2. Receive a minimum of 50% of available points on the Rating Form.

E. GRANT SUBAWARD PERFORMANCE PERIOD

The Grant Subaward performance period is October 1, 2018 – September 30, 2019. Successful Subrecipients will be eligible for a non-competitive reapplication for four consecutive years, contingent upon availability of funds and the passage of the applicable State Budget Act for those fiscal years.

F. FUNDS

Approximately \$1,750,000 is available for the KA Program for the Grant Subaward performance period. **Funding is contingent upon availability of funds and passage of the 2018-19 State Budget Act.**

1. Source of Funds

a. Purpose

The VOCA Formula Grant Program supports eligible crime victim assistance programs to: 1) respond to the emotional and physical needs of victims of crime; 2) help primary and secondary victims of crime to stabilize their lives after a victimization; 3) help victims of crime understand and participate in the criminal justice system; and 4) provide victims of crime with a measure of safety and security. Crime victim is defined as any person who has suffered physical, sexual, financial, or emotional harm as a result of the commission of a crime.

**Requests must be submitted with the proposal.** See Attachment A for instructions and formatting requirements.

If the Applicant submits a Match Waiver Request, the Grant Subaward Face Sheet and Budget Pages must reflect the adjusted match amount.

- Have a record of effective direct service to victims of crime
- Utilize volunteers unless there is a compelling reason to waive this requirement
- Not deny services to victims based on immigration status
- Not charge victims for services supported with VOCA Formula Grant Program funds

G. PROGRAM INFORMATION

1. Program Description

The purpose of the KA Program is to increase access to appropriate services for victims of sexual assault in detention facilities. The Program will fund a Sexual Assault Counselor, per Evidence Code §1035.2, to focus solely on serving victims in local detention facilities, and to act as a point of contact for the detention facility to assist in removing any physical or programmatic barriers to service for victims. For the purposes of this RFP, the Sexual Assault Counselor and Sexual Assault Advocate are synonymous. Local detention facilities include adult detention facilities, juvenile detention facilities, and immigration detention facilities. Subrecipients may work with one or more detention facilities in their service area.

## 2. Program Components

The following are the required components of the KA Program:

### a. Lead Sexual Assault Advocate

- Subrecipients must commit a minimum of one full-time equivalent (FTE) Sexual Assault Counselor, per Evidence Code §1035.2.
- Subrecipients must designate one Lead Sexual Assault Advocate (Lead Advocate) from the Sexual Assault Counselors that fulfill the required FTE for this Program.
- The Lead Advocate must provide direct services to victims of sexual assault in the detention facility(ies) and work as a liaison between the Rape Crisis Center (RCC) and the detention facility(ies). The individual must have adequate training to serve both functions.
- The Lead Advocate must meet with other advocates responding to the detention facility(ies) on an ongoing basis to discuss concerns and issues around working in detention facilities, and ensure all advocates are adhering to best practices and established protocols.

### b. Collaboration with detention facility(ies)

Subrecipients must collaborate with detention facility(ies) to:

- Secure appropriate clearance levels for RCC staff working in the facility(ies)
- Develop and implement a formal collaboration plan, in the form of a Memorandum of Understanding (MOU), between the RCC and the detention facility(ies)
- Develop and implement cross-training for staff of the RCC and the detention facility(ies)
- Develop and implement a plan to increase physical and programmatic access to services for victims of sexual assault in the detention facility(ies)

### c. Training and Technical Assistance

Subrecipients must work with the California Coalition Against Sexual Assault (CALCASA) to ensure they are adhering to best practices in providing services to victims of sexual assault in detention facilities and navigating the partnership between RCCs and detention facilities. Specifically, Subrecipients must:

- Participate in technical assistance and/or trainings on building internal capacity for working with detention facilities, including advocate safety and the unique challenges to providing services to victims of sexual assault in detention facilities
- Request and utilize the Detention Facility toolkit developed by CALCASA

d. Direct Services

The Lead Advocate should be the primary victim service provider for the detention facility(ies) when possible. However, other Sexual Assault Counselors/Sexual Assault Advocates may provide services, as long as they have been specifically trained to provide services to victims in detention facilities. Direct services must include:

- **First Contact/Crisis Intervention Services:** Initial in-person contact with sexual assault victims

Advocates must be on call, 24-hours/day, for initial in-person response to calls from local detention facilities for sexual assault victims.

- **Follow-Up Services:** On-going victim contact to ensure continuity of services

Advocates must respond to all communication from victims of sexual assault in detention facilities within three days of receipt of notification.

- **Accompaniment Services:** Supporting sexual assault victims by being physically present during meetings or appointments

Advocates must provide accompaniment services for victims to medical providers, law enforcement agencies, district attorney's offices, court proceedings, and other agencies or locations as requested by the victim.

