## Announcement

### SCOUT Steering Committee Membership Approved

Release Date: June 25, 2019

We are pleased to announce the members of the inaugural SCOUT Steering Committee. The Steering Committee is comprised of agency representatives from across the SCOUT user base. These representatives are technical experts selected to make recommendations to the SCOUT Executive Committee, and oversee subcommittees and working groups to provide timely resolution on all issues presented. The following members were approved by the SCOUT Executive Committee during their March, 2019 meeting:
