LISTOS CALIFORNIA SNAPSHOT: June 1 – August 31, 2024

- Total # of Activities: **321**
- # of Counties Reached: **12**

DELIVERABLES

- Create Earthquake focused peer-to-peer approach
- Reach target populations in areas of high seismic risk
- Use MyShake app training and EEW Resources for education and outreach
- Meet or exceed per county engagement minimums
- Report successes and impact on a triannual basis
- Prepare grantees to present on grant related impact and successes

ADDED VALUE/NEW OPPORTUNITIES

- Easy and transparent (to external customers) integration
- Increased MyShake downloads / Expanded EEW Resource Circulation
- Future collaborations/multi-unit initiatives