- **Advocacy Services:** Intervening with agencies or individuals on behalf of sexual assault victims

Advocates must intervene with medical providers, law enforcement, district attorneys, during court proceedings, and other agencies as requested by the victim.

e. Accessibility of Services

Subrecipients must address the barriers victims experience when accessing RCC services, including lack of knowledge about resources, language barriers, social

and cultural challenges, and accessibility for victims of sexual assault who are in detention facilities.

f. Sexual Assault Response Team (SART)

Subrecipients that have an active SART in their community must be a member and ensure that sexual assault in detention facilities is discussed at meetings. The Lead Advocate should attend SART meetings or, at a minimum, another agency representative should present input from the Lead Advocate.

3. Reporting Requirements

Progress Reports serve as a record for the implementation of the project. Statistics for Progress Reports must be collected on a quarterly basis, even when reporting occurs less frequently. The following reports are required:

a. Cal OES Progress Reports

Progress Reports are required and serve as a record of the implementation of the project. They document the project’s progress in achieving the objectives in accordance with the terms of the Program, enable the Subrecipients to identify problems encountered in the implementation of the project, and provide the opportunity to request technical assistance from Cal OES regarding the KA Program.

The Subrecipient is required to keep source documentation for all data collected. Source documentation is defined as records used to validate project activities and achievements via the use of intake logs, client files, progress notes, attendance rosters, and sign-in sheets.

There are two Cal OES Progress Reports required for the Grant Subaward performance period. See the chart below for report periods and due dates.

Report	Report Period	Due Date
1 <sup>st</sup> Report	October 1, 2018 – March 31, 2019	April 30, 2019
Final Report	April 1, 2019 – September 30, 2019	October 31, 2019

b. Office for Victims of Crime (OVC) Reports

There are online OVC reports subrecipients will also need to complete per the schedule and deadlines below.

1. Subgrant Award Report (SAR)

This on-line report is due **within 90 days of the beginning of the performance period**. Cal OES will initiate access and the Subrecipient

must complete the remainder of the report in the OVC Performance Measurement Tool (PMT).

2. Subgrantee Report

The Subrecipient must complete this report no later than two weeks following the end of each federal fiscal year quarter. Subrecipients will report data directly into the OVC PMT database no later than the due dates listed, unless otherwise instructed by your Program Specialist.

#### B. CERTIFICATION OF ASSURANCE OF COMPLIANCE (Cal OES 2-104 f)

#### D. PROJECT BUDGET

The purpose of the Project Budget is to demonstrate how the Applicant will implement the proposed plan with the funds available through this Program. The budget is the basis for management, fiscal review, and audit. Project costs must be directly related to the objectives and activities of the project. The budget must cover the entire performance period. In the budget, include *only* those items covered by grant funds, including match funds, when applicable. Projects may supplement grant funds with funds from other sources. However, since approved line items are subject to audit, Applicants should not include in the Project Budget matching funds (if applicable) in excess of the required match. Budgets are subject to Cal OES modifications and approval.

Cal OES requires the Applicant to develop a *line-item* budget which will enable the project to meet the intent and requirements of the Program and ensure the successful and cost-effective implementation of the project. The Applicant should prepare a realistic and prudent budget avoiding unnecessary or unusual expenditures which detract from the accomplishment of the objectives and activities of the project.

The following information is provided to assist in the preparation of the budget:

- Strict adherence to required and prohibited items is expected.
- Where the Applicant does not budget for a required item, the Applicant assumes responsibility.
- Failure of the Applicant to include required budget items does not eliminate responsibility to comply with those requirements during the implementation of the project.

The Applicant should refer to the *SRH* for additional information concerning Cal OES's budget policy or to determine if specific proposed expenses are allowable.

1. Budget Narrative – Maximum 3 Pages

The Applicant is required to submit a narrative with the Project Budget. The narrative must be typed and placed in the proposal preceding the budget pages, describing:

- How the project's proposed budget supports the Program's objectives and activities
- How funds are allocated to minimize administrative costs and support direct services
- The duties of project-funded staff, including qualifications or education level necessary for the job assignment (this does not take the place of the brief justification required in the line-item budget)
- How project-funded staff duties and time commitments support the proposed objectives and activities
- Proposed staff commitment/percentage of time to other efforts, in addition to time allocated to this project
- The necessity for subcontracts and unusual expenditures

2. Specific Budget Categories

In Part IV of this RFP, or on our website, you can access Excel spreadsheets (Cal OES 106a) for each of the following three budget categories:

a. Personal Services – Salaries/Employee Benefits

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 clerical positions).

