### D. ELIGIBILITY/PREFERENCE POINTS

To be eligible to receive funds, the entity must be a California incorporated city.

Incorporated cities who received an award from the fiscal year 2019-20 Public Safety Power Shutdown funding are eligible to apply for the 2020-21 Community Power Resiliency funding.

Preference points will be given to Applicants who did not receive Public Safety Power Shutdown funding in fiscal year 2019-20. Please see Rating Sheet.

Priority funding will be given to eligible Applicants if the proposal shows either a benefit to disadvantaged communities or the use of/acquisition of low/no emissions power solutions. "Disadvantaged communities" includes, but is not limited to:

- Areas disproportionately affected by environmental pollution and other hazards that can lead to negative public health effects, exposure, or environmental degradation.
- Areas with concentrations of people that are of low-income, high unemployment, low levels of home ownership, high rent burden, sensitive populations, or low levels of educational attainment.

Only one proposal per Applicant will be eligible to receive funding. If an Applicant submits more than one proposal, only the highest scoring proposal, meeting the criteria above, will be considered for funding.

E. GRANT SUBAWARD PERFORMANCE PERIOD

The Grant Subaward performance period is July 1, 2020 – October 31, 2021.

F. FUNDS

1. Source/Amount of Funds

There is \$13,000,000 of State General Fund available for the Program for the Grant Subaward performance period. Individual Applicants may apply for up to \$300,000 for the 16-month Grant Subaward performance period.

2. Allowable Use of Funds

public education materials, or purchase supplies to prepare for electric disruption.

3. Unallowable Use of Funds

- To secure, compensate, or backfill professional services contracts, or
- For response costs associated with electric disruption events, including any staffing or new positions, Emergency Operations Center staffing, security, law or fire response, or other overtime charges.

G. PROGRAM INFORMATION

1. Program Description

The purpose of the Community Power Resiliency Allocation to Cities Program is to support California incorporated cities in preparing for and responding to power outage events.

Subrecipients are encouraged to support one or more of the Community Power Resiliency areas: schools, food storage reserves, and/or COVID-19 testing sites.

As a condition of funding, cities will be required to collaborate with their county to support critical infrastructure and resiliency with a particular focus on public safety, vulnerable communities, and individuals with access and functional needs.

2. Eligible Activities

- Portable vehicle-mounted charging stations.

- Portable battery-powered and rechargeable radio repeater and transmission equipment.

b. Plans

- Risk assessments for critical infrastructure and lifelines.
- Post-event reports that identify lessons learned and corrective actions.

c. Public Education

Funds may be used to:

- Develop public education materials.
- Purchase supplies focused on individual and family preparedness for electric disruptions.

d. One-Time Costs

Funds may be used for one-time costs associated with identifying and equipping resource centers for the public to access during electric disruptions.

3. Reporting Requirements

Progress Reports serve as a record for the implementation of the project. Statistics for Progress Reports must be collected on a quarterly basis, even when reporting occurs less frequently.

California incorporated cities are required to report the following for each project or activity supported with grant funds:

- Description of each project or activity;
- The state or local entity that implemented the project or activity;
- Amount of state funding provided to the project or activity; and

- Specific outcomes achieved by each project or activity, including whether the project or activity was completed, and whether it was used during power outage events.

**One Progress Report is due no later than November 30, 2021.** A Progress Report form will be provided by Cal OES.

- The amount of funding may be reduced
- Grant Subaward Conditions may be placed in the Grant Subaward

#### 3. Notification Process

The Authorized Signer (designated on the Grant Subaward Face Sheet) will be notified in writing, via electronic communication, of the results of
