E. FUNDS

1. Source of Funds

The CT Program is supported with federal Victims of Crime Act (VOCA) Victim Assistance Formula Grant Program (Formula Grant Program) funds. The 2018 VOCA Formula Grant Program is authorized by the Victims of Crime Act of 1984 (34 U.S.C. § 20103 (a) and (b)).

a. Purpose

VOCA authorizes federal financial assistance to states through the VOCA Formula Grant Program for the purpose of supporting eligible crime

victim assistance programs that: 1) respond to the emotional and physical needs of victims of crime; 2) help primary and secondary victims of crime to stabilize their lives after a victimization; 3) help victims of crime understand and participate in the criminal justice system; and 4) provide victims of crime with a measure of safety and security. Crime victim is defined as any person who has suffered physical, sexual, financial, or emotional harm as a result of the commission of a crime.

b. Match

The VOCA Formula Grant Program requires a cash and/or in-kind match equal to 20 percent of the total project cost. Match is calculated using the total project cost method. Subrecipients may request a partial match waiver of no more than 80% of the required match amount. All match waiver request must be submitted with the proposal. Submissions will not be accepted at any other point during the Grant Subaward performance period. See Attachment A for instructions and formatting requirements.

c. Requirements

Subrecipients must:

- Have a record of effective direct service to victims of crime.
- Utilize volunteers unless there is a compelling reason to waive this requirement.
- Not deny services to victims based on immigration status.
- Not charge victims for services provided by programs supported with VOCA Victim Assistance Formula Grant Program funds, unless waived by Cal OES.
- Ensure original publications (written, visual, or sound) produced in whole or in part must contain the following statement: “Funding made possible through the United States Department of Justice, Victims of Crime Act, 2018-VA-GX-00XX.”

The Code of Federal Domestic Assistance (CFDA) number for the VOCA Formula Grant Program is 16.575. Additional information can be found at www.cfda.org.

2. Funding Amount/Grant Subaward Performance Period

There is approximately \$4,000,000 (plus match) available for the CT Program for fiscal year 2018-19. Cal OES intends to fund approximately 13 projects at up to \$200,000 for a 12-month Grant Subaward performance period beginning January 1, 2019, and ending December 31, 2019.

Please see the chart below for the breakdown of fund source and match amounts.

2018 VOCA	2018 VOCA MATCH	TOTAL PROJECT COST
\$200,000	\$66,667	\$266,667

Pending the availability of funds and the passage of the applicable State Budget Act, Cal OES intends this to be a five-year funding cycle, with an annual non-competitive reapplication process.

F. PROGRAM INFORMATION

1. Background Information

The number of sexual assaults reported, pursuant to The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, often differ dramatically from national research on the prevalence of sexual assault on campuses. The 2007 Campus Sexual Assault Study funded by the National Institute on Justice reported one in five women will experience a rape or attempted rape during college and that only 12% of victims/survivors will report the crime to law enforcement.

There are a variety of reasons sexual assault victims/survivors choose not to report the crime to law enforcement or other campus staff ranging from self-blame to mistrust of the criminal justice system and/or campus adjudication system. On campuses many young victims/survivors report being discouraged from making official reports and/or are unaware of how to make a report. Whether or not to report a sexual assault is a difficult and personal decision each victim/survivor needs to make. When the victim/survivor does report a sexual assault, campuses/communities need to ensure they provide a sensitive, specialized community response.

To truly address sexual assault, campuses need to ensure there are clear policies and protocols on the handling of reports of sexual assault and working with victims/survivors, ongoing training on sexual assault and sensitivity for all campus staff, specialized services for victims/survivors and a sexual assault outreach and prevention program.

The U.S. Department of Justice, Office on Violence Against Women (OVW) has a Grants to Reduce Sexual Assault, Domestic Violence, and Stalking on Campus Program (Campus Program). It is the intent of Cal OES to build on the efforts of OVW in California. Therefore, the CT Program is modeled after the Campus Program, but tailored to the specific needs of California.

2. Program Purpose

The purpose of the CT Program is to maintain a comprehensive coordinated community response that is victim/survivor centered, enhances victim/survivor safety (regardless of whether or not they report the crime to law enforcement or other

investigatory bodies and regardless of whether or not they choose to participate in an investigation), provides confidential services to sexual assault victims/survivors, holds offenders accountable, and includes outreach and prevention activities.

This will be accomplished by maintaining a Sexual Assault Counselor from a local Cal OES Rape Crisis Center Program on the campus, promoting the availability of the services, a joint police/sexual assault Counselor response to reported incidents of sexual assault, and training for police/safety officers, campus investigatory personnel, staff, and faculty.

The Sexual Assault Counselor must meet the training requirements of Evidence Code §1035.2 and be an employee or volunteer of a Cal OES-funded Rape Crisis Program.

