the executed Grant Subaward and pertinent attachments will be sent to the Project Director. The Applicant is not authorized to incur costs against the grant until a copy of the fully executed Grant Subaward is received. When the executed grant is received a Report of Expenditures and Request for Funds (Cal OES 2-201) may be submitted for reimbursement.

C. ADMINISTRATIVE REQUIREMENTS

The following requirements apply to projects selected for funding and are explained below for the Subrecipient’s planning purposes.

1. The Subrecipient Handbook (SRH)

The Subrecipient Handbook is accessible on our website at www.caloes.ca.gov. Select “Cal OES Divisions,” scroll down to “Grants Management,” on the right-hand side, click on “Criminal Justice, Emergency Management & Victim Services Grant Programs” then select “Handbooks, Reports & Publications.” The Subrecipient Handbook contains administrative information and requirements necessary to implement the project. Subrecipients must administer their grants in accordance with the Subrecipient Handbook requirements. Failure to comply with these requirements can result in the withholding or termination of the Grant Subaward.

2. Communications (SRH 11500)

Projects must maintain a current telephone number and internet access with an e-mail address (see Section 2340.1), as well as a current postal address and physical location within the State of California.

3. Progress Reports and Data Collection (SRH 10100)

Funded projects are required to participate in data collection and to submit Progress Reports required by the Program. Projects are required to keep accurate records to document the information reported in the Progress Reports. The records must be kept by the project for a period of seven years. During site/monitoring visits, Cal OES will review these records for accuracy and compare them with the reported data submitted on the Progress Reports.

Community-based organizations (CBOs) shall submit a monthly Report of Expenditures and Request for Funds (Cal OES 2-201) unless they request a quarterly reporting period. Government and education agencies receiving funds will be required to report on a quarterly basis. This form is due within 30 calendar days of the end of the reporting period and must be submitted whether or not the project has incurred expenses. Delays in submitting the form Cal OES 2-201 will result in the withholding of funds and may result in the recommendation to Cal OES Director for termination of the Grant Subaward.

5. Technical Assistance and Site Visits (*SRH 10200-10300*)

Funded projects are assigned a Cal OES Program Specialist to oversee the progress of the project in achieving its goals, objectives and compliance with the Grant Subaward. Program Specialists are available to assist the Subrecipient in the successful implementation of the project and in meeting the administrative requirements of the Grant Subaward. New projects should expect a site visit from the assigned Program Specialist within the first six months of the performance period. Follow-up site visits will be conducted periodically throughout the life of the grant. Projects may request a site visit to obtain technical assistance.

6. Monitoring Requirements (*SRH 10400*)

A monitoring visit is an onsite assessment by staff to determine if the project is in compliance with the terms of the Program, the Grant Subaward, the program guidelines (if applicable), the RFA/RFP, and the *Subrecipient Handbook*. Projects will be monitored on a random or as-needed basis.

7. Audit Requirements (*SRH 8100*)

To safeguard Cal OES’s assets and to ensure that all funds are accounted for, Cal OES requires that organizations receiving a Cal OES Grant Subaward(s) be audited in accordance with the *Subrecipient Handbook*.

8. Source Documentation (*SRH 10111*)

Subrecipients will be required to maintain source documentation to support claimed expenditures and project accomplishments. Source documentation is defined as records used to validate project activities and achievements pertaining to the objectives outlined in the Grant Subaward. Subrecipients are to retain source documentation for Progress Reports on a quarterly basis, regardless of submission requirements. Requirements and definitions for program-specific source documentation are delineated in the RFP instructions. Subrecipients will be required to have written job descriptions on file for positions funded by Cal OES detailing specific grant-related activities to achieve project objectives.
9. Fidelity Bond (SRH 2160)

Private CBOs and American Indian organizations are required to obtain and send to Cal OES a copy of a blanket fidelity bond or equivalent insurance contract applicable to officials and employees of Cal OES-funded projects within 60 days of the signed Grant Subaward. Failure to comply with this requirement may result in the withholding of grant funds or termination of the Grant Subaward. The beneficiary named on the bond or an endorsement must include the “State of California, California Governor’s Office of Emergency Services” and include the Grant Subaward number for identification purposes.

The time period covered by the bond must include the effective date and total time period of the grant, including extensions. The bond must be in an amount equal to 50 percent (50%) of the total Grant Subaward and may have a deductible in an amount not to exceed one percent (1%) of the bond.