1) Salaries

Personal services include services performed by project staff directly employed by the Applicant and must be identified by position and percentage of salaries. They may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must also be budgeted as a part of salaries. If the Applicant's personnel have accrued sick leave or vacation time prior to the approval of grant funding, they may not take time off using project funds. Salaries for staff not directly employed by the Applicant must be shown as participating staff (*SRH* 4500) in the Operating Expenses Category.

Consultant services remain under Operating Expenses (refer to Part II, D.2.b. - Operating Expenses - paragraph two).

2) Benefits

Employee benefits must be identified by type and percentage of salaries. The Applicant may use fixed percentages of salaries to calculate benefits. Budgeted benefits cannot exceed those already established by the Applicant.

Employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance, and/or pension plans are allowable budget items. Benefits, such as uniforms or California Bar Association dues are allowable budget items if negotiated as a part of an employee benefit package.

b. Operating Expenses

Operating expenses are defined as necessary expenditures other than personal salaries, benefits, and equipment. Such expenses may include specific items directly charged to the project, and in some cases, when permitted by the funding source, an indirect cost allowance. The expenses must be grant-related (i.e., to further the Program objectives as defined in the Grant Subaward) and be encumbered during the performance period.

The following items fall within this category: consultant services such as subcontractors, participating staff who are not employed by the Applicant, travel, office supplies, training materials, research forms, equipment maintenance, software equipment rental/lease, telephone, postage, printing, facility rental, vehicle maintenance, answering service fees, and other consumable items. Furniture and office equipment with a cost of less than \$5,000 (excluding tax) and/or with a useful life of less than one year fall within this category. Otherwise, these fall under equipment expenses.

Salaries for staff not directly employed by the Applicant must be shown as consultant and/or participating staff costs (whichever is applicable per *SRH* 3710 and 4500), under the Operating Expenses category. These costs must be supported by an Operational Agreement (OA), which must be kept on file by the Subrecipient and made available for review during a Cal OES site visit, a monitoring visit, or an audit. In the case of grants being passed through a Subrecipient to be operated by another agency, the staff from the second agency will be shown in the Operating Expenses Category.

Budget for anticipated training related to the project. The Applicant must include sufficient per diem and travel allocations for person(s) to attend required Cal OES training conferences or workshops.

c. Equipment

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and a cost of \$5,000 or more per unit (excluding tax).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three laser jet printers must be one line item, not three).

The left column of each budget category on the spreadsheet requires line-item detail including the calculation and justification for the expense. Enter the ***whole dollar amount only*** (no cents) on each line item and the match amount (if applicable) in the correct column of the Budget Category form. You may add extra rows if necessary. The spreadsheets automatically calculate the subtotal at the end of each budget category and provide the total of the three spreadsheets at the bottom of the Equipment page. The total of the budget including each funding source and/or match amount must correspond to the amount of the Total Project Cost (Block 12G) on the Grant Subaward Face Sheet.

E. PROPOSAL APPENDIX

The Proposal Appendix provides Cal OES with additional information from the Applicant to support components of the proposal. The following must be included:

- Organizational Chart:  
The Organizational Chart should clearly depict the structure of the Applicant organization and the specific unit within the organization responsible for the implementation of the project. This chart should also depict supporting units within the organization (e.g., the Accounting Unit) and the lines of authority within the organization. Job titles on the Organizational Chart must match those in the Budget and Budget Narrative
- Project Summary (Cal OES 2-150)
- Petty Cash Victim Fund Procedures (Cal OES 2-153) [if applicable]
- Project Service Area Information (Cal OES 2-154)
- Noncompetitive Bid Request Checklist (Cal OES 2-156) [if applicable]
- Computer and Automated Systems Purchase Justification Guidelines (Cal OES 2-157) [if applicable]
- Out-of-State Travel Request (Cal OES 2-158) [if applicable]

## VICTIM ADVOCACY IN DETENTION FACILITIES (KA) PROGRAM

### PART III – POLICIES AND PROCEDURES

---

The Applicant is strongly encouraged to review the following sections before preparing the proposal:

- A. SELECTION OF PROPOSAL FOR FUNDING
  - B. FINALIZING THE GRANT SUBAWARD
  - C. ADMINISTRATIVE REQUIREMENTS
  - D. BUDGET POLICY
- 

#### A. SELECTION OF PROPOSAL FOR FUNDING

##### 1. Proposal Rating

Eligible proposals received by the deadline are generally evaluated by a three member team. The rater scores are averaged and then ranked numerically. Proposals are only evaluated numerically; no notes are taken during the evaluation. The Rating Form used for this process is included in Part IV of this RFP and is for informational purposes only.

##### 2. Funding Recommendation

Final funding decisions are made by the Director of Cal OES. Funding recommendations are based on the following:

- The ranked score of the proposal;
- Consideration of funding priorities or geographical distribution specific to this RFP; and
- Prior negative administrative and programmatic performance, if applicable.

