Governmental Action Matrix—Declaration Process

Government Action	Taken By Whom	Action Requires	Powers Granted	Restrictions
<p>Local Emergency Means the duly proclaimed existence of conditions of disaster or of extreme peril to the safety of persons and property within the territorial limits of a county, city and county, or city, caused by such conditions as air pollution, fire, flood, storm, epidemic, riot, drought, sudden and severe energy shortage, plant or animal infestation or disease, the Governor’s warning of an earthquake or volcanic prediction, or an earthquake, or other conditions, other than conditions resulting from a labor controversy, which conditions, by reason of their magnitude, are, or are likely to be beyond the control of the services, personnel, equipment, and facilities of that political subdivision and require the combined forces of other political subdivisions to combat.[Government Code Section 8558 (c)]</p>	<ul style="list-style-type: none"> • Proclaimed only by governing body of a county, city and county, or city, or an official designated by ordinance adopted by such a governing body. • Shall not remain in effect for a period in excess of seven days unless ratified by the governing body. 	<p>Event conditions must be “or are likely to be beyond the control of the services, personnel, equipment, and facilities of that political subdivision and require the combined forces of other political subdivisions to combat.</p> <p>Local proclamation <u>must</u> include information regarding the type of incident and at least the beginning date of the incident occurrence.</p> <p>A request for Director’s Concurrence for NDAA assistance <u>must</u> be filed within 10 days of the actual incident occurrence. The request should include:</p> <ol style="list-style-type: none"> 1. Copy of local emergency proclamation; 2. Initial Damage Estimate or other damage assessment information as appropriate; 3. Name or title of person(s) designated to receive, process, and coordinate aid. 	<p>Local Emergency allows:</p> <ol style="list-style-type: none"> 1. Provision of mutual aid by other political subdivisions, subject to local ordinances, agreements, resolutions, emergency plans, etc. 2. Provision of mutual aid by state agencies, in accordance with mutual aid agreements, or at the direction of the Governor. 3. Charging of costs against the state for extraordinary services incurred by political subdivisions in executing mutual aid agreements, when approved by the Governor, in accordance with orders and regulations promulgated as prescribed in Government Code Section 8567. 4. Promulgation of orders and regulations necessary to provide for the protection of life and property, including orders or regulations imposing a curfew. 	<p>Local emergency cannot be made for “conditions resulting from a labor controversy.”</p> <p>Local emergency should be made only when mutual aid is or may be required or upon determination by the affected jurisdiction that special emergency authority is needed to preserve public order and safety.</p> <p>Termination:</p> <ul style="list-style-type: none"> • Governing body must review at least every 14 days until such local emergency is terminated. • Governing body shall proclaim the termination of such local emergency at the earliest possible date the conditions warrant.

Governmental Action Matrix—Declaration Process

Government Action	Taken By Whom	Action Requires	Powers Granted	Restrictions
<p>State of Emergency Means the duly proclaimed existence of conditions of disaster or of extreme peril to the safety of persons and property within the state caused by such conditions as air pollution, fire, flood, storm, epidemic, riot, drought, sudden and severe energy shortage, plant or animal infestation or disease, the Governor’s warning of an earthquake or volcanic prediction, or an earthquake, or other conditions, other than conditions resulting from a labor controversy or conditions causing a “state of war emergency,” which conditions are beyond the control of the services, personnel, equipment, and facilities of any single county, city and county, or city and require the combined forces of a mutual aid region or regions to combat. [Government Code Section 8558 (b)]</p>	<p>Proclaimed by the Governor, or when the Governor is inaccessible, the Director of Emergency Services may proclaim the existence of a state of emergency in the name of the Governor.</p> <ol style="list-style-type: none"> Such action must be ratified by the Governor as soon as the Governor becomes accessible. If the Governor does not ratify the action, the Governor must immediately terminate the state of emergency as proclaimed by the Director. 	<p>The Governor may proclaim a state of emergency when</p> <ol style="list-style-type: none"> He/she is requested to do so by the governing local authority, <u>or</u> He/she finds that local authority is inadequate to cope with the emergency. <p>Request for Governor’s state of emergency proclamation should include:</p> <ol style="list-style-type: none"> Copy of local emergency proclamation; Initial Damage Estimate or other damage assessment information as appropriate; Name or title of person(s) designated to receive, process, and coordinate assistance. 	<p>During a state of emergency the Governor:</p> <ol style="list-style-type: none"> Assumes complete authority over all agencies of the state government and the right to exercise, within the area designated, all police power vested in the state. May promulgate, issue, and enforce such orders and regulations as he deems necessary, in accordance with Government Code Section 8567. May suspend non-safety related restrictions on delivery of emergency necessities during the state of emergency. May utilize and employ state personnel, equipment, and facilities for the performance of any and all activities designed to prevent or alleviate actual or threatened damage due to the emergency. May direct any agency to expend any of the moneys appropriated to it, irrespective of the particular purpose for which the money was appropriated. 	<p>State of Emergency proclamation <u>cannot</u> be made for conditions resulting from a labor controversy or state of war.</p> <p>State of emergency proclamation should be requested only when the Governor finds that circumstances defined in Government Code Section 8558 (b) exist regarding the requirement for regional mutual aid assistance.</p> <p>A state of emergency should not be requested when there has not been or will not be a need for activation of regional-level mutual aid coordination.</p> <p>Termination:</p> <ul style="list-style-type: none"> Termination of a state of emergency must be made by the Governor, at earliest possible date. The powers of the Governor terminate with the proclamation of termination by the Governor or by concurrent resolution of the Legislature declaring it at an end.

