G. PROGRAM INFORMATION

1. Program Description

The purpose of the AT Program is to provide comprehensive psychotherapy services to children victimized by abuse and/or neglect. Psychotherapy services for family members and/or caregivers of child victims are also available to help with the treatment of the child.

The AT Program is designed to fund child abuse treatment agencies in California. Funds for the AT Program must be used to enhance existing services for child victims of crime and/or child abuse and/or neglect. Psychotherapy services should be provided by the most qualified clinicians who have applicable education and experience working with this population. Family therapy is also available for family members of abused/neglected children as part of the child's treatment.

2. Program Components

a. Clients to be Served

The Subrecipient must provide the following free comprehensive treatment services to child victims and secondary victims, such as minor siblings:

- Psychotherapy and/or culturally-centered therapy
- Crisis Intervention
- Group Counseling
- Case management
- Treatment plan meetings with parents/caregivers
- Criminal justice system orientation
- Transportation services to psychotherapy and/or criminal justice-related activities
- Outreach

Services should be provided to children who do not have access to services due to lack of available resources, lack of mental health insurance, and/or non-eligibility for other programs or services. Priority should be given to child victims who are underserved or are dependents of the court and involved in the child welfare system.

b. Assistance with California Victim Compensation Board Claims

Activities may include:

- Advising of the availability of such benefits
- Assisting with application forms and understanding procedures
- Obtaining necessary documentation to support the claim
- Monitoring claim status

Applicants are also strongly encouraged to budget for tablets or mobile communication devices and cellular service to swiftly facilitate the on-line application process in the office or the field.

c. Staff and Volunteer Background Checks

AT Program staff and volunteers cannot have contact with children until a background check has been completed and the individual designated by the agency has reviewed the results. The following must be completed.

- 1) A formal application, including three references, checked by the Subrecipient's program Administrators and/or designated staff.
- 2) A criminal background check that includes fingerprinting and processing through the Department of Justice. If AT Program staff and volunteers have resided in California less than three years, an out-of-state criminal history check (FBI check) is also required.
- 3) Driving records must be checked through the Department of Motor Vehicles for staff and volunteers who transport child victims and their family members/caregivers.

If there is **any** finding in a background check, the individual cannot provide services through the AT Program unless the Subrecipient requests a waiver and receives written approval from Cal OES. The waiver must be on letterhead and include the following: the name of the individual, a description of how this position interacts with clients, the conviction and penal code, and how this person's conviction will not interfere with the safety of clients who come in contact with this person.

d. Mandatory Training of Staff and Volunteers

Subrecipients must ensure staff and volunteers working with child victims are appropriately trained prior to providing services.

Trainings must include, but not be limited to, the following training topics:

- Crisis Intervention;
- Behavioral issues of children exposed to violence and those who have experienced abuse and/or neglect;
- Domestic violence and its effect on children;
- Identifying and reporting child abuse and neglect; and
- Issues related to abused children with disabilities.

e. Operational Agreements/Second Tier Subawards

An Operational Agreement (OA) **with the local Victim/Witness Assistance Center is required**. An OA is a formal agreement, without the exchange of money, between an implementing agency and one or more participating agencies. A Second Tier Subaward is a formal agreement that includes the exchange of money between an implementing agency and a participating agency to further the goals of the project.

3. Regional Training

The VS Branch will be holding regional grants management training during the Grant Subaward performance period. Anticipated locations include: Sacramento, Redding, San Jose, Los Angeles, and San Diego. Although attendance is not mandatory, it is strongly encouraged. Interested Subrecipients should budget for two staff members to attend the two-day training.

4. Reporting Requirements

Progress Reports serve as a record for the implementation of the project. Statistics for Progress Reports must be collected on a quarterly basis, even when reporting occurs less frequently. The following reports are required:

a. Cal OES Progress Reports

There are two Cal OES Progress Reports required for the Program. See the chart below for report periods and due dates.

Report	Report Period	Due Date
1 st Report	January 1, 2021 – June 30, 2021	July 31, 2021
Final Report	July 1, 2021 – December 31, 2021	January 29, 2022

b. Office for Victims of Crime (OVC) Reports

There are two, on-line OVC reports Subrecipients will also need to complete:

1) Subgrant Award Report (SAR)

This on-line report is due **within 90 days of the beginning of the performance period**. Cal OES will initiate access and the Subrecipient must complete the remainder of the report in the OVC Performance Measurement Tool.

