

Situation Awareness & Collaboration Tool

SCOUT Bulletin

New User Registration Workflow

Release Date: May 5, 2017

The user registration process in SCOUT has been updated to address the following needs:

- Simplified the workflow to 4 short steps.
- Resolved all known bugs in the registration workflow.
- Added a User's Terms and Conditions Agreement to registration workflow.
- Reordered Announcements on the Login Page to display the most recent announcement at the top of the list.

Below are screenshots of the new Login Page and the 4 registration steps.
