Instructor Certification for Trainers: This course trains participants to be a course manager for a CSTI-certified hazmat course. The content of the course focuses on CSTI policies involved in teaching a CSTI-certified course. Prior training experience is a prerequisite.

The 2-day course includes the following subjects:

- Components of the CSTI hazmat training program
- Laws and regulations that apply to hazmat training
- Description of the CSTI hazmat curricula
- Certification procedures for state-certified hazmat classes
- Summary of the CSTI testing and safety policies

The course combines a variety of training techniques including lectures, class activities and tabletop exercises. In addition, each class participant will give one presentation on a topic they select.

Course Length: 2 days (16 hours)

Course Code: HINSTT
