

Top 100 Hazardous Material Commodities

1,1,1,2-Tetrafluoroethane	Hydrochloric acid solution
1,1-Difluoroethane	Hydrogen peroxide and peroxyacetic acid mixture, stabilized
Acetone solution	Hydrogen peroxide, aqueous solutions
Acetonitrile	Hydrogen peroxide, stabilized
Adhesives	Isopropanol solution
Aerosols	Life-saving appliances, self -inflating
Air bag modules	Lighters
Air, compressed	Liquefied gas, n.o.s.
Alcoholic beverages	Lithium batteries, packed with equipment
Alcohols, n.o.s.	Lithium ion batteries
Ammonium hydroxide	Lithium ion batteries packed with equipment
Argon, refrigerated liquid	Lithium metal batteries
Articles, pressurized pneumatic	Methanol
Batteries, wet, filled with acid	Methyl ethyl ketone
Battery-powered vehicle	Nitric acid
Calcium hypochlorite, hydrated mixtures	Nitrogen, compressed
Carbon dioxide	Organometallic substance liquid, pyrophoric, water-reactive
Carbon dioxide, refrigerated liquid	Other regulated substances, liquid, n.o.s.
Cartridges for weapons	Oxygen, compressed
Chlorine	Paint, paint related material
Coating solution	Pentanes
Combustible liquid, n.o.s.	Petroleum crude oil
Compressed gas, n.o.s.	Petroleum gases, liquefied
Corrosive liquid, acidic, inorganic, n.o.s.	Petroleum products, n.o.s.
Corrosive liquid, acidic, organic, n.o.s.	Phenol, molten
Corrosive liquid, basic, inorganic, n.o.s.	Phosphoric acid solution
Corrosive liquid, basic, organic, n.o.s.	Phosphorous acid
Corrosive liquids, flammable, n.o.s.	Polyamines, liquid, corrosive, n.o.s.
Corrosive liquids, n.o.s.	Polymeric beads, expandable
Corrosive liquids, toxic, n.o.s.	Potassium hydroxide, solution
Corrosive solid, acidic, inorganic, n.o.s.	Potassium hydroxide, solid
Dangerous goods in machinery	Primers, cap type
Diesel fuel	Printing ink related material
Elevated temperature liquid, n.o.s.	Propane or propane gas, liquefied
Engines, internal combustion	Propylene
Environmentally hazardous substances, liquid, n.o.s.	Resin solution
Environmentally hazardous substances, solid, n.o.s.	Rockets
Ethanol solution	Smokeless powder for small arms
Ethanolamine solutions	Sodium borohydride and sodium hydroxide, solution
Extracts, flavoring, liquid	Sodium hydroxide solution
Fire extinguishers	Sodium hydroxide, solid
Fireworks	Styrene monomer, stabilized
Flammable liquids, corrosive, n.o.s.	Sulfamic acid
Flammable liquids, n.o.s.	Sulfuric acid
Flammable solids, organic, n.o.s.	Toluene diisocyanate
Gasoline	Toluene solutions
Hazardous waste, solid, n.o.s.	Toxic liquids, organic, n.o.s.
Helium, compressed	Trichloroisocyanuric acid, dry
Hexamethylenediamine, solid	Vinyl acetate, stabilized
Hexanes	
Hydrocarbons, liquid, n.o.s.