3. Program Activities/Requirements

For the purposes of the CT Program, a Comprehensive Community Response will include the following required services and/or activities:

a. Coordinated Community Response (CCR) Team

To be effective, the development of the comprehensive coordinated community response must include the participation of:

- Campus victim services providers
- Student organizations/student leaders
- Campus law enforcement/safety officers
- Campus health providers
- Campus housing officials
- Campus administrators
- Campus disciplinary board members
- Community (off-campus) law enforcement
- Local Cal OES-funded Rape Crisis Center
- Community (off-campus) victim service organizations

The Subrecipient must create a CCR Team that includes, at a minimum, representatives from the above. The CCR Team must work collectively/collaboratively to continue to accomplish the remaining components of the Program.

b. Services for victims/survivors

The Subrecipient must contract with a local Cal OES-funded Rape Crisis (RC) Program Subrecipient to fund at least one full-time equivalent (FTE) Sexual Assault Counselor, as defined in California Evidence Code §1035.2. The Sexual

Assault Counselor must attend training specific to sexual assault through California Coalition Against Sexual Assault (CALCASA), participate in the ongoing training of campus personnel, and provide the following services to victims/survivors:

1) Crisis Intervention Services

Respond to reports of sexual assault/misconduct and offer crisis intervention services to victim/survivor.

2) Advocacy

Intervene with agencies or individuals on behalf of the victim/survivor, including disciplinary hearings, Title IX investigations, and administrative interviews.

3) Follow-Up Services

Attempt to contact the victim/survivor within three working days after the initial contact.

4) Accompaniment Services

At the discretion of the victim/survivor, provide support by being physically present during meetings and/or appointments related to the sexual assault.

5) Information and Referral

Provide victim/survivor with appropriate referrals for additional services and maintain a current written list of community resources.

c. Investigation and Coordination

The Subrecipient must commit at least a 0.5 FTE campus police officer to act in both an investigative and coordinating capacity. **If the campus does not have a police officer, a safety/security officer may be used to meet this requirement.** This must be one individual and not a portion of two or more police officers. The campus Police/Safety Officer must:

1) Attend the Peace Officer Standards and Training (POST) Sexual Assault First Responder training offered through the San Diego Regional Training Center.

2) Attend training specific to campus sexual assault through CALCASA.

- 3) Coordinate a joint response (Sexual Assault Counselor and Campus Police) to reports of sexual assault within the campus community.
- 4) Conduct follow-up contact with victims/survivors as needed.
- 5) Provide or coordinate initial and ongoing training on response to sexual assault victims/survivors to all campus police/safety personnel.
- 6) Coordinate with local (off-campus) police as necessary.

d. Training

The funded Campus Police/Safety Officer and Sexual Assault Counselor must coordinate or provide training for, at a minimum, all campus police and/or safety personnel, all campus disciplinary board members, all campus advocates, and appropriate campus housing authorities (for institutions with housing).

Training must include, but is not limited to:

- Dynamics of sexual assault
- Sensitivity in responding to victims/survivors of sexual assault
- Campus policies
- Campus protocols/procedures for response to victims/survivors of sexual assault
- Title IX, Clery Act, and other relevant regulatory guidance
- Relevant Education Codes
- Community resources
- Confidentiality

Subrecipients may use grant funds to contract subject matter experts to provide or assist with this program component.

e. Comprehensive Outreach and Prevention

The Subrecipient must work with the CCR Team to develop a comprehensive outreach and prevention program that ensures all student/staff/faculty receive information about campus policies and resources, regarding sexual assault/misconduct, and increases student awareness.

The comprehensive outreach and prevention program shall include a range of outreach and prevention strategies, including but not limited to, women's empowerment programming, awareness raising campaigns, primary prevention, bystander intervention, and risk reduction.

f. Dissemination of Information Regarding Services & Victim/Survivors Rights

The Subrecipient must make efforts to inform students/staff/faculty of the services provided by the Sexual Assault Counselor. The Subrecipient must consult student organizations/student leaders on how to best provide students with information regarding available services. Information and materials created must include, at a minimum:

- Services available
- Location of support services
- Limits of confidentiality
- Rights of victims/survivors
- Responsibilities of higher education institution

g. Co-location

The Subrecipient must provide a reasonable work space for the contracted Sexual Assault Counselor at both the campus police/safety station and a second campus or campus adjacent location appropriate for confidential follow-up services. The second location must be easily accessible (transportation not required) and comfortable for victims/survivors.

h. Participate in Community Multidisciplinary Meetings

The funded Campus Police/Safety Officer and the Sexual Assault Counselor must participate in any active sexual assault multidisciplinary teams/meetings in the community.

i. Community Victim Services/Operational Agreements

Coordinating with off campus victim advocacy and law enforcement agencies is essential to fully address the potential needs of a victim/survivor of sexual assault. Subrecipients must develop working relationships with local community service organizations and local non-campus law enforcement. The Subrecipient must submit copies of any Operational Agreements (OAs) relevant to the goals and objectives of the CT Program.

OAs must contain original signatures, titles, and agency names for both parties and include dates effective for the proposed subgrant performance period. These documents must demonstrate a formal system of networking and coordination with other agencies.

At a minimum, the Subrecipient must have an OA with:

- Local (off-campus) law enforcement agency(ies)

- Local Cal OES Rape Crisis Program Subrecipients
- Local Cal OES Domestic Violence Assistance Program Subrecipients
- County Victim/Witness Program
- Local hospitals

j. CALCASA Training and Technical Assistance

CALCASA is an expert in the field of sexual assault on college campuses and a national training and technical assistance provider for colleges and universities through their work with OVW and the Centers for Disease Control and Prevention. The Subrecipient must contract with CALCASA for the required specific sexual assault training (for the Police/Safety Officer and Sexual Assault Counselor), strategic planning, and technical assistance with implementing the requirements of the CT Program. Monthly check-ins (in-person or telephonic conferencing) with CALCASA is required. A maximum of five percent of funds may be used for this purpose.

