General Information about Local Emergency Proclamations

March 2014

Definition of Local Emergency: “[T]he duly proclaimed existence of conditions of disaster or of extreme peril to the safety of persons and property within the territorial limits of a county, city and county, or city, caused by such conditions as air pollution, fire, flood, storm, epidemic, riot, drought, sudden and severe energy shortage, plant or animal infestation or disease, the Governor’s warning of an earthquake or volcanic prediction, or an earthquake, or other conditions, other than conditions resulting from a labor controversy, which are or are likely to be beyond the control of the services, personnel, equipment, and facilities of that political subdivision and require the combined forces of other political subdivisions to combat . . .” (California Government Code (Govt. Code) section 8558 (c)).

Issued by (Govt. Code section 8630(a)):

- Governing body of a city, county, or city and county, or
- An official designated by an ordinance adopted by that governing body (e.g., police/fire chief, director of emergency services).

Purpose (Govt. Code sections 8625 and 8634):

- Authorizes the promulgation of orders and regulations necessary to protect life and property (e.g., special purchasing or emergency contracting).
- Describes the circumstances that exist that may support the need for issuance of a State of Emergency Proclamation and/or Executive Order.
- Supports request for a Director’s Concurrence, Governor’s Proclamation of a State of Emergency, Executive Order, California Disaster Assistance Act (CDAA) funding, and/or a Presidential Declaration of an Emergency or Major Disaster.*

**When a local government requests a Gubernatorial State of Emergency Proclamation, Director’s Concurrence, and/or California Disaster Assistance Act funding, local government should provide information describing local response efforts and identify the specific type and extent of state emergency assistance needed, including regulatory waivers necessary to facilitate the protection of life and property during response efforts. A local emergency proclamation and/or Governor’s proclamation is not a prerequisite for mutual aid assistance, Red Cross assistance, the federal Fire Management Assistance Grant Program, or disaster loan programs designated by the U.S. Small Business Administration or the U.S. Department of Agriculture.*

Deadlines:

- Issuance: Within 10 days after the actual occurrence of a disaster if assistance will be requested through CDAA (Govt. Code section 8685.2).
- Ratification: If issued by official designated by ordinance, must be ratified by governing body within 7 days (Govt. Code section 8630(b)).
- Renewal: Reviewed at least once every 30 days by the governing body until terminated (Govt. Code section 8630(c)).
- Termination: At the earliest possible date that conditions warrant (Govt. Code section 8630(d)).

Notification Process (consistent with the Standardized Emergency Management System (Govt. Code section 8607)):

- Local governments should notify the Operational Area (OA) and provide a copy of the local emergency proclamation as soon as possible.
- OA shall notify Cal OES and provide a signed copy of the proclamation as soon as possible.
- Cal OES Region will ensure notification to the Cal OES Director and Deputy Directors and shall be the primary contact between the Cal OES Director, OA, and the local jurisdiction for updates on any requests for assistance.
- Cal OES Director will respond in writing to the local government concerning the status of any requests for assistance included within the local proclamation or accompanying letter.
