2. Program Components

a. Training

Utilizing established Peace Officers Standards and Training (POST) certified curriculum, the Subrecipient must conduct trainings to multi-agency/ multi-discipline first responders statewide.

The Subrecipient must secure free or low-cost training facilities and/or provide virtual trainings. Specify the number of trainings to be conducted and provide an estimate of the number of training participants anticipated for each training during the Grant Subaward performance period.

An evaluation component must be included for each type of training.

- In-Person Training

The Subrecipient must ensure in-person trainings are equitably distributed throughout the State. Trainings may be conducted regionally or be agency specific.

- Train-the-Trainer (TTT) Training

The Subrecipient must conduct TTT trainings to prepare instructors to train partnering agencies in their jurisdictions and define roles and standards as a DEC trainer for their agency.

- Online Training

The Subrecipient must expand and maintain the online DEC training which incorporates a multi-disciplinary approach, as well as introductory course work for non-law enforcement partners who may not have a background in drug identification.

b. Resources

The Subrecipient must maintain an automated resource library and inventory of materials for reproduction and distribution. The Program will maintain the DEC Resource, Training, and Technical Assistance Center to offer continuing technical assistance to first responders and social service providers. The Subrecipient must make grant-funded trainings and resource materials available online.

## PART II – RFA INSTRUCTIONS

---

- A. SUBRECIPIENT HANDBOOK
  - B. FORMS
  - C. APPLICATION COMPONENTS
  - D. BUDGET POLICIES
  - E. ADMINISTRATIVE REQUIREMENTS
- 

### A. SUBRECIPIENT HANDBOOK

Applicants are strongly encouraged to review the [Subrecipient Handbook \(SRH\)](#). The SRH outlines the terms and conditions that apply to the Cal OES, VS Branch grants and provides helpful information for developing an application, including a Glossary of Terms.

### B. FORMS

The Applicant must use the forms provided on our website. The forms must be printed on plain white 8½" x 11" paper and single sided. **Applicants may not alter the formatting of any forms, including the Project and Budget Narratives. No tables, charts, or changes to the margins are allowed.**

### C. APPLICATION COMPONENTS

Applicants must complete and submit all required components. Specific information for each component is included next. The Checklist in Part III is included to ensure Applicants submit all required components.

#### 1. Grant Subaward Face Sheet (Cal OES 2-101)

The Grant Subaward Face Sheet is the title page of the Grant Subaward that is signed by the Subrecipient and the Cal OES Director (or designee). Instructions are included on the form.

#### 2. Project Contact Information (Cal OES 2-102)

The Project Contact Information form provides Cal OES with all relevant Subrecipient personnel. Information for each individual should be direct contact information. Instructions are included on the form.

3. Signature Authorization (Cal OES 2-103)

The Signature Authorization form provides Cal OES with signatures of authorized signers and who they authorize to sign on their behalf for all grant-related matters. Instructions are included on the form.

4. Certification of Assurance of Compliance (Cal OES 2-104c)

Cal OES is required by law to obtain written certifications of compliance. The Certification of Assurance of Compliance form is a binding affirmation that the Subrecipient will comply with the following regulations and restrictions:

- State and federal civil rights laws
- Drug Free Workplace
- California Environmental Quality Act
- Federal grant fund requirements
- Lobbying restrictions
- Debarment and Suspension requirements
- Proof of Authority documentation from the city council/governing board

Subrecipients may be asked to sign and submit an updated Certification of Assurance of Compliance once in Grant Subaward agreement. Each year, Cal OES updates each Certificate of Assurance of Compliance to ensure that any new conditions placed upon the federal award are passed down to Subrecipients. Subrecipients will be notified if this change is needed.

5. Budget Pages (Cal OES 2-106b)

The Budget demonstrates how the Applicant will implement the proposed plan with the funds available through this Program. The budget is the basis for management, fiscal review, and audit. **Budgets are subject to Cal OES modifications and approval.** Failure of the Applicant to include required budget items does not eliminate responsibility to comply with those requirements during the implementation of the project.

The Budget Pages automatically calculate the subtotal at the end of each budget category and provide the total of the three

spreadsheets at the bottom of the Equipment page. Applicants may add additional columns to the Budget Pages when necessary.