Projects previously funded by Cal OES will be reviewed for poor past compliance, including fiscal management, progress and annual reports, audit reports, and other relevant documentation or information. This review may result in one or more of the following actions:

- a. The project may not be selected for funding;
- b. The amount of funding may be reduced; and
- c. Grant Subaward Conditions may be placed in the Grant Subaward.

##### 3. Notification Process

Applicants will be notified in writing of the results of the rating process. Applicants not selected for funding will receive a denial letter containing their average score and information on the appeal process. Please note: the Project Narrative

(Cal OES 2-107), Budget Narrative (Cal OES 2-108), and Budget Pages (Cal OES 2-106) for the top-ranked proposal may be posted on the Cal OES website.

## B. FINALIZING THE GRANT SUBAWARD

### 1. Standard Project Funding Authority

#### **Allocation of funds is contingent on the enactment of the State Budget.**

Cal OES does not have the authority to disburse funds until the Budget is passed and the Grant Subaward is fully executed. Expenditures incurred prior to authorization are made at the Subrecipient's own risk and may be disallowed. Cal OES employees are not able to authorize an Applicant to incur expenses or financial obligations prior to the execution of a Grant Subaward. However, once the Grant Subaward is finalized the Subrecipient may claim reimbursement for expenses incurred on, or subsequent to, the start of the Grant Subaward performance period.

If, during the term of the Grant Subaward, the state and/or federal funds appropriated for the purposes of the Grant Subaward are reduced or eliminated by the California Legislature or the United States Government, or in the event revenues are not collected at the level appropriated, Cal OES may immediately terminate or reduce the Grant Subaward by written notice to the Subrecipient. However, no such termination or reduction shall apply to allowable costs already incurred by the Subrecipient to the extent state or federal funds are available for payment of such costs.

Cal OES Grant Subawards are subject to applicable restrictions, limitations, or conditions enacted by the California Legislature and/or the United States Government, subsequent to the execution of the Grant Subaward.

### 2. Processing Grant Subaward

#### a. Grant Subaward Conditions

Cal OES may add Grant Subaward Conditions to the Grant Subaward prior to or after funding. If conditions are added, these will be discussed with the Applicant/Subrecipient and a copy of the conditions will be sent to the Subrecipient when the conditions are made part of the Grant Subaward. Grant Subaward Conditions may include requirements for sole source justification, a computer feasibility study, or other requirements deemed necessary by Cal OES.

#### b. Grant Subaward Amounts

When the amount of funds available is limited, Cal OES may reduce the amount of the Grant Subaward from the amount requested by the Applicant. In addition, Cal OES reserves the right to negotiate budgetary changes with the Applicant

prior to executing the Grant Subaward. If either of these actions is required, Cal OES will notify the Applicant prior to executing the Grant Subaward.

c. Grant Subaward

A copy of the executed Grant Subaward and pertinent attachments will be sent to the Project Director. The Applicant is not authorized to incur costs against the grant until a copy of the fully executed Grant Subaward is received. When the executed grant is received, a Report of Expenditures and Request for Funds (Cal OES 2-201) may be submitted for reimbursement.

C. ADMINISTRATIVE REQUIREMENTS

The following requirements apply to projects selected for funding and are explained below for the Subrecipient's planning purposes.

1. The *Subrecipient Handbook (SRH)*

The *SRH* is accessible on our website at [www.caloes.ca.gov](http://www.caloes.ca.gov). Select "Cal OES Divisions," scroll down to "Grants Management," on the right-hand side, click on "Criminal Justice, Emergency Management & Victim Services Grant Programs," then select "Handbooks, Reports & Publications." The *SRH* contains administrative information and requirements necessary to implement the project. Subrecipients must administer their grants in accordance with the *SRH* requirements. Failure to comply with these requirements can result in the withholding or termination of the Grant Subaward.

2. Communications (*SRH* 11500)

Projects must maintain a current telephone number and internet access with an e-mail address (*SRH* 2340.1), as well as a current postal address and physical location within the State of California.

3. Progress Reports and Data Collection (*SRH* 10100)

Funded projects are required to participate in data collection and to submit Progress Reports required by the Program. Projects are required to keep accurate records to document the information reported in the Progress Reports. The records must be kept by the project for a period of seven years. During site/monitoring visits, Cal OES will review these records for accuracy and compare them with the reported data submitted on the Progress Reports.

4. Monthly/Quarterly Report of Expenditures and Request for Funds (*SRH* 6310)

Community-based organizations (CBOs) shall submit a monthly Report of Expenditures and Request for Funds (Cal OES 2-201) unless they request a quarterly

reporting period. Government and education agencies receiving funds will be required to report on a quarterly basis. This form is due within 30 calendar days of the end of the reporting period and must be submitted whether or not the project has incurred expenses. Delays in submitting the form Cal OES 2-201 will result in the withholding of funds and may result in the recommendation to Cal OES Director for termination of the Grant Subaward.

