Fiscal Year (FY) 2017 Nonprofit Security Grant Program (NSGP) Frequently Asked Questions (FAQs)

1. What is the purpose of the FY 2017 NSGP?

The FY 2017 NSGP provides funding support for target hardening and other physical security enhancements to nonprofit organizations that are at high risk of terrorist attack and located within one of the specific FY 2017 Urban Area Security Initiative (UASI)-designated urban areas. The NSGP also promotes emergency preparedness coordination and collaboration activities between public and private community representatives as well as state and local government agencies.

The FY 2017 NSGP plays an important role in the implementation of the National Preparedness System by supporting the development and sustainment of core capabilities. The core capabilities, outlined in the National Preparedness Goal (the Goal) are essential for the execution of the five mission areas—Prevention, Protection, Mitigation, Response, and Recovery mission areas and the realization of a secure and resilient Nation.

2. What legislation authorized funding for the FY 2017 NSGP?

The FY 2017 NSGP is authorized by Section 2003 of the *Homeland Security Act of 2002*, as amended (Pub. L. No. 107-296) (6 U.S.C. § 604); and by the *Department of Homeland Security Appropriations Act, 2017* (Pub. L. No. 115-31).

3. How much funding is available under the FY 2017 NSGP?

The total amount of funds distributed under the FY 2017 NSGP will be \$25,000,000.