4. Reporting Requirements

Progress Reports serve as a record for the implementation of the project. Statistics for Progress Reports must be collected on a quarterly basis, even when reporting occurs less frequently. The following reports are required:

a. Cal OES Progress Reports

There are two Cal OES Progress Reports required for the CT Program. See the chart below for report periods and due dates. The Progress Reports can be accessed on the Cal OES website.

Report	Report Period	Due Date

Final Report	July 1, 2019 – December 31, 2019	February 15, 2020

b. Office for Victims of Crime (OVC) Reports

There are two, on-line OVC reports Subrecipients will also need to complete:

1) Subgrant Award Report (SAR)

This on-line report is due **within 90 days of the beginning of the Grant Subaward performance period**. Cal OES will initiate access and the Subrecipient must complete the remainder of the report in the OVC Performance Measurement Tool.

2) Subgrantee Report

The Subrecipient must complete this report no later than two weeks following the end of each federal fiscal year quarter. Subrecipients will report data directly into the OVC PMT database no later than the due dates listed, unless otherwise instructed by your Program Specialist.

Copies of the proposal must be assembled separately and individually fastened in the upper left corner. ***Do not bind the proposal.***

B. CERTIFICATION OF ASSURANCE OF COMPLIANCE (Cal OES 2-104g)

- California Environmental Quality Act
- Federal grant fund requirements
- Lobbying restrictions
- Debarment and Suspension requirements
- Proof of Authority documentation from the city council/governing board

D. PROJECT BUDGET

The purpose of the Project Budget is to demonstrate how the Applicant will implement the proposed plan with the funds available through this Program. The budget is the basis for management, fiscal review, and audit. Project costs must be directly related to the objectives and activities of the project. The budget must cover the entire performance period. In the budget, include **only** those items covered by grant funds, including match funds, when applicable. Projects may supplement grant funds with funds from other sources. However, since approved line items are subject to audit, Applicants should not include in the Project Budget matching funds (if applicable) in excess of the required match. Budgets are subject to Cal OES modifications and approval.

Cal OES requires the Applicant to develop a **line-item** budget which will enable the project to meet the intent and requirements of the Program and ensure the successful and cost-effective implementation of the project. The Applicant should prepare a realistic and prudent budget avoiding unnecessary or unusual expenditures which detract from the accomplishment of the objectives and activities of the project.

The following information is provided to assist in the preparation of the budget:

- Strict adherence to required and prohibited items is expected.
- Where the Applicant does not budget for a required item, the Applicant assumes responsibility.
- Failure of the Applicant to include required budget items does not eliminate responsibility to comply with those requirements during the implementation of the project.

The Applicant should refer to the *SRH* for additional information concerning Cal OES's budget policy or to determine if specific proposed expenses are allowable. The *SRH* is

accessible on our website at www.caloes.ca.gov. Select “Cal OES Divisions,” scroll down to “Grants Management,” on the right-hand side, click on “Criminal Justice, Emergency Management & Victim Services Grant Programs” then select “Handbooks, Reports & Publications.” Should you have additional budget questions, contact the person listed in Part I, section B.

1. Budget Narrative (Maximum 3 pages)

The Applicant is required to submit a narrative with the Project Budget. The narrative must be typed and placed in the proposal preceding the budget pages, describing:

- How the project’s proposed budget supports the Program’s objectives and activities
- How funds are allocated to minimize administrative costs and support direct services
- The duties of project-funded staff, including qualifications or education level necessary for the job assignment (this does not take the place of the brief justification required in the line-item budget)
- How project-funded staff duties and time commitments support the proposed objectives and activities
- Proposed staff commitment/percentage of time to other efforts, in addition to time allocated to this project
- The necessity for subcontracts and unusual expenditures

2. Specific Budget Categories

In Part IV of this RFP, or on our website, you can access Excel spreadsheets (Cal OES 2-106a) for each of the following three budget categories:

a. Personal Services – Salaries/Employee Benefits

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 clerical positions).

1) Salaries

Personal services include services performed by project staff directly employed by the Applicant and must be identified by position and percentage of salaries. They may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must also be budgeted as a part of salaries. If the Applicant’s personnel have accrued sick leave or vacation time prior to the approval of

grant funding, they may not take time off using project funds. Salaries for staff not directly employed by the Applicant must be shown as participating staff (*SRH 4500*) in the Operating Expenses Category. Consultant services remain under Operating Expenses (refer to Part II, D.2.b. - Operating Expenses - paragraph two).

2) Benefits

Employee benefits must be identified by type and percentage of salaries. The Applicant may use fixed percentages of salaries to calculate benefits. Budgeted benefits cannot exceed those already established by the Applicant.

Employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance, and/or pension plans are allowable budget items. Benefits, such as uniforms or California Bar Association dues are allowable budget items if negotiated as a part of an employee benefit package.

b. Operating Expenses

Operating expenses are defined as necessary expenditures other than personal salaries, benefits, and equipment. Such expenses may include specific items directly charged to the project, and in some cases, when permitted by the funding source, an indirect cost allowance. The expenses must be grant-related (i.e., to further the Program objectives as defined in the Grant Subaward) and be encumbered during the performance period.

The following items fall within this category: consultant services such as subcontractors, participating staff who are not employed by the Applicant, travel, office supplies, training materials, research forms, equipment maintenance, software equipment rental/lease, telephone, postage, printing, facility rental, vehicle maintenance, answering service fees, and other consumable items. Furniture and office equipment with a cost of less than \$5,000 (excluding tax) and/or with a useful life of less than one year fall within this category. Otherwise, these fall under equipment expenses.

Salaries for staff not directly employed by the Applicant must be shown as consultant and/or participating staff costs (whichever is applicable per *SRH 3710* and *4500*), under the Operating Expenses category. These costs must be supported by an Operational Agreement (OA), which must be kept on file by the Subrecipient and made available for review during a Cal OES site visit, a monitoring visit, or an audit. In the case of grants being passed through a Subrecipient to be operated by another agency, the staff from the second agency will be shown in the Operating Expenses Category.

Budget for anticipated training related to the project. The Applicant must include sufficient per diem and travel allocations for person(s) to attend required Cal OES training conferences or workshops.

c. Equipment

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and a cost of \$5,000 or more per unit (excluding tax). A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three laser jet printers must be one line item, not three).

The left column of each budget category on the spreadsheet requires line-item detail including the calculation and justification for the expense. Enter the ***whole dollar amount only*** (no cents) on each line item and the match amount (if applicable) in the correct column of the Budget Category form. You may add extra rows if necessary. The spreadsheets automatically calculate the subtotal at the end of each budget category and provide the total of the three spreadsheets at the bottom of the Equipment page. The total of the budget including each funding source and/or match amount must correspond to the amount of the Total Project Cost (Block 12G) on the Grant Subaward Face Sheet.

CAMPUS SEXUAL ASSAULT (CT) PROGRAM

PART III – POLICIES AND PROCEDURES

The Applicant is strongly encouraged to review the following sections before preparing the proposal:

- A. SELECTION OF PROPOSAL FOR FUNDING
 - B. FINALIZING THE GRANT SUBAWARD
 - C. ADMINISTRATIVE REQUIREMENTS
 - D. BUDGET POLICY
-

A. SELECTION OF PROPOSAL FOR FUNDING

1. Proposal Rating

Eligible proposals received by the deadline are generally evaluated by a three member team. The rater scores are averaged and then ranked numerically. Proposals are only evaluated numerically; no notes are taken during the evaluation. The Rating Form used for this process is included in Part IV of this RFP and is for informational purposes only.

2. Funding Recommendation

Final funding decisions are made by the Director of Cal OES. Funding recommendations are based on the following:

- The ranked score of the proposal;
- Consideration of funding priorities or geographical distribution specific to this RFP; and
- Prior negative administrative and programmatic performance, if applicable.

Projects previously funded by Cal OES will be reviewed for poor past compliance, including fiscal management, progress and annual reports, audit reports, and other relevant documentation or information. This review may result in one or more of the following actions:

- a. The project may not be selected for funding;
 - b. The amount of funding may be reduced; or
 - c. Grant Subaward Conditions may be placed in the Grant Subaward.
- ##### 3. Notification Process

Applicants will be notified in writing of the results of the rating process. Applicants not selected for funding will receive a denial letter containing their average score and information on the appeal process. Please note: the Project Narrative

(Cal OES 2-107), Budget Narrative (Cal OES 2-108), and Budget Pages (Cal OES 2-106) for the top-ranked proposal may be posted on the Cal OES website.

B. FINALIZING THE GRANT SUBAWARD

1. Standard Project Funding Authority

Allocation of funds is contingent on the enactment of the State Budget.

Cal OES does not have the authority to disburse funds until the Budget is passed and the Grant Subaward is fully executed. Expenditures incurred prior to authorization are made at the Subrecipient's own risk and may be disallowed. Cal OES employees are not able to authorize an Applicant to incur expenses or financial obligations prior to the execution of a Grant Subaward. However, once the Grant Subaward is finalized the Subrecipient may claim reimbursement for expenses incurred on, or subsequent to, the start of the Grant Subaward performance period.

If, during the term of the Grant Subaward, the state and/or federal funds appropriated for the purposes of the Grant Subaward are reduced or eliminated by the California Legislature or the United States Government, or in the event revenues are not collected at the level appropriated, Cal OES may immediately terminate or reduce the Grant Subaward by written notice to the Subrecipient. However, no such termination or reduction shall apply to allowable costs already incurred by the Subrecipient to the extent state or federal funds are available for payment of such costs.

Cal OES Grant Subawards are subject to applicable restrictions, limitations, or conditions enacted by the California Legislature and/or the United States Government, subsequent to the execution of the Grant Subaward.

