

Officer Safety & Field Tactics

Officer Safety & Field Tactics: This course is designed for experienced officers and first line supervisors. This course will enhance and reinforce the individual officer's safety and survival skills, leading to better tactical effectiveness and safer responses to field situations.

Participants will experience both day and night combat shooting courses on our Federal EPA approved 800-yard tactical live fire range, will train in our 9300 square foot indoor state-of-the-art "Tactical Training Center," and will participate in tactical response exercises in our urban training facilities using Simunition® marking cartridges.

The core curriculum includes the following subjects:

- Arrest & Control Skills
- Practical Ground fighting
- Legal & Ethical Conduct
- Patrol Response Tactics
- High Risk Vehicle Stops
- Building Entry & Search Tactics
- Tactical Response Scenarios
- Tactical/Combat Shooting
- Weapons Familiarization
- Use of Force
- Tactical Communications