Governmental Action Matrix—Declaration Process

Government Action	Taken By Whom	Action Requires	Powers Granted	Restrictions
<p>State of War Emergency Means the condition which exists immediately, with or without a proclamation thereof by the Governor, whenever this state or nation is attacked by an enemy of the United States, or upon receipt by the state of a warning from the federal government indicating that such an enemy attack is probable or imminent. [Government Code Section 8558 (a)]</p>	<p>Must be proclaimed by the Governor. A State of War Emergency may or may not occur with a Governor's Proclamation.</p>	<ul style="list-style-type: none"> • Occurs whenever this state or nation is attacked by an enemy of the United States, or • Upon receipt by the state of a warning from the federal government indicating that such an enemy attack is probable or imminent. 	<p>During a state of war emergency, the Governor:</p> <ol style="list-style-type: none"> 1. Assumes complete authority over state agencies and has right to right to exercise, within the area designated, all police power vested in the state. 2. May promulgate, issue, and enforce such orders and regulations as he deems necessary, in accordance with Government Code Section 8567. 3. The Governor, any state agency, or any agency acting under the authority of the state Emergency Services Act may exercise outside of the territorial limits of the state any of the powers vested under the act. 4. Every department, board, commission, agency, and employees of the state and every political subdivision of the state must comply with orders and regulations issued by the Governor. 5. Professionals or other skilled persons licensed or certificated by other states may render aid involving such skill to meet the emergency. 	<p>Termination:</p> <ul style="list-style-type: none"> • Governor must call a meeting of the Emergency Council not later than the seventh day, when it appears that the state of war emergency will continue more than seven days. • Powers of the Governor terminate when: • State of war terminated by proclamation of the governor or by concurrent resolution of the Legislature declaring its end, or • Governor fails to call a meeting of the emergency Council within the prescribed seven days, or • Governor has not within 30 days after the beginning of the state of war called the Legislature into special session for the purpose of legislating on subjects relating to the state of war emergency, except when the Legislature has already convened with power to legislate on these subjects.