5. Programmatic Technical Assistance and Site Visit Performance Assessment (*SRH* 10200-10300)

Funded projects are assigned a Cal OES Program Specialist to oversee the progress of the project in achieving its goals, objectives and compliance with the Grant Subaward. Program Specialists are available to assist the Subrecipient in the successful implementation of the project and in meeting the administrative requirements of the Grant Subaward. New projects should expect a site visit from the assigned Program Specialist within the first six months of the performance period. Follow-up site visits will be conducted periodically throughout the life of the grant. Projects may request a site visit to obtain technical assistance.

6. Monitoring Requirements (*SRH* 10400)

A monitoring visit is an onsite assessment by staff to determine if the project is in compliance with the terms of the Program, the Grant Subaward, the program guidelines (if applicable), the RFA/RFP, and the *SRH*. Projects will be monitored on a random or as-needed basis.

7. Audit Requirements (*SRH* 8100)

To safeguard Cal OES's assets and to ensure that all funds are accounted for, Cal OES requires that organizations receiving a Cal OES Grant Subaward(s) be audited in accordance with the *SRH*.

8. Source Documentation (*SRH* 10111)

Subrecipients will be required to maintain source documentation to support claimed expenditures and project accomplishments. Source documentation is defined as records used to validate project activities and achievements pertaining to the objectives outlined in the Grant Subaward. Subrecipients are to retain source documentation for Progress Reports on a quarterly basis, regardless of submission requirements. Requirements and definitions for program-specific source documentation are delineated in the RFP instructions. Subrecipients will be required to have written job descriptions on file for positions funded by Cal OES detailing specific grant-related activities to achieve project objectives.

9. Fidelity Bond (*SRH 2160*)

Private CBOs and Native American Indian organizations are required to obtain and send to Cal OES a copy of a blanket fidelity bond or equivalent insurance contract applicable to officials and employees of Cal OES-funded projects within 60 days of the signed Grant Subaward. Failure to comply with this requirement may result in the withholding of grant funds or termination of the Grant Subaward. The beneficiary named on the bond or an endorsement must include the “State of California, California Governor’s Office of Emergency Services” and include the Grant Subaward number for identification purposes.

The time period covered by the bond must include the effective date and total time period of the grant, including extensions. The bond must be in an amount equal to 50 percent (50%) of the total Grant Subaward and may have a deductible in an amount not to exceed one percent (1%) of the bond.

A bond is not required of a Subrecipient sponsored by units of government. CBOs sponsored by units of government may submit documentation indicating this in lieu of the bond or insurance contract, unless specifically required terms of the Program or Grant Subaward Conditions.

10. Copyrights, Rights in Data, and Patents (*SRH 5300-5400*)

Cal OES owns rights of and reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, and use, in whole or in part, material produced by activities supported by a Grant Subaward. These ownership rights are detailed in the *SRH*.

D. BUDGET POLICY

This document summarizes information on Cal OES’s Budget Policy contained in the *SRH*. Additional information may be obtained by accessing the *SRH* at [www.caloes.ca.gov](http://www.caloes.ca.gov).

1. Supplanting Prohibited (*SRH 1330*)

Grant funds must be used to supplement existing funds for Program activities and *not replace* funds appropriated for the same purpose. If selected for funding, a written certification must be provided to Cal OES indicating grant funds will not be used to supplant existing funds. Potential supplanting will be the subject of application review, post-award monitoring, and audit.

2. Project Income (*SRH 6610*)

Project income, such as client fees and fees for services provided by the Subrecipient (i.e., training, presentations, etc.), asset forfeitures, profits from the sale of project products, and conference proceeds as the result of a direct trade of time or products

for money must be used to offset or augment the grant, unless otherwise specified in the RFP instructions. Project income cannot be used as matching funds, unless otherwise specified in the RFP instructions.

3. Methods of Contracting and/or Procurement (*SRH 3400*)

In most cases, a competitive bid process is required to purchase equipment or consultant services with grant funds (*SRH 3400 – 3530*).

4. Match Requirements (*SRH 6500*)

The RFP Instructions (Part II) may specify a cash or in-kind match. When used to augment the project, expenditures for items such as Personal Services, Operating Expenses, or Equipment are considered match if not in violation of the prohibition on supplanting. Match must be specified in the budget and will become part of the Grant Subaward. Specific instructions for calculating the match are provided below. There are examples of how to calculate the match requirement in *SRH 6550-6550.2* of the *SRH*.

a. State Funds Matching State or Federal Funds (*SRH 6522*)

State and/or federal funds can be used to match other state and/or federal funds *only* if the following conditions have been met:

- 1) The other funding source does not prohibit this practice
- 2) The funds are to be used for identical activities (e.g., to augment the project)
- 3) The project has obtained prior written approval from Cal OES or the terms of the program allow this practice

b. Type of Match

1) Cash Match (*SRH 6511*)

Cash match, also known as hard match, is often derived from the local funding resources committed to a project such as county general fund revenue, United Way contributions, private donations or profits from fund-raising events. When used to augment the project, cash expenditures for items such as personnel, facilities and supplies may be considered cash match if not in violation of the prohibition on supplanting. A cash match must be specifically identified by line item as match in the budget.