A bond is not required of a Subrecipient sponsored by units of government. CBOs sponsored by units of government may submit documentation indicating this in lieu of the bond or insurance contract, unless specifically required terms of the Program or Grant Subaward Conditions.

10. Copyrights, Rights in Data, and Patents (SRH 5300-5400)

Cal OES owns rights of and reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, and use, in whole or in part, material produced by activities supported by a Grant Subaward. These ownership rights are detailed in the Subrecipient Handbook.

D. BUDGET POLICY

This document summarizes information on Cal OES’s Budget Policy contained in the Subrecipient Handbook. Additional information may be obtained by accessing the Subrecipient Handbook at www.caloes.ca.gov. Select “Cal OES Divisions,” scroll down to “Grants Management,” on the right-hand side, click on “Criminal Justice, Emergency Management & Victim Services Grant Programs” then select “Handbooks, Reports & Publications.”

1. Supplanting Prohibited (SRH 1330)

Grant funds must be used to supplement existing funds for Program activities and not replace funds appropriated for the same purpose. If selected for funding, a written certification must be provided to Cal OES indicating grant funds will not be used to supplant existing funds. Potential supplanting will be the subject of application review, post-award monitoring, and audit.
2. **Project Income** (*SRH 6610*)

   Project income, such as client fees and fees for services provided by the Subrecipient (i.e., training, presentations, etc.), asset forfeitures, profits from the sale of project products, and conference proceeds as the result of a direct trade of time or products for money must be used to offset or augment the grant, unless otherwise specified in the RFP instructions. Project income cannot be used as matching funds, unless otherwise specified in the RFP instructions.

3. **Methods of Contracting and/or Procurement** (*SRH 3400*)

   A competitive bid process is required to purchase equipment or consultant services with grant funds. Noncompetitive bid contracts are disfavored. Noncompetitive bid request approval by Cal OES program staff is required prior to the purchase of equipment in excess of $5,000, or to hire a specific consultant charging over $650 per day. Local units of government may use their approved procurement policy except for contracts over $50,000 which requires prior Cal OES approval. For organizations without a written procurement policy, a competitive bid process involves determining the specifications for the items needed and obtaining at least three bids from different vendors. Whenever a specific individual/organization name is identified in the Project Budget, a narrative describing the competitive bid process or a sole-source procurement (noncompetitive bid) request will be required. Cal OES will provide assistance in submitting a noncompetitive bid request if the proposal is selected for funding and if Cal OES determines it is in the best interest of the project. These procedures do not apply to funds shared with participating agencies under the terms of an Operational Agreement (see Section 4500 SRH).

4. **Match Requirements** (*SRH 6500*)

   The RFP Instructions (Part II) may specify a cash or in-kind match. When used to augment the project, expenditures for items such as Personal Services, Operating Expenses, or Equipment are considered match if not in violation of the prohibition on supplanting. Match must be specified in the budget and will become part of the Grant Subaward. Specific instructions for calculating the match are provided below. There are examples of how to calculate the match requirement in Sections 6550-6550.2 of the *Subrecipient Handbook*.

   a. **State Funds Matching State or Federal Funds** (*SRH 6522*)

       State and/or federal funds can be used to match other state and/or federal funds *only* if the following conditions have been met:

       1) The other funding source does not prohibit this practice;
       2) The funds are to be used for identical activities (e.g., to augment the project); and
3) The project has obtained prior written approval from Cal OES or the terms of the program allow this practice.

b. Type of Match

1) Cash Match (SRH 6511)

Cash match, also known as hard match, is often derived from the local funding resources committed to a project such as county general fund revenue, United Way contributions, private donations or profits from fund-raising events. When used to augment the project, cash expenditures for items such as personnel, facilities and supplies may be considered cash match if not in violation of the prohibition on supplanting. A cash match must be specifically identified by line item as match in the budget.

2) In-Kind Match (SRH 6512)

In-kind match, also known as soft match, is the project’s contribution of non-cash outlay of materials or resources to support a percentage of Cal OES’s Grant Subaward activities. It may include non-cash outlay contributed by other public agencies and institutions, private organizations, and individuals. Examples include donated office supplies, equipment, professional services, and volunteer time. In general, the value of in-kind contributions is determined by fair market value, which must be specifically identified by line-item as in-kind match in the budget.

