

2015-16 HMEP Grant Planning Sub-Grant Projects

Applicant	Project	Award (HMEP Share)
Description		
1. Sacramento County	Area Plan Update	\$22,725
Sacramento County Environmental Management Department (EMD) will review and revise each section of the 2012 Sacramento County Hazardous Materials Area Plan. When the updated area plan is complete, it will be available electronically on Sacramento County EMD's website.		
2. San Diego County	Area Plan Update	\$60,000
The County of San Diego, Department of Environmental Health will update the Hazardous Materials Area Plan and the Regional Hazardous Materials Commodity Flow Study. The update will ensure that the information provide in the plan reflects current operational risks and capabilities.		
3. Trinity County	HazMat Plan Update	\$5,000
Trinity County Office of Emergency Services plans to update the Hazardous Materials Area Plan, specifically, the commodity flow study. A needs assessment will also be conducted to determine any plan deficiencies and training needs. Once the commodity flow study and needs assessment are complete, the information will be used to update the County Hazardous Materials Area Plan.		
5. Tuolumne County	Area Plan Update	\$7,500
Tuolumne County Environmental Health (TCEH) is the CUPA for Tuolumne County. The Area Plan has not been certified in more than 12 years. The most recent update was never adopted by the Board of Supervisors and therefore never implemented. TCEH will complete and adopt a plan by June 2016.