2) Subgrantee Report

Subrecipients receiving Victims of Crime Act funds must complete this report no later than two weeks following the end of each federal fiscal year quarter. Subrecipients will report data directly into the OVC PMT database no later than the due dates listed, unless otherwise instructed by your Program Specialist.

Report Period	Due Date
January 1, 2021 – March 31, 2021	on or about April 14, 2021
April 1, 2021 – June 30, 2021	on or about July 14, 2021

 - B. COPIES OF THE PROPOSAL
 - C. FORMS
 - D. SPACE LIMITATIONS
 - E. PROPOSAL COMPONENTS
 - F. BUDGET POLICIES
 - G. ADMINISTRATIVE REQUIREMENTS
-

- A. SUBRECIPIENT HANDBOOK

Applicants are strongly encouraged to review the [Subrecipient Handbook \(SRH\)](#). The SRH outlines the terms and conditions that apply to the Cal OES, Victim Services grants and provides helpful information for developing a proposal, including a Glossary of Terms.

- B. COPIES OF THE PROPOSAL

One original and three copies of the proposal must be submitted, per the submission options outlined on page 1. Copies must be assembled separately and individually fastened in the upper left corner. Do not bind the proposal.

- C. FORMS

The Applicant must use the forms provided on our website. The forms must be printed on plain white 8½" x 11" paper and single sided. **Applicants may not alter the formatting of any forms, including the Project and Budget Narratives. No tables, charts, or changes to the margins are allowed.**

- D. SPACE LIMITATIONS

If a space limitation is specified under the Project Narrative section, strict adherence to the space limitation is required. **Information included beyond the space limitation and/or unrequested attachments will not be considered in the rating process.** Failure to comply with the spacing/formatting requirements, including **font size and margins**, is one of the factors that may negatively impact the Applicant's comprehensive assessment score.

E. PROPOSAL COMPONENTS

Applicants must complete and submit all required components. Specific information for each component is included next. The Checklist in Part V is included to ensure Applicants submit all [required components](#).

1. Proposal Cover Sheet

The Cover Sheet identifies the Program for which the Applicant is submitting a proposal.

2. Grant Subaward Face Sheet (Cal OES 2-101)

The Grant Subaward Face Sheet is the title page of the Grant Subaward that is signed by the Subrecipient and the Cal OES Director (or designee). Instructions are included on the form.

3. Project Contact Information (Cal OES 2-102)

The Project Contact Information form provides Cal OES with all relevant Subrecipient personnel. Information for each individual should be direct contact information. Instructions are included on the form.

4. Signature Authorization (Cal OES 2-103)

The Signature Authorization form provides Cal OES with signatures of authorized signers and who they authorize to sign on their behalf for all grant-related matters. Instructions are included on the form.

5. Certification of Assurance of Compliance (Cal OES 2-104f)

Cal OES is required by law to obtain written certifications of compliance. The Certification of Assurance of Compliance form is a binding affirmation that the Subrecipient will comply with the following regulations and restrictions:

- State and federal civil rights laws
- Drug Free Workplace
- California Environmental Quality Act
- Federal grant fund requirements
- Lobbying restrictions
- Debarment and Suspension requirements

- Proof of Authority documentation from the City Council/Governing Board

Subrecipients may be asked to sign and submit an updated Certification of Assurance of Compliance once in Grant Subaward. Each year, Cal OES updates each Certificate of Assurance of Compliance to ensure that any new conditions placed upon the federal award are passed down to Subrecipients. Subrecipients will be notified if this change is needed.

6. Budget Pages (Cal OES 2-106a)

The Budget demonstrates how the Applicant will implement the proposed plan with the funds available through this Program. The budget is the basis for management, fiscal review, and audit. **Budgets are subject to Cal OES modifications and approval.** Failure of the Applicant to include required budget items does not eliminate responsibility to comply with those requirements during the implementation of the project.

The Budget Pages automatically calculate the subtotal at the end of each budget category and provide the total of the three spreadsheets at the bottom of the Equipment page. Applicants may add additional columns to the Budget Pages when necessary.