5. Travel Policies

The following is Cal OES’s current travel policy:

a. Travel and Per Diem (SRH 2236)

The Applicant may prepare the budget using their own travel policy or the State travel policy according to the following guidelines. Travel reimbursement will only be allowed based on actual costs.

1) Units of Government (SRH 2236.1)

Units of government may use their own written travel policy or the State policy.

2) Community-Based Organizations (CBOs) (SRH 2236.22)

A community-based organization may use the State travel policy or the Applicant’s written policy up to the maximum rates allowed by the State travel policy.
3) Out-of-State Travel (SRH 2236.11)

Out-of-state travel is restricted and only allowed in exceptional situations. Requests for approval for out-of-state travel must be submitted for Cal OES approval.

b. State Travel and Per Diem Policy (SRH 2236.2)

Use the following State travel policy for budgeting travel expenses:

1) Meals and Incidentals
   a) Breakfast $7.00

   Breakfast may be claimed when travel commences at or prior to 6:00 a.m. Breakfast may be claimed on the last fractional day of a trip of more than 24 hours if travel terminates at or after 8:00 a.m.

   b) Lunch $11.00

   Lunch may not be claimed for travel less than 24 hours. Lunch may be claimed if the trip begins at or before 11:00 a.m. and may be claimed on the last fractional day of a trip of more than 24 hours if the travel terminates at or after 2:00 p.m.

   c) Dinner $23.00

   Dinner may be claimed if the trip begins at or before 5:00 p.m. Dinner may be claimed when travel terminates at or after 7:00 p.m., whether on a one-day trip or on the last day of a trip of more than 24 hours.

   d) Incidentals $5.00

   Incidentals may be claimed for trips of 24 hours or more.

   e) Total Per Diem

   The maximum is $46.00 for a 24-hour period.

2) Lodging

   The maximum allowed lodging expense is $90.00 per night, plus applicable taxes, (except as noted below). All lodging rates are per night and receipts are required for reimbursement.
3) Special Lodging Rates

- Statewide (excluding counties identified below): $90.00, plus tax
- Napa, Riverside, and Sacramento Counties: $95.00, plus tax
- Los Angeles, excluding the City of Santa Monica, Orange, Ventura Counties and Edwards AFB: $120.00, plus tax
- Alameda, Monterey, San Diego, San Mateo, and Santa Clara Counties: $125.00, plus tax
- City & County of San Francisco and the City of Santa Monica: $150.00, plus tax

4) Mileage

When a privately owned vehicle is utilized on project-related business, a maximum of 54 cents per mile is allowed, unless a higher rate is justified. Documentation justifying a higher rate must be on file and available for audit, but should not be submitted with the proposal.

5) Other

Taxi, airport shuttle, etc., which exceed $3.50 must be supported by receipt. Parking in excess of $10.00 must be supported by receipt.

6. Participating Staff (SRH 4500)

The term “participating staff” refers to salaried employees of a participating agency assigned to work with the Subrecipient on the implementation of a project. The agreement between the Subrecipient and the participating agency concerning participating staff must be reflected in the OA. Grant related costs associated with participating staff must be itemized in the Operating Expenses category of the grant budget.

7. Independent Contractor or Consultant Services (SRH 3710)

Services are provided on a contractual basis by individuals or organizations not directly employed by the Applicant. Independent contractors/consultants must not be used in lieu of employees and are defined as individuals or organizations meeting some or all of the following criteria:

- Produce a specific product or service;
- Work independently without direct supervision from the Applicant;
- Work on specific projects;
- Provide services for a limited number of hours or period of time; and/or
- Have no agency management or oversight responsibilities directed toward the financial success or direction of the agency.
a. Rates (SRH 3710.1)

The maximum rate for independent contractors/consultants is $650.00 (excluding travel and per diem costs) for an eight-hour day. An eight-hour day may include preparation, evaluation, and travel time in addition to the time required for actual performance. A request for compensation for over $650 a day must have prior approval from Cal OES and additional justification.