2. Processing Grant Subaward

a. Grant Subaward Conditions

Cal OES may add Grant Subaward Conditions to the Grant Subaward prior to or after funding. If conditions are added, these will be discussed with the Applicant/Subrecipient and a copy of the conditions will be sent to the Subrecipient when the conditions are made part of the Grant Subaward. Grant Subaward Conditions may include requirements for sole source justification, a computer feasibility study, or other requirements deemed necessary by Cal OES.

b. Grant Subaward Amounts

When the amount of funds available is limited, Cal OES may reduce the amount of the Grant Subaward from the amount requested by the Applicant. In addition, Cal OES reserves the right to negotiate budgetary changes with the Applicant

prior to executing the Grant Subaward. If either of these actions is required, Cal OES will notify the Applicant prior to executing the Grant Subaward.

c. Grant Subaward

A copy of the executed Grant Subaward and pertinent attachments will be sent to the Project Director. The Applicant is not authorized to incur costs against the grant until a copy of the fully executed Grant Subaward is received. When the executed grant is received, a Report of Expenditures and Request for Funds (Cal OES 2-201) may be submitted for reimbursement.

C. ADMINISTRATIVE REQUIREMENTS

The following requirements apply to projects selected for funding and are explained below for the Subrecipient's planning purposes.

1. The *Subrecipient Handbook (SRH)*

The *SRH* is accessible on our website at www.caloes.ca.gov. Select "Cal OES Divisions," scroll down to "Grants Management," on the right-hand side, click on "Criminal Justice, Emergency Management & Victim Services Grant Programs," then select "Handbooks, Reports & Publications." The *SRH* contains administrative information and requirements necessary to implement the project. Subrecipients must administer their grants in accordance with the *SRH* requirements. Failure to comply with these requirements can result in the withholding or termination of the Grant Subaward.

2. Communications (*SRH* 11500)

Projects must maintain a current telephone number and internet access with an e-mail address (*SRH* 2340.1), as well as a current postal address and physical location within the State of California.

3. Progress Reports and Data Collection (*SRH* 10100)

Funded projects are required to participate in data collection and to submit Progress Reports required by the Program. Projects are required to keep accurate records to document the information reported in the Progress Reports. The records must be kept by the project for a period of seven years. During site/monitoring visits, Cal OES will review these records for accuracy and compare them with the reported data submitted on the Progress Reports.

4. Monthly/Quarterly Report of Expenditures and Request for Funds (*SRH* 6310)

Community-based organizations (CBOs) shall submit a monthly Report of Expenditures and Request for Funds (Cal OES 2-201) unless they request a quarterly

reporting period. Government and education agencies receiving funds will be required to report on a quarterly basis. This form is due within 30 calendar days of the end of the reporting period and must be submitted whether or not the project has incurred expenses. Delays in submitting the form Cal OES 2-201 will result in the withholding of funds and may result in the recommendation to Cal OES Director for termination of the Grant Subaward.

5. Programmatic Technical Assistance and Site Visit Performance Assessment (SRH 10200-10300)

Funded projects are assigned a Cal OES Program Specialist to oversee the progress of the project in achieving its goals, objectives and compliance with the Grant Subaward. Program Specialists are available to assist the Subrecipient in the successful implementation of the project and in meeting the administrative requirements of the Grant Subaward. New projects should expect a site visit from the assigned Program Specialist within the first six months of the performance period. Follow-up site visits will be conducted periodically throughout the life of the grant. Projects may request a site visit to obtain technical assistance.

6. Monitoring Requirements (SRH 10400)

A monitoring visit is an onsite assessment by staff to determine if the project is in compliance with the terms of the Program, the Grant Subaward, the program guidelines (if applicable), the RFA/RFP, and the SRH. Projects will be monitored on a random or as-needed basis.

7. Audit Requirements (SRH 8100)

To safeguard Cal OES's assets and to ensure that all funds are accounted for, Cal OES requires that organizations receiving a Cal OES Grant Subaward(s) be audited in accordance with the SRH.

8. Source Documentation (SRH 10111)

Subrecipients will be required to maintain source documentation to support claimed expenditures and project accomplishments. Source documentation is defined as records used to validate project activities and achievements pertaining to the objectives outlined in the Grant Subaward. Subrecipients are to retain source documentation for Progress Reports on a quarterly basis, regardless of submission requirements. Requirements and definitions for program-specific source documentation are delineated in the RFP instructions. Subrecipients will be required to have written job descriptions on file for positions funded by Cal OES detailing specific grant-related activities to achieve project objectives.

9. Fidelity Bond (*SRH 2160*)

Private CBOs and Native American Indian organizations are required to obtain and send to Cal OES a copy of a blanket fidelity bond or equivalent insurance contract applicable to officials and employees of Cal OES-funded projects within 60 days of the signed Grant Subaward. Failure to comply with this requirement may result in the withholding of grant funds or termination of the Grant Subaward. The beneficiary named on the bond or an endorsement must include the “State of California, California Governor’s Office of Emergency Services” and include the Grant Subaward number for identification purposes.

The time period covered by the bond must include the effective date and total time period of the grant, including extensions. The bond must be in an amount equal to 50 percent (50%) of the total Grant Subaward and may have a deductible in an amount not to exceed one percent (1%) of the bond.

A bond is not required of a Subrecipient sponsored by units of government. CBOs sponsored by units of government may submit documentation indicating this in lieu of the bond or insurance contract, unless specifically required terms of the Program or Grant Subaward Conditions.