Cal OES requires the Applicant to develop a line-item budget that includes a **calculation and justification in the left column for all expenses.**

The Budget Pages should:

- Cover the entire Grant Subaward performance period
- Include costs related to the objectives and activities of the project
- Strict adherence to required and prohibited expenses
- Include expenses in the correct category (i.e., Personal Services, Operating Expenses, and Equipment – see below)

Include **only** those items covered by grant funds, including match funds, when applicable. Applicants may supplement grant funds with funds from other sources. However, since approved line items are subject to audit, Applicants should not include in the Project Budget matching funds (if applicable) in excess of the required match.

a. Personal Services – Salaries/Employee Benefits

1) Salaries

Personal services include services performed by project staff **directly employed by the Applicant** (not a contract or participating agency) and must be identified by position, cost and time spent on allowable activities for the Program (e.g., Clerical Staff @ \$20/hour x 980 hours; or Victim Advocate @ \$3,500/month x 12 months x .50 FTE). They may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must also be budgeted as a part of salaries. If the Applicant's personnel have accrued sick leave or vacation time prior to the approval of grant funding, they may not take time off using project funds.

2) Benefits

Employee benefits must be identified by type and percentage of salaries. The Applicant may use fixed percentages of salaries to calculate benefits. Budgeted benefits cannot exceed those already established by the Applicant.

Employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance, and/or pension plans are allowable budget items. Benefits, such as uniforms or California Bar Association dues are allowable budget items if negotiated as a part of an employee benefit package.

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 clerical positions).

b. Operating Expenses

Operating expenses are defined as necessary expenditures other than personal salaries, benefits, and equipment. The expenses

must be grant-related (i.e., to further the Program objectives as defined in the Grant Subaward) and be encumbered during the Grant Subaward performance period.

Examples of an Operating Expense line item include, but are not limited to:

- Consultant services such as subcontractors
- Indirect cost allowance
- Salaries of participating staff who are not employed by the Applicant
- Travel
- Office supplies
- Training materials
- Equipment maintenance
- Software equipment rental/lease
- Telephone, postage
- Printing
- Facility rental
- Vehicle maintenance
- Furniture and office equipment with a cost of less than \$5,000 (excluding tax) and/or with a useful life of less than one year

Salaries for staff not directly employed by the Applicant must be shown as consultant and/or participating staff costs and must be supported by a Second Tier Subaward), which must be kept on file by the Subrecipient and made available for review during audits or at the request of Cal OES (SRH 3710 and 4300).

Attendance of the VS's Branches regional grants management training is strongly encouraged. Applicants planning to attend must include sufficient per diem and travel allocations up to two persons.

c. Equipment

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and a cost of \$5,000 or more per unit (excluding tax).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three laser jet printers must be one line item, not three).

7. Budget Narrative (Cal OES 2-107) – Maximum Four Pages

The Budget Narrative should describe the following:

- a. How the Applicant's proposed budget supports the objectives and activities.
- b. How funds are allocated to minimize administrative costs and support direct services.
- c. How shared costs are allocated.
- d. How project-funded staff duties and time commitments support the proposed objectives and activities.
- e. The necessity for subcontracts and unusual expenditures.
- f. Need for mid-year salary range adjustments.

8. Project Narrative (Cal OES 2-108)

The Project Narrative is the main body of information describing the problem to be addressed, the plan to address the identified problem through appropriate and achievable objectives and activities, and the ability of the Applicant to implement the proposed plan.

a. Problem Statement – Maximum Four Pages

In narrative form, address the following:

- 4) Describe how volunteers will be used for the AT Program.

c. Capabilities – Maximum Five Pages

- 1) Describe your agency's experience with providing comprehensive treatments services to child victims.
- 2) Describe the qualifications of staff that will be involved in the implementation of the programmatic goals.
- 3) Describe the process used for consultative and clinical supervision.
- 4) Describe how your agency's experience working with the local Victim/Witness Assistance Center as well as any other OAs and/or second tier subawards and how those agreements assist in the programmatic goals.

d. AT Program Grant Application Addendum (Attachment B)

Projected number of new child victims and services to be provided during the Grant Subaward performance period. These numbers will be reflected on the progress report.

9. Subrecipient Grants Management Assessment

Per title 2 CFR § 200.331, Cal OES is required to evaluate the risk of noncompliance with federal statutes, regulations, and grant terms and conditions posed by each Subrecipient of pass-through funding. The assessment is made in order to determine and provide an appropriate level of technical assistance, training, and grant oversight to Subrecipients. Instructions are included on the form.

