http://www.caloes.ca.gov/GrantsManagementSite/Documents/National_Preparedness_Goal_2nd_Edition.pdf

EMPG Objective

The EMPG Program supports investments that improve the ability of jurisdictions to:

- Prevent a threatened or an actual act of terrorism;
- Protect our citizens, residents, visitors, and assets against the greatest threats and hazards;
- Mitigate the loss of life and property by lessening the impact of future disasters;
- Respond quickly to save lives, protect property and the environment, and meet basic human needs in the aftermath of a catastrophic incident

Overview

- FY 2018 EMPG Key Changes
- EMPG Allowable Activities

Key Changes

- NOFO identified that EMPG recipients will report through the new THIRA/SPR methodology implemented in 2018. This applies to only the state and UASI's for 2018 however, subrecipients should prioritize funding that address capability gaps identified in the THIRA/SPR.