2) In-Kind Match (*SRH 6512*)

In-kind match, also known as soft match, is the project's contribution of non-cash outlay of materials or resources to support a percentage of Cal OES's Grant Subaward activities. It may include non-cash outlay contributed by other public agencies and institutions, private organizations, and individuals. Examples include donated office supplies, equipment, professional services, and volunteer time. In general, the value of in-kind contributions is determined by fair market value, which must be specifically identified by line-item as in-kind match in the budget.

5. Travel Policies

The following is Cal OES's current travel policy:

a. Travel and Per Diem (*SRH 2236*)

The Applicant may prepare the budget using their own travel policy or the State travel policy according to the following guidelines. Travel reimbursement will only be allowed based on actual costs.

1) Units of Government (*SRH 2236.1*)

Units of government may use their own written travel policy or the State policy.

2) Community-Based Organizations (CBOs) (*SRH 2236.22*)

A community-based organization may use the State travel policy or the Applicant's written policy up to the maximum rates allowed by the State travel policy.

3) Out-of-State Travel (*SRH 2236.1.1*)

Out-of-state travel is restricted and only allowed in exceptional situations. Requests for approval for out-of-state travel must be submitted for Cal OES approval.

b. State Travel and Per Diem Policy (*SRH 2236.2*)

Use the following State travel policy for budgeting travel expenses:

1) Meals and Incidentals

a) Breakfast \$7.00

Breakfast may be claimed when travel commences at or prior to 6:00 a.m. Breakfast may be claimed on the last fractional day of a trip of more than 24 hours if travel terminates at or after 8:00 a.m.

b) Lunch \$11.00

Lunch may not be claimed for travel less than 24 hours. Lunch may be claimed if the trip begins at or before 11:00 a.m. and may be claimed on the last fractional day of a trip of more than 24 hours if the travel terminates at or after 2:00 p.m.

c) Dinner \$23.00

Dinner may be claimed if the trip begins at or before 5:00 p.m. Dinner may be claimed when travel terminates at or after 7:00 p.m., whether on a one-day trip or on the last day of a trip of more than 24 hours.

d) Incidentals \$5.00

Incidentals may be claimed for trips of 24 hours or more.

e) Total Per Diem

The maximum is \$46.00 for a 24-hour period.

2) Lodging

The maximum allowed lodging expense is \$90.00 per night, plus applicable taxes, (except as noted below). All lodging rates are per night and receipts are required for reimbursement.

3) Special Lodging Rates

- Statewide (excluding counties identified below): \$90.00, plus tax
- Napa, Riverside, and Sacramento Counties: \$95.00, plus tax
- Marin County: \$110, plus tax
- Los Angeles, Orange, Ventura Counties and Edwards AFB; excluding the City of Santa Monica, \$120.00, plus tax
- Monterey and San Diego Counties: \$125.00, plus tax
- Alameda, San Mateo, and Santa Clara Counties: \$140.00, plus tax

- City of Santa Monica: \$150.00, plus tax
- City & County of San Francisco: \$250.00, plus tax

4) Mileage

When a privately owned vehicle is utilized on project-related business, a maximum of 54.5 cents per mile is allowed, unless a higher rate is justified. Documentation justifying a higher rate must be on file and available for audit, but should not be submitted with the proposal.

5) Other

Taxi, airport shuttle, etc., which exceed \$3.50 must be supported by receipt. Parking in excess of \$10.00 must be supported by receipt.

6. Participating Staff (*SRH 4500*)

The term “participating staff” refers to salaried employees of a participating agency assigned to work with the Subrecipient on the implementation of a project. The agreement between the Subrecipient and the participating agency concerning participating staff must be reflected in the OA. Grant related costs associated with participating staff must be itemized in the Operating Expenses category of the grant budget.

7. Independent Contractor/Consultant (*SRH 3710*)

Independent Contractors/Consultant services are either provided on a contractual or salary basis by individuals or organizations that are not employees of the project. Services provided by a salaried employee of an agency identified in an Operational Agreement (OA) are not considered consultant services (see *SRH 4000*). Independent contractors/consultants must not be used in lieu of employees. If the contract is over \$3,500, the project must hire the independent contractor/consultant through Competitive Bid, or submit a Non-Competitive Bid NB request to Cal OES for prior approval. If less than \$3,500, the project must maintain documentation for justification of the NB contract (see *SRH 3500*).

