1) Objective of Work – RFO #R02586-2016

The State of California, Cal OES, CA 9-1-1 Branch requires a Contractor to provide Next Generation Evergreen Call Handling and Core Services in support of the NG9-1-1 Evergreen Call Handling and Core Services – Pasadena Regional Integrated Next Generation (RING) Project #R02586-2016. The CA 9-1-1 Branch is providing all contractors a notice of this RFO to allow for maximum flexibility to obtain the best value.

The CA 9-1-1 NG9-1-1 Evergreen Call Handling and Core Services - Pasadena RING Project addresses the need to transition the eight (8) participating PSAPs from the existing Vesta 9-1-1 call handling systems and all associated network connectivity to a comparable geographically diverse evergreen host-remote call handling system/service with ESInet Core Services for all 911 call type modalities.

2) General Terms

- a) By acceptance of RFO #R02586-2016, the Contractor agrees to adhere to all the terms and conditions, to include but not limited to, the administrative and technical requirements, Statement of Work, and Costing set forth in in the following documents that are hereby incorporated by reference:
 - i) CA Governor's Office of Emergency Services Invitation for Bid 2015-01911
 - ii) CA Governor's Office of Emergency Services Request for Offer R02586-2016 FOR CA911 Next Gen Evergreen Call Handling and Core Services – Pasadena RING Project
 - iii) RFO #R02586-2016 and all attachments

3) Term Period (RFO # R02586-2016)

- a) Effective upon approval of the California Department of Technology (CDT) the initial base term of the contract will be two years and seven (7) months.
- b) The State, at its sole discretion, may exercise its option to execute four (4), one (1)-year extensions to continue NG9-1-1 Evergreen Call Handling and Core Services for a maximum contract term of six (6) years and seven (7) months.
- c) The Contractor shall not be authorized to deliver goods or commence the performance of services as described in this SOW until written approval has been obtained from all entities. Any delivery or performance of service that is commenced prior to the signing of the Agreement shall be considered voluntary on the part of the Contractor and non-compensable.
- d) This Contract may be amended, consistent with the terms and conditions of the Contract and by mutual consent of both parties, subject to approval by the Statewide Technology Procurement Division under PCC 12100.