1) Exception to Rates (SRH 3710.1.1)

Compensation to government employees (e.g., federal, state, and local) will be allowed when the unit of government will not provide its services without cost. In these cases, the rate of compensation is not to exceed the daily salary rate paid by the unit of government.

b. Expert Witness Fees (SRH 3710.2)

Projects, which routinely utilize “expert witnesses” as independent contractors or consultants to conduct evaluations and provide expert testimony in the courtroom, may budget for this expense. However, the project may only be charged for costs above what the jurisdiction is required to cover. Unless otherwise prohibited, the maximum allowable rate for such witness fees is $250 per hour, and is not to exceed $2,000 per day. The total amount budgeted for expert witness fees must not exceed 10% percent of the project’s total budget. Requests for proposed expert witness costs must be accompanied by written justification indicating the following:

- Qualifications, training, and experience of the expert(s), including a statement regarding recognition by the court of the individual as an expert;
- Specialized certification/licensure [e.g., Masters in Social Work (MSW); Licensed Clinical Social Worker (LCSW), Marriage and Family Therapist (MFT); Medical Doctor (MD)];
- Rate of pay per hour including documentation of a survey of the availability of similar consultants, the current “going rate,” and the proposed rate of pay with a cost breakdown if expert is paid according to services (e.g., mileage, waiting time, court testimony);
- Proposed services to be provided (e.g., analysis of forensic evidence, psychological evaluation); and
- Justification why this cost cannot be paid with other funds (attach the justification to Cal OES 2-106a).

8. Facility Rental (SRH 2232)

Up to $21.00 per square foot annually ($1.75 per square foot per month) is allowed for facility rental. If the rental cost for office space exceeds this rate, it must be
consistent with the prevailing rate in the local area. This documentation must be on
file and available for audit. Exceptions to the above rates and/or square footage must
be approved by Cal OES and requires appropriate justification.

- Rental Space for Training, Shelter, Counseling rooms, and Other Required
  Space (SRH 2232.1)

Rental space for training and individual and/or group counseling rooms may
also be charged to the grant, providing the charge is based on actual costs and
not reimbursed by another source.

9. Rented or Leased Equipment (SRH 2233)

An explanation and cost analysis is required when equipment is rented or leased. This
analysis must demonstrate that it is more cost-effective to rent or lease the equipment
than it is to purchase it, and must be approved by Cal OES prior to the execution of a
rental or lease agreement.

10. Indirect Costs/Administrative Overhead (SRH 2180 & SRH 2188)

Indirect costs are shared costs that cannot be directly assigned to a particular activity,
but are necessary to the operation of the organization and the performance of the
project. The costs of operating and maintaining facilities, accounting services, and
administrative salaries are examples of indirect costs.

a. Subrecipients do not have to budget for indirect costs.

b. Subrecipients that budget for indirect costs must:

   - use their approved Indirect Cost Rate (ICR) that has been established by the
     Subrecipient’s cognizant federal agency (Cal OES will not act as a cognizant
     agency); or

   - use an amount up to the ten percent (10%) de Minimis rate of the Subrecipient’s
     Modified Total Direct Costs (MTDC) base. MTDC includes the cost of salaries,
     wages and benefits of personnel that work directly on the project, and other
     operational costs that are directly related to the project. The MTDC base cannot
     include any distorting costs such as equipment, capital expenditures, or any
     Subawards, contracts, or consultant beyond the first $25,000.

Subrecipients, who request Cal OES funds for indirect costs, must provide a method
of calculation that shows what direct costs were used to calculate their indirect
budgeted amount. The Subrecipient can then charge up to that budgeted amount on
the subaward.
11. Audit Costs (*SRH 8150*)

Subrecipients expending less than $750,000 in federal funds annually cannot use federal funds to reimburse for costs associated with audits. Subrecipients expending $750,000 or more in federal grant funds annually are required to secure an audit pursuant to 2 CFR Part 200 Uniform Guidance and are allowed to utilize federal grant funds to budget for the audit costs.

Specifically, the allowable audit costs are as follows:
- If the total project cost is less than or equal to $150,000, the project may budget up to $2,000 for the financial audit cost; or
- If the total project cost is greater than $150,000, the project may budget up to one and a half percent (1.5%) of the total project cost for financial audit costs.

12. Equipment (*SRH 2300*)

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and a cost of $5,000 or more per unit (excluding tax).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three laser jet printers should be one line item, not three).

a. Allowable Expenses

Equipment used solely for project activities may be budgeted if it is essential to the implementation of the project. Grant funds may not be used to reimburse the Subrecipient for equipment already purchased.

