*Meals paid out-of-pocket are only reimbursable when government meals are not provided or available. Please indicate reason below.

Additional Comments:

Note: The CFAA agreement requires all CFAA responders to have incident related travel expenses authorized by the IC, FSC, IBA or AA and supported by written documentation or S-number issued and completed OES-F-142a travel form. Resources mobilized under CFAA are responsible for their operational costs to and from the incident.

Approved Fire Replacement items not filled at the incident and / or equipment damage not repaired at incident are to be authorized as well. Please include specifics on damage or repair of item, estimated cost, IC, FSC, IBA or AA signature approving repair/replacement, AND the S-number. A separate ICS-213 may be required for additional detail.
