### California Specialized Training Institute COVID-19 Message

In accordance with current CDPH and Cal/OSHA guidance, CSTI's infection prevention protocols have been modified.

We will continue to conduct daily health screenings and temperature checks.

Daily classroom and common area cleaning, and touchpoint disinfection, are required.

Face coverings are not required for fully vaccinated persons. Self-attestation is accepted. Anyone not fully vaccinated will be required to wear a face covering at all times during class.

CSTI will continue to provide masks, gloves and sanitizer at class sites.

These measures are consistent with the *State Public Health Officer Order of June 11, 2021*, the California Department of Public Health *Guidance for Face Coverings of June 15, 2021*, and Executive Order N-09-21, issued June 17, 2021.

| <p><b>STAS:</b> Prevention through detection and deterrence is the cornerstone of California's Homeland Security strategy. Prevention has at its core cooperation; sharing between agencies and across the full range of public safety disciplines.</p> | <p>Our state prevention strategy (State Threat Assessment System-STAS) has four Regional Threat Assessment Centers (RTACs) collocated with the four FBI Field offices in California, minimizing reporting conflicts, providing statewide coverage and facilitating coordination with our Federal partners.</p> | <p>The RTACs maintain a regional threat assessment focus for their area of responsibility and directly connect to each other and the State Terrorism Assessment Center in Sacramento to collaborate on strategic products and situational awareness.</p> |