Rented or leased equipment must be budgeted as an Operating Expense. Lease-to-purchase agreements are generally not allowable. If a lease-to-purchase is requested, the project will be required to submit justification, including cost-effectiveness, with the Grant Subaward Forms Package. Prior approval by Cal OES is required.

b. Computers and Automated Equipment (*SRH 2340*)

1) Community-Based Organizations (*SRH 2342.1*)

CBOs may budget for computer equipment, software, and related costs. Justification will be required if the proposal is selected for funding. Cal OES will evaluate the proposed purchase on the basis of grant-related need. Prior approval by Cal OES is required.
2) Units of Government (SRH 2342.2)

Units of government may budget for computer equipment, software, and related costs. Justification will be required if the proposal is selected for funding. Cal OES will evaluate the proposed purchase on the basis of grant-related need. Cal OES must give approval prior to purchase.

3) Computer Purchase Justification (SRH 2341)

Approval for purchases of computers and automated equipment is contingent on the Applicant’s ability to demonstrate cost-effective, project-related need which is best demonstrated by clearly relating each computer system or component to the grant objectives and activities. If selected for funding, the Applicant will be sent instructions for preparing the justification.

c. Automobiles (SRH 2331)

If automobiles are allowable pursuant to the terms of the program, projects must provide substantial justification demonstrating the grant-related need. If not previously approved in the initial Grant Subaward, then a justification must be submitted with a Grant Subaward Modification (Cal OES Form 2-223) and include the following information:

1) Describe the need for a vehicle, including the size of the service area and the need to provide direct service away from the office;

2) Describe the lack of available agency vehicles;

3) Describe the lack of available personal vehicles for which mileage can be charged or a reason why the agency will not allow personal vehicle usage during working hours; and

4) Include a cost analysis for the vehicle purchase as compared to other options, including lease and personal vehicle use with mileage.

13. Prohibited Expense Items (SRH 2240)

a. Bonuses/Commissions (SRH 2241)

Projects are prohibited from paying any bonuses/commissions to any individual, organization, or firm unless specifically authorized by the terms of the Program.
b. Lobbying (SRH 2242)

Refer to RH 2242.1 for an extensive list of prohibited activities.

c. Fundraising (SRH 2243)

Cal OES grant funds cannot be used for organized fundraising including financial campaigns, endowment drives, solicitation of gifts and bequests, or similar expenses incurred solely to raise capital or obtain contributions.

d. Real Property and Improvements (SRH 2244)

Real property, including land, land improvements, structures and their attachments, and structural improvements and alterations are not allowable expenditures unless specifically authorized in the RFP instructions.

e. Interest (SRH 2245)

The cost of interest payments is only allowable if the cost is a result of a lease/purchase agreement.

f. Charges, Fees, and Penalties (SRH 2245)

Finance charges, late payment fees, penalties, and returned check charges are not allowable expenditures.

g. Food and Beverages (SRH 2246)

The cost of food and/or beverages at grant-sponsored conferences, meetings, or office functions is not an allowable expenditure.

h. Weapons and Ammunition (SRH 2247)

The cost of weapons and/or ammunition of any type is not an allowable expenditure, unless it is part of a governmental negotiated benefit package or is specifically authorized in the RFP instructions.

i. Membership Dues (SRH 2248)

The cost of membership dues for the licensing or credentialing of professional personnel is not an allowable expenditure unless it is part of a governmental negotiated benefit package or is specifically authorized in the RFP instructions.
j. Professional License (SRH 2248)

The cost of a professional license is not an allowable expenditure unless specifically authorized in the RFP instructions.

k. Annual Professional Dues or Fees (SRH 2248)

The cost of professional dues or fees is not an allowable expenditure unless it is part of a governmental negotiated benefit package or is specifically authorized by the RFP instructions.

l. Depreciation (SRH 2249)

Equipment costs may not include additional costs calculated for depreciation.

SUMMARY OF THE PAST PERFORMANCE POLICY

The following is a summary of the Cal OES’s Past Performance Policy. A complete copy may be obtained by sending a written request to the Assistant Director, Grants Management, at:

California Governor’s Office of Emergency Services
Criminal Justice/Emergency Management & Victim Services Branch
3650 Schriever Avenue
Mather, CA 95655
Attn: DOMESTIC VIOLENCE HOUSING FIRST PROGRAM – Domestic Violence Unit
Fax: (916) 845-8267

1. General Policy

This policy is intended to penalize existing Subrecipients having serious performance problems and will be utilized only in connection with the RFP process on the awarding of grants for new funding cycles. It was developed in consultation with Cal OES advisory groups.