Independent contractors/consultants are defined as individuals or organizations that meet any of the following criteria:

- Produce a specific product or service
- Work independently without direct supervision from the Applicant
- Work on specific projects
- Provide services for a limited number of hours or period of time
- Have no agency management or oversight responsibilities directed toward the financial success or direction of the agency

There must be a signed, written agreement between the organization and independent contractor/consultant specifying the contract period, compensation rate, duties or obligations, and any other conditions of employment.

a. Rates (*SRH 3710.1*)

The maximum rate for independent contractors/consultants is \$650.00 (excluding travel and per diem costs) for an eight-hour day, or \$81.25 per hour. An eight-hour day may include preparation, evaluation, and travel time in addition to the time required for actual performance. A request for compensation for over \$650 a day, or \$81.25 per hour must have *prior approval* from Cal OES and additional justification.

Exception to Rates (*SRH 3710.1.1*): Compensation to government employees (e.g., federal, state, and local) will be allowed when the unit of government will not provide its services without cost. In these cases, the rate of compensation is not to exceed the daily salary rate paid by the unit of government.

b. Expert Witness Fees (*SRH 3710.2*)

Projects, which routinely utilize “expert witnesses” as independent contractors or consultants to conduct evaluations and provide expert testimony in the courtroom, may budget for this expense. However, the project may only be charged for costs above what the jurisdiction is required to cover. Unless otherwise prohibited, the maximum allowable rate for such witness fees is \$250 per hour, and is not to exceed \$2,000 per day. The total amount budgeted for expert witness fees must not exceed 10% percent of the project’s total budget. Requests for proposed expert witness costs must be accompanied by written justification indicating the following:

- Qualifications, training, and experience of the expert(s), including a statement regarding recognition by the court of the individual as an expert;
- Specialized certification/licensure [e.g., Masters in Social Work (MSW) Licensed Clinical Social Worker (LCSW), Marriage and Family Therapist (MFT); Medical Doctor (MD)]
- Rate of pay per hour including documentation of a survey of the availability of similar consultants, the current “going rate,” and the proposed rate of pay with a cost breakdown if the expert is paid according to services (e.g., mileage, waiting time, court testimony)
- Proposed services to be provided (e.g., analysis of forensic evidence, psychological evaluation)
- Justification why this cost cannot be paid with other funds (attach the justification to Cal OES 2-106a)

8. Facility Rental (*SRH 2232*)

Facility rental costs per square foot must be based on actual rent paid, not to exceed \$21 per square foot annually (\$1.75 per square foot per month). If the rental cost for office space exceeds this rate, it must be consistent with the prevailing rate in the local area. This documentation must be on file and available for audit. Exceptions to the above rates and/or square footage must be approved by Cal OES and requires appropriate justification.

Rental space for training and individual and/or group counseling rooms may also be charged to the grant, providing the charge is based on actual costs and not reimbursed by another source.

9. Rented or Leased Equipment (*SRH 2233*)

An explanation and cost analysis is required when equipment is rented or leased. This analysis must demonstrate that it is more cost-effective to rent or lease the equipment than it is to purchase it, and must be approved by Cal OES prior to the execution of a rental or lease agreement.

10. Indirect Cost Rate Proposal (ICRP) (*SRH 2180 & SRH 2188*)

Indirect costs are shared costs that cannot be directly assigned to a particular activity, but are necessary to the operation of the organization and the performance of the project. The costs of operating and maintaining facilities, accounting services, and administrative salaries are examples of indirect costs.

- a. Subrecipients do not have to budget for indirect costs.
- b. Subrecipients that budget for indirect costs must:
  - Use their approved Indirect Cost Rate (ICR) that has been established by the Subrecipient's cognizant federal agency (Cal OES will not act as a cognizant agency); or
  - Use an amount up to the ten percent (10%) de minimis rate of the Subrecipient's Modified Total Direct Costs (MTDC) base. MTDC includes the cost of salaries, wages and benefits of personnel that work directly on the project, and other operational costs that are directly related to the project. The MTDC base cannot include any distorting costs such as equipment, rent, capital expenditures, or any Subawards, contracts, or consultant beyond the first \$25,000.

Subrecipients, who request Cal OES funds for indirect costs, must provide a method of calculation that shows what direct costs were used to calculate their indirect

budgeted amount. The Subrecipient can then charge up to that budgeted amount on the subaward.

11. Audit Costs (*SRH 8150*)

Subrecipients expending less than \$750,000 in federal funds annually cannot use federal funds to reimburse for costs associated with audits. Subrecipients expending \$750,000 or more in federal grant funds annually are required to secure an audit pursuant to 2 CFR Part 200 Uniform Guidance and are allowed to utilize federal grant funds to budget for the audit costs.