Governmental Action Matrix—Declaration Process

Government Action	Taken By Whom	Action Requires	Powers Granted	Restrictions
<p>Major Emergency Any occasion or instance for which, in the determination of the President, Federal assistance is needed to supplement State and local efforts and capabilities to save lives and to protect property and public health and safety, or to lessen or avert the threat of a catastrophe in any part of the United States. [Title 44, Code of Federal Regulations, 206.2 (a)(9)]</p>	<p>Should be requested by the Governor, or the Acting Governor of a state, when an incident occurs or threatens to occur, which would not qualify under the definition of a major disaster. Governor’s request must include:</p> <ol style="list-style-type: none"> 1. Confirmation of appropriate action under state law and implementation of state emergency plan. 2. Information describing other federal resources that have been or will be deployed. 3. Identification of type and resources that have been or will be used. 4. Identification of the type and extent of supplementary federal assistance required. 	<p>Governor or Acting Governor must find that situation:</p> <ol style="list-style-type: none"> 1. Is of such severity/magnitude that effective response is beyond the capability of the State and affected local government(s). 2. Requires supplementary Federal emergency assistance to save lives, protect property, public health and safety, or to lessen or avert the threat of a disaster. <p>Requests for emergency declaration must be filed within the 30 day period immediately following the incident.</p>	<p>Upon declaration of a major emergency or disaster by the President, the Governor may:</p> <ol style="list-style-type: none"> 1. Enter into purchases, leases, or other arrangements with any agency of the federal government for temporary housing units to be occupied by disaster victims. 2. Acquire sites necessary for temporary housing and to do all things necessary to prepare those sites to receive and utilize temporary housing units by advancing or lending funds made available by any appropriation or from any other source. 3. Under regulations as the Governor shall make, temporarily suspend or modify for not to exceed 60 days any public health, safety, zoning, or intrastate transportation law, ordinance, or regulation, when such suspensions or modifications are essential to provide temporary housing. 	<ul style="list-style-type: none"> • Assistance is limited to immediate and short-term emergency assistance essential to save lives, to protect property and public health and safety, or to lessen or avert the threat of a catastrophe. • Federal share for public assistance provided under an emergency declaration shall not be less than 75 percent of the eligible costs. • Total public assistance in any given emergency declaration may not exceed \$5 million, unless limit raised by the FEMA Associate Director, who must make a report to Congress justifying exceeding the limit. • Applications must be filed with the state within 30 days of the date of the emergency declaration unless the deadline is extended.

Governmental Action Matrix—Declaration Process

Government Action	Taken By Whom	Action Requires	Powers Granted	Restrictions
<p>Major Disaster Any natural catastrophe, or, regardless of cause, any fire, flood, or explosion, which in the determination of the President causes damage of sufficient severity and magnitude to warrant major disaster assistance to supplement the efforts and available resources of the States, local governments, and disaster relief organizations in alleviating the damage, loss, hardship, or suffering. [44 CFR 206.2 (a)(17)]</p>	<p>Should be requested by the Governor, or the Acting Governor of a state, when a catastrophe has occurred. The Governor’s request must include:</p> <ol style="list-style-type: none"> 1. Confirmation of appropriate action under state law and implementation of state emergency plan. 2. Information describing other federal resources that have been or will be deployed. 3. Identification of type and resources that have been or will be used. 4. Identification of the type and extent of supplementary federal assistance required. 5. Certification by the Governor that State and local government obligations and expenditures for the current disaster will comply with all applicable cost sharing requirements of the Stafford Act. 	<p>Governor or Acting Governor must find that situation:</p> <ol style="list-style-type: none"> 1. Is of such severity/magnitude that effective response is beyond the capability of the State and affected local government(s). 2. Federal assistance is necessary to supplement the efforts and available resources of the state, local governments, disaster relief organizations, and compensation by insurance for disaster-related losses. <p>Requests for disaster declaration must be filed within the 30 day period immediately following the incident.</p>	<p>Upon declaration of a major disaster by the President, the Governor may:</p> <ol style="list-style-type: none"> 1. Upon his/her determination of financial necessity to meet the disaster-related necessary expenses or serious needs of individuals or families, affected by disaster, accept any grant from the federal government to fund such needs. 2. Enter into an agreement with the federal government to participate in the funding of any grant for the above program, in an amount not to exceed 25 percent. Governor also allowed to accept an advance from the federal government of the state share to be repaid when the state is able. 3. Apply to federal government, on behalf of local government, for federal Community Disaster Loans, and receive and disburse proceeds. 4. Apply to federal government, on behalf of state and local governments, and private non-profit organizations, for public assistance, and to receive and disburse funds. 	<ul style="list-style-type: none"> • Federal share for public assistance provided under an emergency declaration shall not be less than 75 percent of the eligible costs. • Applications must be filed with the state within 30 days of the date of the disaster declaration unless the deadline is extended.

State Role

Provide state assistance not requiring Governor's Proclamation of a State of Emergency or Director's concurrence with a proclamation of a local emergency

Local Actions

Disaster Occurs

Affected jurisdiction uses own forces to respond to occurrence

Report occurrence to and coordinate with Operational Area

Operational Area reports occurrence to and coordinates with Regional Emergency Operations Center

Need mutual aid, state agency assistance, or special emergency authority?