2. Penalty Levels

Level A: Complete disqualification from RFP process.
Level B: 10% point reduction of total possible points from an Applicant’s score.

3. Standard for Invoking a Penalty

The standard for invoking either penalty is dependent upon the Subrecipient’s compliance with grant terms and conditions (excluding minor incident(s) of noncompliance).

a. Serious Performance Problems Eligible For Consideration

Performance problems which would qualify under this policy include, but are not limited to:

1) Significant failure to account for use of funds, mishandling/misuse of funds, fraud or embezzlement, or other material accounting irregularities or violation(s), as documented in an audit report, monitoring report, police report, or other similar objective documentation.

2) Violation(s) of material statutory requirements related to the grant;

3) A willful or grossly negligent violation of a Cal OES policy, or Terms of the Program, but only after the Subrecipient had been provided:
   a) Technical assistance by Cal OES, including a site visit if necessary, to remedy the violation;
   b) At least one written notice (per violation); and
c) A reasonable opportunity to remedy the violation.

Written notice of serious performance problems will be provided to the Subrecipient’s Executive Officer. Failure to remedy the violation may negatively impact the Subrecipient’s eligibility for future funding.

It is not necessary for a criminal conviction to have occurred for Cal OES to consider actions appearing to constitute fraud, embezzlement, mishandling of funds or other types of statutory violations. Cal OES must only have reliable evidence this conduct occurred. Moreover, only properly documented performance problems will be considered.

b. Factors Considered

In determining an appropriate penalty, factors to be considered include, but are not limited to:

1) The seriousness of the problem;
2) Whether the problem identified was intentional;
3) Whether the problem revealed dishonest behavior by the Applicant;
4) Whether the interests of the State or the public were harmed by the problem;
5) Whether the problem or problems were a one-time occurrence or represent an ongoing pattern of behavior;
6) Whether the problem was documented objectively; and
7) Whether Cal OES attempted to assist the Subrecipient in remedying the problem.

c. Specific Examples

Performance problems are considered on a case-by-case basis and take the totality of the circumstances into consideration. The following examples are not intended to be binding or restrictive of Cal OES authority to determine the appropriate penalty in a particular case:

1) Cal OES conducts a visit of a project and makes the following findings:
   a) The shelter failed to pay overtime on two occasions;
   b) Three timesheets did not contain a supervisor’s approval; and
   c) The project’s doors opened at 9:30 a.m. instead of 9:00 a.m. as stated on its RFP proposal.

A corrective action plan is developed and the Subrecipient takes steps to address the findings. Communication with the Subrecipient four months later shows the findings have been corrected.

**Penalty: None**
2) One year ago, an audit discovered that a project employee embezzled $300 of Cal OES funds. The audit concludes this occurred in part due to inadequate management controls and supervision by the project. The employee was fired and the case submitted to the District Attorney’s office for prosecution.

The Subrecipient has implemented new accounting and management policies and procedures, and promises to better supervise its employees. No other problems with the Subrecipient are known.

**Penalty: Level B**

3) A project has agreed to provide victim advocacy services in County X. The Subrecipient spends $40,000 on non-grant related expenses and does not provide the services. This is documented in the Site Visit Report. The project’s Progress Reports to Cal OES report that the services are being provided. Cal OES refers the matter to the District Attorney for prosecution, but no additional steps have yet to be taken.

**Penalty: Level A**

4. **Notification to the Applicant and Appeal of Decision**

A letter will be sent by certified mail to the Applicants that are denied funding due to past performance problem(s). The Applicant shall be provided with a summary of why the performance problem penalty was invoked. The Applicant is entitled to appeal the denial of funding on the same basis as other appeals of denial of funding, pursuant to the Appeals Guidelines.

| **Operational Agreement (OA)** | A formal agreement between two or more agencies, which specifies the responsibilities of each agency in implementing the project. The term Operational Agreement also includes documents entitled Memorandum of Understanding, Letters of Intent, or other titles that serve the same purpose. |