10. Copyrights, Rights in Data, and Patents (*SRH 5300-5400*)

Cal OES owns rights of and reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, and use, in whole or in part, material produced by activities supported by a Grant Subaward. These ownership rights are detailed in the *SRH*.

D. BUDGET POLICY

This document summarizes information on Cal OES’s Budget Policy contained in the *SRH*. Additional information may be obtained by accessing the *SRH* at www.caloes.ca.gov. Select “Cal OES Divisions,” scroll down to “Grants Management,” on the right-hand side, click on “Criminal Justice, Emergency Management & Victim Services Grant Programs,” then select “Handbooks, Reports & Publications.”

1. Supplanting Prohibited (*SRH 1330*)

Grant funds must be used to supplement existing funds for Program activities and *not replace* funds appropriated for the same purpose. If selected for funding, a written certification must be provided to Cal OES indicating grant funds will not be used to supplant existing funds. Potential supplanting will be the subject of application review, post-award monitoring, and audit.

2. Project Income (*SRH 6610*)

Project income, such as client fees and fees for services provided by the Subrecipient (i.e., training, presentations, etc.), asset forfeitures, profits from the sale of project products, and conference proceeds as the result of a direct trade of time or products for money must be used to offset or augment the grant, unless otherwise specified in the RFP instructions. Project income cannot be used as matching funds, unless otherwise specified in the RFP instructions.

3. Methods of Contracting and/or Procurement (*SRH 3400*)

In most cases, a competitive bid process is required to purchase equipment or consultant services with grant funds (refer to *SRH 3400 – 3530* for additional information).

4. Match Requirements (*SRH 6500*)

The RFP Instructions (Part II) may specify a cash or in-kind match. When used to augment the project, expenditures for items such as Personal Services, Operating Expenses, or Equipment are considered match if not in violation of the prohibition on supplanting. Match must be specified in the budget and will become part of the Grant Subaward. Specific instructions for calculating the match are provided below. There are examples of how to calculate the match requirement in Sections 6550-6550.2 of the *SRH*.

a. State Funds Matching State or Federal Funds (*SRH 6522*)

State and/or federal funds can be used to match other state and/or federal funds *only* if the following conditions have been met:

- 1) The other funding source does not prohibit this practice
- 2) The funds are to be used for identical activities (e.g., to augment the project)
- 3) The project has obtained prior written approval from Cal OES or the terms of the program allow this practice

b. Type of Match

1) Cash Match (*SRH 6511*)

Cash match, also known as hard match, is often derived from the local funding resources committed to a project such as county general fund revenue, United Way contributions, private donations or profits from fund-raising events. When used to augment the project, cash expenditures

for items such as personnel, facilities and supplies may be considered cash match if not in violation of the prohibition on supplanting. A cash match must be specifically identified by line item as match in the budget.

2) In-Kind Match (*SRH 6512*)

In-kind match, also known as soft match, is the project's contribution of non-cash outlay of materials or resources to support a percentage of Cal OES's Grant Subaward activities. It may include non-cash outlay contributed by other public agencies and institutions, private organizations, and individuals. Examples include donated office supplies, equipment, professional services, and volunteer time. In general, the value of in-kind contributions is determined by fair market value, which must be specifically identified by line-item as in-kind match in the budget.

5. Travel Policies

The following is Cal OES's current travel policy:

a. Travel and Per Diem (*SRH 2236*)

The Applicant may prepare the budget using their own travel policy or the State travel policy according to the following guidelines. Travel reimbursement will only be allowed based on actual costs.

1) Units of Government (*SRH 2236.1*)

Units of government may use their own written travel policy or the State policy.

2) Community-Based Organizations (CBOs) (*SRH 2236.22*)

A community-based organization may use the State travel policy or the Applicant's written policy up to the maximum rates allowed by the State travel policy.

3) Out-of-State Travel (*SRH 2236.1.1*)

Out-of-state travel is restricted and only allowed in exceptional situations. Requests for approval for out-of-state travel must be submitted for

b. State Travel and Per Diem Policy (*SRH 2236.2*)

Use the following State travel policy for budgeting travel expenses:

1) Meals and Incidentals

a) Breakfast \$7.00

Breakfast may be claimed when travel commences at or prior to 6:00 a.m. Breakfast may be claimed on the last fractional day of a trip of more than 24 hours if travel terminates at or after 8:00 a.m.

b) Lunch \$11.00

Lunch may not be claimed for travel less than 24 hours. Lunch may be claimed if the trip begins at or before 11:00 a.m. and may be claimed on the last fractional day of a trip of more than 24 hours if the travel terminates at or after 2:00 p.m.

c) Dinner \$23.00

Dinner may be claimed if the trip begins at or before 5:00 p.m. Dinner may be claimed when travel terminates at or after 7:00 p.m., whether on a one-day trip or on the last day of a trip of more than 24 hours.

d) Incidentals \$5.00

Incidentals may be claimed for trips of 24 hours or more.

e) Total Per Diem

The maximum is \$46.00 for a 24-hour period.

2) Lodging

The maximum allowed lodging expense is \$90.00 per night, plus applicable taxes, (except as noted below).