10. Project Service Area Information (Cal OES 2-154)

The Project Service Area Information form identifies the counties, cities, and congressional districts served by the project. Instructions are included on the form.

11. Organizational Chart

The Organizational Chart should clearly depict the structure of the Applicant organization and the specific unit within the organization responsible for the implementation of the project. This chart should also depict supporting units within the organization (e.g., the Accounting Unit) and the lines of authority within the organization. Job titles on the Organizational Chart must match those in the Budget Pages and Budget Narrative.

CHILD ABUSE TREATMENT (AT) PROGRAM

PART III – SELECTION AND FINALIZING THE GRANT SUBAWARD

- A. SELECTION OF PROPOSAL FOR FUNDING
 - B. FINALIZING THE GRANT SUBAWARD
-

A. SELECTION OF PROPOSAL FOR FUNDING

1. Proposal Rating

Eligible proposals received by the deadline are generally evaluated by a three member team. The rater scores are averaged and then ranked numerically. Proposals are only evaluated numerically; no notes are taken during the evaluation. The Rating Sheet used for this process is included in Part IV of this RFP and is for informational purposes only.

2. Funding Decision

Final funding decisions are made by the Director of Cal OES. Funding decisions are based on the following:

- The ranked score of the proposal
- Consideration of priorities or geographical distribution specific to this RFP
- Prior negative administrative and programmatic performance, if applicable

Projects previously funded by Cal OES will be reviewed for poor past compliance, including fiscal management, progress and annual reports, audit reports, and other relevant documentation or information. This review may result in one or more of the following actions:

- The project may not be selected for funding
- The amount of funding may be reduced
- Grant Subaward Conditions may be placed in the Grant Subaward

3. Notification Process

The Authorized Signer (designated on the Grant Subaward Face Sheet) will be notified in writing, via electronic communication, of the results of the rating process. Applicants not selected for funding will receive a

denial letter containing their average score and information on the appeal process.

The Project Narrative (Cal OES 2-107), Budget Narrative (Cal OES 2-108), and Budget Pages (Cal OES 2-106) for the top-ranked proposal may be posted on the Cal OES website.

B. FINALIZING THE GRANT SUBAWARD

1. Grant Subaward Application

Once selected for funding, Cal OES may require additional documentation to finalize the Grant Subaward Application package. The Program Specialist identified in your Award Letter can provide technical assistance in completing these components.

2. Grant Subaward

A copy of the executed Grant Subaward and pertinent attachments will be sent to the Project Director. The Applicant is not authorized to incur costs against the grant until a copy of the fully executed Grant Subaward is received. When the executed grant is received, a Report of Expenditures and Request for Funds (Cal OES 2-201) may be submitted for reimbursement.

a. Grant Subaward Conditions

Cal OES may add Grant Subaward Conditions to the Grant Subaward prior to or after funding. If conditions are added, these will be discussed with the Applicant/Subrecipient and a copy of the conditions will be sent to the Subrecipient when the conditions are made part of the Grant Subaward.

b. Grant Subaward Amounts

When the amount of funds available is limited, Cal OES may reduce the amount of the Grant Subaward from the amount requested by the Applicant. In addition, Cal OES reserves the right to negotiate budgetary changes with the Applicant prior to executing the Grant Subaward. If either of these actions is required, Cal OES will notify the Applicant prior to executing the Grant Subaward.

3. Standard Project Funding Authority

Allocation of funds is contingent on the enactment of the State Budget.

Cal OES does not have the authority to disburse funds until the Budget is passed and the Grant Subaward is fully executed. Expenditures incurred prior to authorization are made at the Subrecipient's own risk and may be disallowed. Cal OES employees are not able to authorize an Applicant to incur expenses or financial obligations prior to the execution of a Grant Subaward. However, once the Grant Subaward is finalized the Subrecipient may claim reimbursement for expenses incurred on, or subsequent to, the start of the Grant Subaward performance period.

If, during the term of the Grant Subaward, the state and/or federal funds appropriated for the purposes of the Grant Subaward are reduced or eliminated by the California Legislature or the United States Government, or in the event revenues are not collected at the level appropriated, Cal OES may immediately terminate or reduce the Grant Subaward by written notice to the Subrecipient.

Cal OES Grant Subawards are subject to applicable restrictions, limitations, or conditions enacted by the California Legislature and/or the United States Government, subsequent to the execution of the Grant Subaward.
