

Multi-Hazard Emergency Planning for Schools

Multi-Hazard Emergency Planning for Schools (G364): This course assists emergency planners, risk managers, school site personnel and response personnel from school districts (public and private), local law enforcement and emergency management organizations to plan for disasters/emergencies (including acts of violence). The whole community planning concept is introduced as a way to leverage resources.

Course Length: 16 hours

Course Code: G364

CA Approval Number: DHS-092-RESP

About CSTI

CSTI has evolved into a statewide enterprise with responsibility for supporting training, exercises and education in a wide variety of public safety areas including but not limited to; emergency management, homeland security, hazardous materials, disaster recovery and crisis communications.