Proclaim local emergency for special emergency authority

No further assistance required

Proclaim local emergency for additional assistance

Complete Initial Damage Estimate (IDE) or appropriate damage assessment

Coordinate assistance requirements through Op Area and OES Region

A

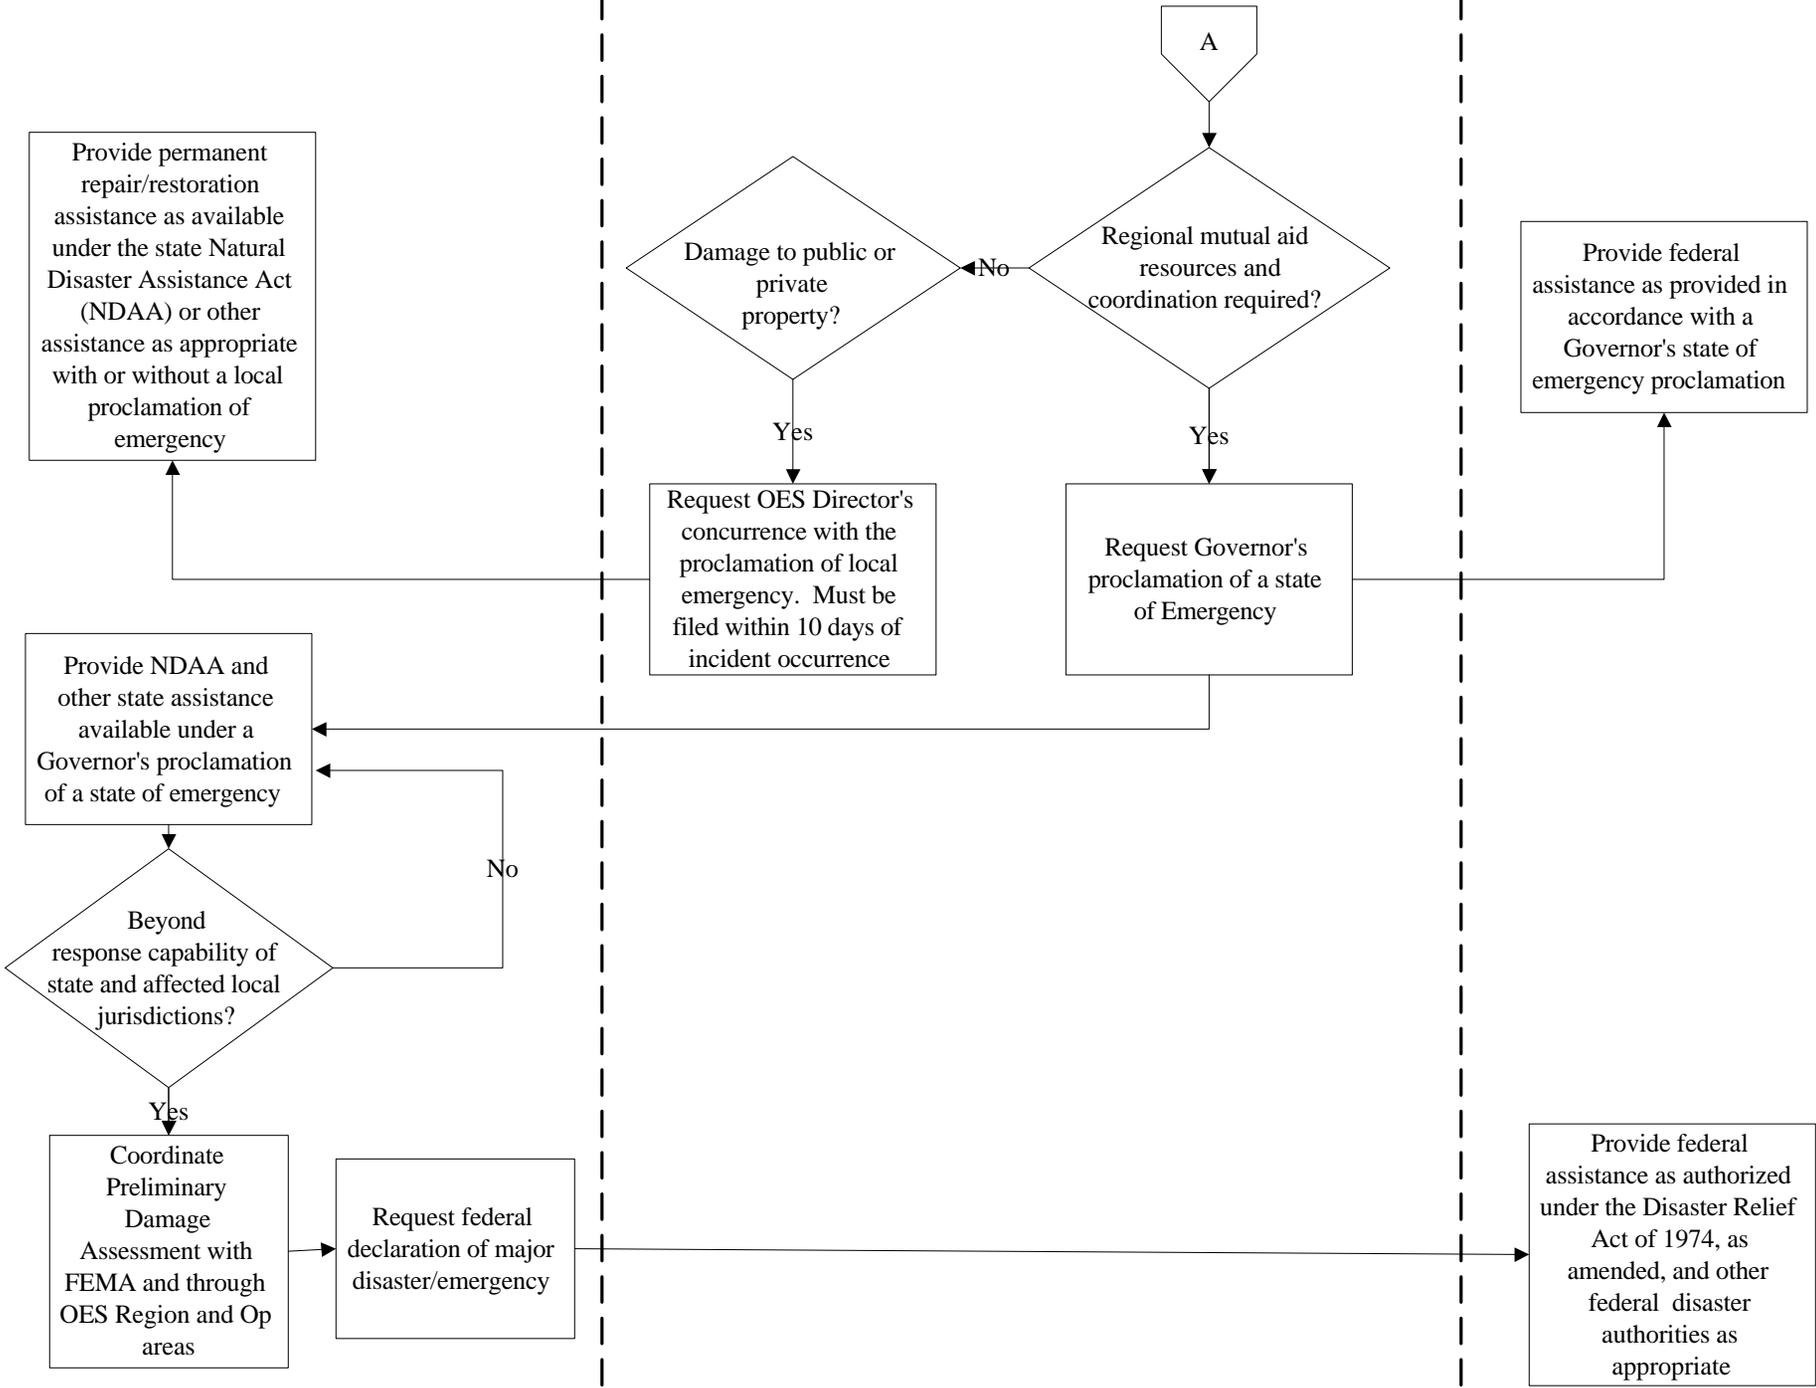

Federal Role

Provide federal assistance not requiring a Governor's proclamation of a state of emergency or federal declaration of major disaster or emergency
