The FY 2021-22 California Budget allotted $50,000,000 to Cal OES for the CSNSGP. Of this amount, $47,500,000 is available for nonprofit organizations via competitive proposal process. Applicants can apply for up to $200,000 in funding. The CSNSGP funding is focused on target hardening activities, and other physical security enhancements for nonprofit organizations that are at high risk of violent attacks and hate crimes due to ideology, beliefs, and mission.

Cal OES rates and ranks the proposals competitively. The highest ranking applicants will receive funding until all the allocated funding is awarded.
Purpose of the Grant

The purpose of the CSNSGP is to provide funding support for target hardening and other physical security enhancements to nonprofit organizations that are at high risk for violent attacks and hate crimes due to ideology, beliefs, or mission.

The goal of this grant is to integrate the preparedness activities of nonprofit organizations that are at high risk of a terrorist attacks and hate crimes with the broader state and local preparedness efforts.

The CSNSGP also promotes emergency preparedness coordination and collaboration activities between public and private community representatives as well as state and local government agencies.
Eligibility Criteria

Must be an eligible nonprofit organization that meet this criteria:
1. Described under section 501(c)(3) of the Internal Revenue Code of 1986 (IRC) and exempt from tax under section 501(a) of such code.
   - The Internal Revenue Service (IRS) does not require certain organizations such as churches, mosques, and synagogues to apply for and receive a recognition of exemption under section 501(c)(3) of the IRC; Such organizations are automatically exempt if they meet the requirements of section 501(c)(3). These organizations are not required to provide recognition of exemption.

2. Organizations must be considered high risk for violent attacks or hate crimes due to ideology, beliefs, or mission.

3. Located throughout the state of California.
Allowable Costs Categories

1. Planning
2. Equipment
3. Training
4. Construction or Renovation
5. Contracted Security
6. Management and Administration (M&A)
Allowable Cost: Planning

Planning:
Funding may be used for security or emergency planning expenses and the materials required to conduct planning activities. Planning must be related to the protection of the facility and the people within the facility and should include access and functional needs as well as those with limited English proficiency. Examples of planning activities allowable under this program include:

- Development and enhancement of security plans and protocols;
- Emergency contingency plans; and
- Evacuation/Shelter-in-place plans.
Allowable Cost: Equipment

Equipment Costs:
Allowable costs are focused on target hardening and physical security enhancements. Funding can be used for the acquisition and installation of security equipment on real property (including buildings and improvements) owned or leased by the nonprofit organization, specifically in the prevention of and/or protection against the risk of a terrorist attack.

- Physical security enhancement equipment, including, but not limited to reinforced doors and gates, and high-intensity lighting and alarms;
- Inspection and screening systems, and access control;
- Any other security enhancement consistent with the purpose of the CSNSGP and identified organization’s vulnerability assessment.
Allowable Costs: Training

Training:
Allowable training-related costs are limited to attendance fees for the training, and related expenses such as materials, supplies. No personnel costs, such as overtime and backfill costs, associated with attending the training courses are allowable.

Travel costs are not eligible.

Training projects must be proposed in the Application.

Post Award: Awarded Applicants must obtain proof of that approval via a feedback number obtained by submitting the “Training Request Form.”
Construction or Renovation
Construction or Renovation activities should be done in support of the target hardening activities and is limited to 15% of the total grant.

Equipment installation is not considered construction or renovation.

All Construction or Renovation activities must comply with applicable federal, state, and local laws and regulations.
Allowable Cost: Contracted Security

Contracted Security
Contracted security personnel are allowed under this program. The recipient must be able to sustain this capability in future years without CSNSGP funding.

CSNSGP funds may not be used to purchase equipment for contracted security. Funding for contracted security cannot exceed 50% of the amount requested.
Allowable Cost: M&A

Management and Administration (M&A):
Organizations may use up to 5% of the amount subawarded to them solely for M&A purposes associated with the subaward.

