

Angora Debris Removal Project

Traffic Plan

8/13/07 – 8/18/07

0700-1700 hours

Lake Tahoe Blvd. will be closed between View Circle and Angora Creek Drive between the days of August 13-18, 2007. Lake Tahoe Blvd residential and business traffic will be detoured around the road closure by using View Circle to Angora Creek Drive as an alternate route. El Dorado County Sheriff STARS will be stationed at the two detour locations to allow residents and legitimate business into the affected area. All other traffic should avoid the area. Barricades will also be placed at the intersections of Lake Tahoe Blvd, in the inner perimeter of the detour, advising "Road Closed". Those roads that will be closed to thru traffic will be as follows; Coyote Ridge Road, Eagle Lane, Mule Deer Drive, Elk Point Drive, and Lookout Point Circle.

STARS will operate and coordinate on EDSO Tac 4 between the two stations. If they need assistance, they can contact "Law Branch" (Todd Crawford, D200) on EDSO Tac 3 or call the Patrol W/C on EDSO Tahoe primary.