Cal OES requires the Applicant to develop a line-item budget that includes a **calculation and justification in the left column for all expenses.**

The Budget Pages should:

- Cover the entire Grant Subaward performance period
- Include costs related to the objectives and activities of the project
- Strictly adhere to required and prohibited expenses
- Include expenses in the correct category (i.e., Personal Services, Operating Expenses, and Equipment – see below)
- Contain a detailed description of each line item

Include **only** those items covered by grant funds, including match funds, when applicable. Applicants may supplement grant funds with funds from other sources. However, since approved line items are subject to audit, Applicants should not include in the Project Budget matching funds (if applicable) in excess of the required match.

a. Personal Services – Salaries/Employee Benefits

1) Salaries

Personal services include services performed by project staff **directly employed by the Applicant** (not a contract or participating agency) and must be identified by position, cost and time spent on allowable activities for the Program (e.g., Clerical Staff @ \$20/hour x 980 hours; or Victim Advocate @ \$3,500/month x 12 months x .50 FTE). They may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must also be budgeted as a part of salaries. If the Applicant's personnel have accrued sick leave or vacation time prior to the approval of grant funding, they may not take time off using project funds.

2) Benefits

Employee benefits must be identified by type and percentage of salaries. The Applicant may use fixed

percentages of salaries to calculate benefits. Budgeted benefits cannot exceed those already established by the Applicant.

Employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance, and/or pension plans are allowable budget items. Benefits, such as uniforms or California Bar Association dues are allowable budget items if negotiated as a part of an employee benefit package.

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 clerical positions).

b. Operating Expenses

Operating expenses are defined as necessary expenditures other than personal salaries, benefits, and equipment. The expenses must be grant-related (i.e., to further the Program objectives as defined in the Grant Subaward) and be encumbered during the Grant Subaward performance period.

Examples of an Operating Expense line item include, but are not limited to:

- Consultant services such as subcontractors
- Indirect cost allowance
- Salaries of participating staff who are not employed by the Applicant
- Travel
- Office supplies
- Training materials
- Equipment maintenance
- Software equipment rental/lease
- Telephone, postage
- Printing
- Facility rental
- Vehicle maintenance

- Furniture and office equipment with a cost of less than \$5,000 (excluding tax) and/or with a useful life of less than one year

Salaries for staff not directly employed by the Applicant must be shown as consultant and/or participating staff costs and must be supported with a Second Tier Subaward, which must be kept on file and made available for review during audits or at the request of Cal OES (SRH 3710 and 4300).

c. Equipment

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and a cost of \$5,000 or more per unit (excluding tax).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three laser jet printers must be one line item, not three).

6. Budget Narrative (Cal OES 2-107)

A Budget Narrative is not required; however, the Applicant must provide a detailed description of each line item within the Budget Pages.

7. Project Narrative (Cal OES 2-108)

The Project Narrative is the main body of information describing the problem to be addressed, the plan to address the identified problem through appropriate and achievable objectives and activities, and the ability of the Applicant to implement the proposed plan.

a. Problem Statement

A Problem Statement is not required.

b. Plan

In narrative form, please address the following:

- 1) The development and implementation of a needs assessment to determine the location and method of delivery (in-person

or online) of specific trainings to be conducted during the subaward performance period.

- 2) The number of specific trainings to be conducted during the subaward performance period, the estimated number of participants, and the plan for successful implementation.
- 3) Outreach and promotion of the Drug Endangered Children Training courses.
- 4) Analysis of course evaluations for the development of a summary report for Cal OES depicting the effectiveness of the Program and a sustainability plan beyond the subaward performance period.
- 5) Maintenance of a tracking system that captures the number of trainings and technical assistance requests received and conducted.

8. Subrecipient Grants Management Assessment

Per title 2 CFR § 200.331, Cal OES is required to evaluate the risk of noncompliance with federal statutes, regulations, and grant terms and conditions posed by each Subrecipient of pass-through funding. The assessment is made in order to determine and provide an appropriate level of technical assistance, training, and grant oversight to Subrecipients. Instructions are included on the form.

9. Project Service Area Information (Cal OES 2-154)

The Project Service Area Information form identifies the counties, cities, and congressional districts served by the project. Instructions are included on the form.

10. Organizational Chart

The Organizational Chart should clearly depict the structure of the Applicant organization and the specific unit within the organization responsible for the implementation of the project. This chart should also depict supporting units within the organization (e.g., the Accounting Unit) and the lines of authority within the organization. Job titles on the Organizational Chart must match those in the Budget Pages and Budget Narrative.

## 11. Additional Forms/Documents

The following are required only if applicable:

- Non-Competitive Bid Request Checklist (Cal OES 2-156)

This form is required only if the Applicant proposes a line item in their Budget that meets the criteria for a Non-Competitive Bid Request per *SRH 3511*. Instructions are included on the form.

- Contractor/Consultant Rate Exemption Request (Cal OES 2-164)

This form is required only if the Applicant is requesting an exemption to the maximum rate for an independent contractor/consultant of \$650 per eight-hour day or \$81.25 per hour per *SRH 3710.1*. Instructions are included on the form.

- Out-of-State Travel Request (Cal OES 2-158)
