

LEPC Meeting Minutes Meeting February 7, 2017.

Meeting was called to order by LEPC Chair at 1134 a.m.

The following people were in attendance: Mike Pixton, Trisha Asuncion, Marcelle Indelicato, Kathleen Jennings, Kyle Hiatt, Jennifer Hobbs, Matt Slattengren, Svetlana Smorodinsky, Livia Pop, On Phone: Torrey McMurry

- I. Confirmed quorum- approved meeting notes from November 9th meeting.
- II. Jacob gave an update on the Hazmat by rail. Currently the program is on hold. Contra Costa FD and Salinas/Seaside were to receive apparatus. There were to be 12 Type II apparatus. They are purchased, the apparatus is being outfitted with equipment. But on hold until a funding source determined. Until then no apparatus will be released or no training scheduled.
- III. Jacob gave update on the Pro Board certification and that it had lapsed. They are working towards getting reaccredited hopefully within a year.
- IV. Jacob new FRO classes. FRO curriculum is not Pro Board certified.
- V. Guest Phil White discussed UASI training available. It is anticipated that in the Spring/Fall Technician A-D will occur. Late fall Specialist F-G series. He also discussed the PRND exercise in October.
- VI. Erica from Cal OES gave an update on the HEMP grants- sub-grant application in Spring. Anticipated the \$225,000 available for sub-grants.