3) Special Lodging Rates

- Statewide (excluding counties identified below): \$90.00, plus tax
- Napa, Riverside, and Sacramento Counties: \$95.00, plus tax
- Marin County: \$110, plus tax
- Los Angeles, Orange, Ventura Counties and Edwards AFB; excluding the City of Santa Monica, \$120.00, plus tax
- Monterey and San Diego Counties: \$125.00, plus tax
- Alameda, San Mateo, and Santa Clara Counties: \$140.00, plus tax
- City of Santa Monica: \$150.00, plus tax

- City & County of San Francisco: \$250.00, plus tax

4) Mileage

When a privately owned vehicle is utilized on project-related business, a maximum of 54.5 cents per mile is allowed, unless a higher rate is justified. Documentation justifying a higher rate must be on file and available for audit, but should not be submitted with the proposal.

5) Other

Taxi, airport shuttle, etc., which exceed \$3.50 must be supported by receipt. Parking in excess of \$10.00 must be supported by receipt.

6. Participating Staff (*SRH 4500*)

The term “participating staff” refers to salaried employees of a participating agency assigned to work with the Subrecipient on the implementation of a project. The agreement between the Subrecipient and the participating agency concerning participating staff must be reflected in the OA. Grant related costs associated with participating staff must be itemized in the Operating Expenses category of the grant budget.

7. Independent Contractor/Consultant (*SRH 3710*)

Independent Contractors/Consultant services are either provided on a contractual or salary basis by individuals or organizations that are not employees of the project. Services provided by a salaried employee of an agency identified in an Operational Agreement (OA) are not considered consultant services (*SRH 4000*). Independent contractors/consultants must not be used in lieu of employees. If the contract is over \$3,500, the project must hire the independent contractor/consultant through Competitive Bid, or submit a Non-Competitive Bid NB request to Cal OES for prior approval. If less than \$3,500, the project must maintain documentation for justification of the NB contract (*SRH 3500*).

Independent contractors/consultants are defined as individuals or organizations that meet any of the following criteria:

- Produce a specific product or service
- Work independently without direct supervision from the Applicant
- Work on specific projects
- Provide services for a limited number of hours or period of time
- Have no agency management or oversight responsibilities directed toward the financial success or direction of the agency

There must be a signed, written agreement between the organization and independent contractor/consultant specifying the contract period, compensation rate, duties or obligations, and any other conditions of employment.

a. Rates (*SRH 3710.1*)

The maximum rate for independent contractors/consultants is \$650.00 (excluding travel and per diem costs) for an eight-hour day, or \$81.25 per hour. An eight-hour day may include preparation, evaluation, and travel time in addition to the time required for actual performance. A request for compensation for over \$650 a day, or \$81.25 per hour must have *prior approval* from Cal OES and additional justification.

1) Exception to Rates (*SRH 3710.1.1*)

Compensation to government employees (e.g., federal, state, and local) will be allowed when the unit of government will not provide its services without cost. In these cases, the rate of compensation is not to exceed the daily salary rate paid by the unit of government.

b. Expert Witness Fees (*SRH 3710.2*)

Projects, which routinely utilize “expert witnesses” as independent contractors or consultants to conduct evaluations and provide expert testimony in the courtroom, may budget for this expense. However, the project may only be charged for costs above what the jurisdiction is required to cover. Unless otherwise prohibited, the maximum allowable rate for such witness fees is \$250 per hour, and is not to exceed \$2,000 per day. The total amount budgeted for expert witness fees must not exceed 10% percent of the project’s total budget. Requests for proposed expert witness costs must be accompanied by written justification indicating the following:

- Qualifications, training, and experience of the expert(s), including a statement regarding recognition by the court of the individual as an expert
- Specialized certification/licensure [e.g., Masters in Social Work (MSW)
- Licensed Clinical Social Worker (LCSW), Marriage and Family Therapist (MFT); Medical Doctor (MD)]
- Rate of pay per hour including documentation of a survey of the availability of similar consultants, the current “going rate,” and the proposed rate of pay with a cost breakdown if the expert is paid according to services (e.g., mileage, waiting time, court testimony)
- Proposed services to be provided (e.g., analysis of forensic evidence, psychological evaluation)
- Justification why this cost cannot be paid with other funds (attach the justification to Cal OES 2-106a)

8. Facility Rental (*SRH 2232*)

Facility rental costs per square foot must be based on actual rent paid, not to exceed \$21 per square foot annually (\$1.75 per square foot per month). If the rental cost for office space exceeds this rate, it must be consistent with the prevailing rate in the local area. This documentation must be on file and available for audit. Exceptions to the above rates and/or square footage must be approved by Cal OES and requires appropriate justification.

Rental space for training and individual and/or group counseling rooms may also be charged to the grant, providing the charge is based on actual costs and not reimbursed by another source.

9. Rented or Leased Equipment (*SRH 2233*)

An explanation and cost analysis is required when equipment is rented or leased. This analysis must demonstrate that it is more cost-effective to rent or lease the equipment than it is to purchase it, and must be approved by Cal OES prior to the execution of a rental or lease agreement.