Specifically, the allowable audit costs are as follows:

- If the total project cost is less than or equal to \$150,000, the project may budget up to \$2,000 for the financial audit cost; or
- If the total project cost is greater than \$150,000, the project may budget up to one and a half percent (1.5%) of the total project cost for financial audit costs.

12. Equipment (*SRH 2300*)

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and a cost of \$5,000 or more per unit (excluding tax).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three laser jet printers should be one line item, not three).

a. Allowable Expenses

Equipment used solely for project activities may be budgeted if it is essential to the implementation of the project. Grant funds may not be used to reimburse the Subrecipient for equipment already purchased.

Rented or leased equipment must be budgeted as an Operating Expense. Lease-to-purchase agreements are generally not allowable. If a lease-to-purchase is requested, the project will be required to submit justification, including cost-effectiveness, with the Grant Subaward Forms Package. Prior approval by Cal OES is required.

b. Computers and Automated Equipment (*SRH 2340*)

1) Community-Based Organizations (*SRH 2342.1*)

CBOs may budget for computer equipment, software, and related costs. [Justification](#) will be required if the proposal is selected for funding.

Cal OES will evaluate the proposed purchase on the basis of grant-related need. Prior approval by Cal OES is required.

2) Units of Government (*SRH 2342.2*)

Units of government may budget for computer equipment, software, and related costs. [Justification](#) will be required if the proposal is selected for funding. Cal OES will evaluate the proposed purchase on the basis of grant-related need. Cal OES must give approval prior to purchase.

3) Computer Purchase Justification (*SRH 2341*)

Approval for purchases of computers and automated equipment is contingent on the Applicant's ability to demonstrate cost-effective, project-related need which is best demonstrated by clearly relating each computer system or component to the grant objectives and activities. If selected for funding, the Applicant will be sent instructions for preparing the justification.

c. Automobiles (*SRH 2331*)

If automobiles are allowable pursuant to the terms of the program, projects must provide substantial justification demonstrating the grant-related need. If not previously approved in the initial Grant Subaward, then a justification must be submitted with a Grant Subaward Modification (Cal OES Form 2-223) and include the following information:

- a. Describe the need for a vehicle, including the size of the service area and the need to provide direct service away from the office
- b. Describe the lack of available agency vehicles
- c. Describe the lack of available personal vehicles for which mileage can be charged or a reason why the agency will not allow personal vehicle usage during working hours
- d. Include a cost analysis for the vehicle purchase as compared to other options, including lease and personal vehicle use with mileage.

13. Prohibited Expense Items (*SRH 2240*)

a. Bonuses/Commissions (*SRH 2241*)

Projects are prohibited from paying any bonuses/commissions to any individual, organization, or firm unless specifically authorized by the terms of the Program.

b. Lobbying (*SRH 2242*)

Refer to *SRH 2242.1* for an extensive list of prohibited activities.

c. Fundraising (*SRH 2243*)

Cal OES grant funds cannot be used for organized fundraising including financial campaigns, endowment drives, solicitation of gifts and bequests, or similar expenses incurred solely to raise capital or obtain contributions.

d. Real Property and Improvements (*SRH 2244*)

Real property, including land, land improvements, structures and their attachments, and structural improvements and alterations are not allowable expenditures unless specifically authorized in the RFP instructions.

e. Interest (*SRH 2245*)

The cost of interest payments is only allowable if the cost is a result of a lease/purchase agreement.

f. Charges, Fees, and Penalties (*SRH 2245*)

Finance charges, late payment fees, penalties, and returned check charges are not allowable expenditures.

g. Food and Beverages (*SRH 2246*)

The cost of food and/or beverages at grant-sponsored conferences, meetings, or office functions is not an allowable expenditure.

h. Weapons and Ammunition (*SRH 2247*)

The cost of weapons and/or ammunition of any type is not an allowable expenditure, unless it is part of a governmental negotiated benefit package or is specifically authorized in the RFP instructions.

i. Membership Dues (*SRH 2248*)

The cost of membership dues for projects involved in the licensing or credentialing of professional personnel are not allowable expenditures, unless specifically authorized in the terms of the program.

j. Professional License (*SRH 2248*)

The cost of a professional license is not an allowable expenditure, unless specifically authorized in the terms of the program.

k. Annual Professional Dues or Fees (*SRH 2248*)

The cost of professional dues or fees is not an allowable expenditure, unless it is part of a reasonable negotiated benefit package, or is authorized by the terms of the program.

l. Depreciation (*SRH 2249*)

Depreciation charges are not allowable expenditures.

**GLOSSARY OF TERMS**
