

Human Trafficking: Modern Day Slavery

Human Trafficking: Modern Day Slavery (HT): This course is an intensive examination of human trafficking – often referred to as modern-day slavery – is designed to give professionals a deep understanding of how the timeless exploitation of human beings has become one of the fastest growing criminal enterprises in the world today. From historical examinations of slavery, to the use of modern technology and social media, this course is designed to give investigators, victim services providers, and other practitioners a robust understanding of why, and how, exploitation occurs. This course is designed for anyone involved in the response to trafficking who desires a deeper knowledge of the challenges involved, how we can all better support victims of trafficking, and successfully prosecute traffickers.

Topics Include:

- A history of slavery and the correlation to human trafficking
- Applicable international, Federal and State laws and protocols
- Analysis of the Scope and Prevalence of domestic / international trafficking
- Analysis of the current state of California's response
- How to properly Identify and Report Signs of Potential trafficking
- Victim-Centered / Trauma-Informed practices used response to trafficking
- Collaborative practices for Law Enforcement and Victim Services Providers

Course Length: 24 hours

Course Code: HT