10. Indirect Cost Rate Proposal (ICRP) (*SRH 2180 & SRH 2188*)

Indirect costs are shared costs that cannot be directly assigned to a particular activity, but are necessary to the operation of the organization and the performance of the project. The costs of operating and maintaining facilities, accounting services, and administrative salaries are examples of indirect costs.

a. Subrecipients do not have to budget for indirect costs.

b. Subrecipients that budget for indirect costs must:

- Use their approved Indirect Cost Rate (ICR) that has been established by the Subrecipient's cognizant federal agency (Cal OES will not act as a cognizant agency); or
- Use an amount up to the ten percent (10%) de minimis rate of the Subrecipient's Modified Total Direct Costs (MTDC) base. MTDC includes the cost of salaries, wages and benefits of personnel that work directly on the project, and other operational costs that are directly related to the project. The MTDC base cannot include any distorting costs such as equipment, rent, capital expenditures, or any Subawards, contracts, or consultant beyond the first \$25,000

Subrecipients, who request Cal OES funds for indirect costs, must provide a method of calculation that shows what direct costs were used to calculate their indirect

budgeted amount. The Subrecipient can then charge up to that budgeted amount on the subaward.

11. Audit Costs (*SRH 8150*)

Subrecipients expending less than \$750,000 in federal funds annually cannot use federal funds to reimburse for costs associated with audits. Subrecipients expending \$750,000 or more in federal grant funds annually are required to secure an audit pursuant to 2 CFR Part 200 Uniform Guidance and are allowed to utilize federal grant funds to budget for the audit costs.

Specifically, the allowable audit costs are as follows:

- If the total project cost is less than or equal to \$150,000, the project may budget up to \$2,000 for the financial audit cost; or
- If the total project cost is greater than \$150,000, the project may budget up to one and a half percent (1.5%) of the total project cost for financial audit costs

12. Equipment (*SRH 2300*)

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and a cost of \$5,000 or more per unit (excluding tax).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three laser jet printers should be one line item, not three).

a. Allowable Expenses

Equipment used solely for project activities may be budgeted if it is essential to the implementation of the project. Grant funds may not be used to reimburse the Subrecipient for equipment already purchased.

Rented or leased equipment must be budgeted as an Operating Expense. Lease-to-purchase agreements are generally not allowable. If a lease-to-purchase is requested, the project will be required to submit justification, including cost-effectiveness, with the Grant Subaward Forms Package. Prior approval by Cal OES is required.

b. Computers and Automated Equipment (*SRH 2340*)

1) Community-Based Organizations (*SRH 2342.1*)

CBOs may budget for computer equipment, software, and related costs. [Justification](#) will be required if the proposal is selected for funding.

Cal OES will evaluate the proposed purchase on the basis of grant-related need. Prior approval by Cal OES is required.

2) Units of Government (*SRH 2342.2*)

Units of government may budget for computer equipment, software, and related costs. [Justification](#) will be required if the proposal is selected for funding. Cal OES will evaluate the proposed purchase on the basis of grant-related need. Cal OES must give approval prior to purchase.

3) Computer Purchase Justification (*SRH 2341*)

Approval for purchases of computers and automated equipment is contingent on the Applicant's ability to demonstrate cost-effective, project-related need which is best demonstrated by clearly relating each computer system or component to the grant objectives and activities. If selected for funding, the Applicant will be sent instructions for preparing the justification.

13. Prohibited Expense Items (*SRH 2240*)

a. Bonuses/Commissions (*SRH 2241*)

Projects are prohibited from paying any bonuses/commissions to any individual, organization, or firm unless specifically authorized by the terms of the Program.

b. Lobbying (*SRH 2242*)

Refer to *SRH 2242.1* for an extensive list of prohibited activities.

c. Fundraising (*SRH 2243*)

Cal OES grant funds cannot be used for organized fundraising including financial campaigns, endowment drives, solicitation of gifts and bequests, or similar expenses incurred solely to raise capital or obtain contributions.

d. Real Property and Improvements (*SRH 2244*)

Real property, including land, land improvements, structures and their attachments, and structural improvements and alterations are not allowable expenditures unless specifically authorized in the RFP instructions.

e. Interest (*SRH 2245*)

The cost of interest payments is only allowable if the cost is a result of a lease/purchase agreement.

f. Charges, Fees, and Penalties (*SRH 2245*)

Finance charges, late payment fees, penalties, and returned check charges are not allowable expenditures.

g. Food and Beverages (*SRH 2246*)

The cost of food and/or beverages at grant-sponsored conferences, meetings, or office functions is not an allowable expenditure.

h. Weapons and Ammunition (*SRH 2247*)

The cost of weapons and/or ammunition of any type is not an allowable expenditure, unless it is part of a governmental negotiated benefit package or is specifically authorized in the RFP instructions.

i. Membership Dues (*SRH 2248*)

The cost of membership dues for projects involved in the licensing or credentialing of professional personnel are not allowable expenditures, unless specifically authorized in the terms of the program.

j. Professional License (*SRH 2248*)

The cost of a professional license is not an allowable expenditure, unless specifically authorized in the terms of the program.

k. Annual Professional Dues or Fees (*SRH 2248*)

The cost of professional dues or fees is not an allowable expenditure, unless it is part of a reasonable negotiated benefit package, or is authorized by the terms of the program.

l. Depreciation (*SRH 2249*)

Depreciation charges are not allowable expenditures.
