Daily Focus- COVID-19
Today, Governor Gavin Newsom took part in the launch of the vaccination site at the Dodger Stadium, which is one of the many locations across the state ramping up to accelerate vaccine administration.

He was joined by Los Angeles Mayor Eric Garcetti, Los Angeles City Council President Nury Martinez, Congressman Jimmy Gomez (CA-34), Senator Steven Bradford, Dodgers President and CEO Stan Kasten and others.

Watch the full press event here.

*Your actions save lives. covid19.ca.gov*

**Positivity Rate for California:**

California's positivity rate is a key indicator of community spread. **As of 01/14, the 7-day positivity rate is 12.6% and the 14-day positivity rate is 13.4%**.
Nationwide COVID-19 Numbers (reported by the Center for Disease Control, CDC, from previous day):

As of 01/15, there have been:

- **23,193,703** total positive cases, with **227,746** new cases reported from the prior day.
- **387,255** total deaths, with **3,904** new deaths reported.

For more COVID-19 data provided by the CDC, click [here](#).

**Healthcare Worker Cases:**

As of 01/14, local health departments have reported **77,215** confirmed positive cases in health care workers and **298** deaths statewide.

For skilled nursing facility data, visit: [Skilled Nursing Facilities: COVID-19](#).

**“Vaccinate ALL 58” - COVID-19 Vaccine Distribution**

Distribution of the COVID-19 vaccine in California began on December 14, 2020 with the launch of the “Vaccinate ALL 58” vaccine distribution campaign.

**California’s Vaccination Plan:**

COVID-19 vaccination is one of the most important tools to end the COVID-19 pandemic. The State is prioritizing vaccines for equitable distribution to everyone in California who wants it. Specifically, Californians will be prioritized as follows:
California’s Vaccination Allocation by Phase.

<table>
<thead>
<tr>
<th>Phase</th>
<th>Eligible Groups</th>
</tr>
</thead>
</table>
| 1A    | • Healthcare workers  
       | • Long-term care residents |
| 1B    | Tier 1:  
       | • Individuals 65 and older  
       | • Those at risk of exposure at work in the following sectors  
       | o Education and childcare  
       | o Emergency services  
       | o Food and agriculture  
       | Tier 2:  
       | • Those at risk of exposure at work in the following sectors:  
       | o Transportation and logistics  
       | o Industrial, commercial, residential, and sheltering facilities and services  
       | o Critical manufacturing  
       | • Congregate settings with outbreak risk:  
       | o Incarcerated  
       | o Homeless  
| 1C    | • Individuals 50 -64 years of age  
       | • People 16-49 years of age who have an underlying health condition or disability which increases their risk of severe COVID-19  
       | • Those at risk of exposure at work in the following sectors:  
       | o Water and wastewater  
       | o Defense  
       | o Energy  
       | o Chemical and hazardous materials  
       | o Communications and IT  
       | o Financial services  
       | o Government operations / community-based essential functions |

Learn more about the CDPH Allocation Guidelines for the COVID-19 Vaccine [here](#). Learn more about vaccines [here](#). Share that vaccination against COVID-19 is here. Visit the [COVID-19 Response Toolkit](#) page to find images and videos you can post on social media.

**CDPH-Regional Stay-at-Home Order**

The [Regional Stay Home Order](#), announced December 3, 2020, will go into effect within 24 hours in regions with less than 15% ICU availability.
The order will remain in effect for at least 3 weeks and, after that period, will be lifted when a region’s projected ICU capacity meets or exceeds 15%. This will be assessed on a weekly basis after the initial 3-week period. Learn more about this order. The state released a map of the five regions being measured. See below.

**Map of California by Stay-at-Home Order Region (01/12)**

**Region by Actual ICU Capacity Remaining, Status, and County Composition. (01/12)**

<table>
<thead>
<tr>

To determine the significance of your county’s status and what that means for activity limitations and guidelines, click here.

For access to the raw data for the California Blueprint, click here.

**Health Equity Metric:**

As announced on August 28, 2020, the Blueprint for a Safer Economy includes a health equity metric which will be used (along with other metrics) to determine a county’s tier.

The purpose of this metric is to ensure California reopens its economy safely by reducing disease transmission in all communities.

For more information on the Health Equity Metric click here. For information on Targeted Equity Investment Plans click here.

**About the tests**

**How many tests have been conducted in California?**

As of 01/14, there have been 37,130,366 tests conducted in California. This represents an increase of 287,715 during the prior 24-hour reporting period.

These numbers include data from commercial, private and academic labs, including Quest, LabCorp, Kaiser, University of California (UC) and Stanford, along with the 25 state and county health labs currently testing.

Get tested:

Locate confidential COVID-19 testing near you by clicking here. Appointment may be required.

**Contact Tracing**

Contact tracing is an important step in slowing the spread of COVID-19.

It’s when health workers notify you that you’ve been in close contact with an infected person. They will tell you how to quarantine or isolate and get tested. Public health departments have used contact tracing for decades to fight infectious disease.

California Connected:
Launched on May 22, 2020, California Connected is the state’s comprehensive and confidential contract tracing program. This critical program is administration-led with the support of CDPH, local health departments (LHD), the UC system, UCSF, and UCLA.

