

Good morning.

The next LEPC Region II meeting will be held on August 10th, 2016 at 1130 a.m.

This is planned to be a joint meeting with the Region II Local Emergency Planning Committee (LEPC) and USCG Sector San Francisco Area Committee (AC) Hazardous Materials Workgroup. Consolidating the meetings will allow the Bay Area hazmat groups the ability to share information on hazmat planning, training, resources, grant funding, upcoming events/incidents along with best practices and lessons learned in a single forum.

The location for this meeting (which is a hosted luncheon working meeting thanks to the CCC CAER Group, Inc.) will be at the Contra Costa County Health Services Hazardous Materials Programs Offices in Martinez located at 4585 Pacheco Blvd. Suite 100 (phone 925.335.3200).

Please RSVP (for lunch and handouts counts) by Monday, August 8th. RSVP to Etzel, Scott (S) <setzel@dow.com>

A link to the directions to these offices is located below.