This includes: paying staff or third-party contractors/consultants to assist with the management and administration of CSNSGP funds.

- Construction & Renovations without Cal OES approval
- General-Use Expenditures
- Travel expenses
- Organizational operating expenses, overtime, and backfill
- Initiatives that are unrelated to prevention and protection-focused capabilities directed at identified facilities and/or the surrounding communities
- The development of risk/vulnerability assessment models
- Initiatives in which government agencies are the beneficiary
- Any expenses incurred on your projects **BEFORE YOUR PROJECT AWARD LETTER IS ISSUED**
Proposal Required Documentation

1. Vulnerability Assessment (VA) Worksheet

2. FY 2021 California State Nonprofit Security Grant Program (CSNSGP) Application Form
Obtain a VA for your organization and complete the Cal OES VA Worksheet.

- The VA defines, identifies, and prioritizes vulnerabilities of the organization structure.
- The VA provides the organization with knowledge of what equipment to purchase to make the organization safer.
- Align your target hardening requests with your organization’s risk, which are the threats you face, your vulnerability, and the potential consequences of an attack.
• The VA must be performed by a person with security, emergency services or law enforcement background.

• There is no required format for conducting the assessment itself.

• If a Security Company prepares your VA they are prohibited from Bidding or Contracting for the Products or Services that will be covered under the CSNSGP.
• Previous assessments can be used if still applicable. Results of the assessment must be recorded in the VA Worksheet and Annex 1.

• A webinar on how to complete the VA Worksheet is available on our website at VA Worksheet webinar.

• The Cal OES Critical Infrastructure Protection (CIP) Unit may assist in contacting a regional fusion center for additional information on the conduct of a VA. They can be contacted at: infoshare@caloes.ca.gov.
CSNSGP Application Form

• It is the Who, What, When, Where, Why, and How of the organization’s plan for target hardening.

• A PDF fillable form that Cal OES uses to score and rank each application.

• Should be consistent with any Vulnerability Assessments performed on the organization’s location.

• Establishes the target hardening project timeline and milestones for completion.

(This section is worth 5 points)
Section VII: Funding History

Prior Funding
Nonprofits that have not received NSGP and/or CSNSGP funding in the past 5 years will receive five bonus points to their final score at the time of application submission. If the nonprofit organization has received NSGP and/or CSNSGP funding in the past 5 years, provide the funding source, funding amount, funding year, and the investment type.

(This section has a 500 Character Max including spaces)

Application Certification
An employee, a volunteer, or a person that has been hired by the nonprofit organization certifies they are authorized to apply on behalf of the nonprofit.
This is a Competitive Grant Process, meaning that your applications will be ranked in comparison to all other applications received.

Important Applicant Considerations:

• Completeness of the Application to include all required documents.

• Associated Vulnerabilities/Risks with location.

• Does your requested target-hardening equipment correlate to your Vulnerability/Risk Assessment?

• What is the symbolic/social importance of your site as a possible target?
Funding will be awarded to the highest-ranked proposals. Evaluation of the proposals is based on seven scored criteria, totaling 42 points.

Application Submission: File Naming

The following naming convention must be used for submitting proposals:

• FY 2021_CSNSGP_Application_NonprofitName
• FY 2021_CSNSGP_VAWorksheet_NonprofitName

Example: FY 2021_CSNSGP_Application_SunshineSchool

You are encouraged to shorten long organizational names. The full names will be in the text of the document. Use Capital letters to separate the names, not spaces.

For example:
Church of the Ocean Wave = ChurchOceanWave
Congregation of our Holy Savior = CongHolySavior
California County Community Center= CalCoCommCtr
Recommendation for Award

Final funding decisions are made by the Director of Cal OES, based on the following factors:

- Ranked score of the application
- Consideration of funding priorities
- Prior negative administrative and programmatic performance, if applicable

Once the decision has been made, the applicant will be notified via email and in writing.

Those not selected will receive a denial letter and information on the appeals process.