**Wildfire Recovery**

**Federal Disaster Assistance:**

IMPORTANT: Registration periods for both wildfire disasters have closed, but impacted individuals can check the status of their cases at [www.disasterassistance.gov](http://www.disasterassistance.gov) or call the FEMA Helpline at 800.621.3362 (languages other than English available.)

**Local Assistance Centers (LAC):**

These are one-stop-shop with critical government services for residents who have been impacted by the fires. Replace lost or destroyed vital documents (ID, financial information, etc.) and get connected with support services.

For locations, hours and closures for current LACs click [here](#).

**Small Business Administration (SBA)- Disaster Assistance**

The SBA provides low-interest disaster loans to help businesses and homeowners recover from declared disasters.

**IMPORTANT:** California Small Business Covid-19 Relief Grant Program

Applications OPEN NOW through Fri 1/8, 11:59 p.m. PT.
All eligible small businesses and nonprofits impacted by COVID-19 may apply now for grants ranging from $5k - $25k at CAReliefGrant.com.

**Economic Injury Disasters Loans (EIDL):**

During the pandemic and the wildfires, all California counties eligible for the EIDL. These loans can be approved up to $2 million, but are limited to the economic injury determined by SBA. These loans are intended to assist through the disaster recovery period.

**Wildfire SBA Disaster Assistance by the numbers:**

For data on loans approved by the SBA for declaration FEMA-4558-DR-CA and FEMA-4569DR-CA, their respective tables below:

California’s [Small Business Finance Center](#) (Center) via IBank:
This is a loan guarantee program designed to assist small businesses that experience capital access barriers. The Small Business Loan Guarantee program encourages lenders to provide funds to small businesses to help them grow and prosper.

This year, the Center is making available $50 million in state funding, providing potential capital for individuals who do not qualify for federal funds.

**Who is eligible?**

Small Businesses located in California with 1-750 employees that have been negatively impacted or experienced disruption by COVID-19 and nonprofits.

**Virtual SBA Support:**

Virtual Business Recovery Center and Virtual Disaster Loan Outreach Center is now open Monday through Friday from 9:00 a.m. – 6:00 p.m.

- Email: FOCWAssistance@sba.gov
- Call: (916) 735-1500

**Great Plates Delivered: Home Meals for Seniors**

This program helps seniors and other adults at high risk from COVID-19 to stay home and stay healthy by delivering three nutritious meals a day and provides essential economic stimulus to local businesses struggling to stay afloat during the COVID-19 crisis.

**IMPORTANT:** Federal Emergency Management Agency (FEMA) Public Assistance (PA) program has authorized a time extension for the Great Plates Delivered program to **February 6, 2021**
If you are interested in either providing meals or getting meals, click here.

**Listos California**

Listos California is the state’s emergency preparedness campaign, which builds resiliency in vulnerable communities at high risk for wildfires and other disasters.

**How Elected Officials Can Help:**

All elected officials are invited to serve as an important megaphone for the 5-steps of preparedness. We have prepared a dropbox folder filled with information you can share with your constituents via social media, newsletters and/or visits with your local community. Find what you’re looking for quickly by using the Table of Contents.

**Farmworker Initiative and Disaster Guide:**

Help ensure that all members of our communities are prepared for COVID-19 and other disasters by sharing the new “Farmworker Initiative” section of the Listos California website. This initiative includes a Disaster Guide in English and Spanish to support Farmworkers protect themselves for when disaster hits.

Written materials in Spanish and audio files in Indigenous Languages, Punjabi, Hmong and Spanish can be found here.

**Actions Taken by the State and Federal Government**

- January 14 Governor Gavin Newsom announced the launch of transparency, accountability and assistance measures related to the Safe Schools for All Plan. The Safe Schools for All Hub – schools.covid19.ca.gov – was launched as a one-
stop shop for information about safe in-person instruction, and will be updated frequently.

- **January 13** The Governor announced a new system to let people know if they are eligible to receive a vaccine, and if not yet eligible, to register for a notification via email or text when they are eligible. That system is expected to launch next week. This comes on the heels of the CDC’s decision to expand the pool of those eligible to receive the vaccine to individuals 65 and older.

- **January 11** Governor Gavin Newsom submitted his 2021-22 State Budget proposal to the Legislature – a $227.2 billion fiscal blueprint that provides funding for immediate COVID-19 response and relief efforts where Californians need it most while making investments for an equitable, inclusive and broad-based economic recovery.

- **January 6** Governor Newsom announced Golden State Stimulus, a budget proposal to help low-income Californians through $600 rapid cash payments, and calls for extension of eviction moratorium.

- **January 5** Governor Gavin Newsom previewed his Equitable Recovery for California’s Businesses and Jobs plan, the business and workforce recovery elements of his 2021-22 State Budget that will help California through the COVID-19 pandemic and advance an equitable, broad-based recovery. The state issued a public health order ensuring distribution of health care resources across the state to ensure patients get life-saving care as ICU capacity is strained.

- **January 1** the California Governor’s Office of Emergency Services began collaborating with the United States Army Corps of Engineers in the Los Angeles area hospitals to assess and upgrade oxygen delivery systems.
