

**GRANT MANAGEMENT MEMORANDUM
GMM 2018-05**

Date: April 26, 2018

To: California Federally Recognized Indian Tribes

From: Cal OES Grants Management

Subject: Fiscal Year (FY) 2017 Emergency Management Performance Grant (EMPG) Tribal Allocation

Cal OES Grants Management is soliciting proposals for the EMPG Tribal Allocation for FY 2017. The purpose of the FY 2017 EMPG Tribal Allocation is to support tribal efforts to prevent, prepare for, mitigate against, respond to, and recover from emergencies and disasters, whether natural or human-caused.

EMPG provides funding to implement projects that enhance all-hazards preparedness and serve to build, sustain, and deliver thirty-two Core Capabilities across the five Mission Areas of the National Preparedness Goal (NPG). These Mission Areas, which are essential to the security and resilience of the nation, are Prevention, Protection, Mitigation, Response, and Recovery. The building, sustainment, and delivery of these Core Capabilities require the combined effort of the whole community, including public, private, and tribal entities.

For FY 2017, \$198,737 is available in the EMPG Tribal Allocation. Applicants may apply for up to the total available allocation. Cal OES rates and ranks the proposals competitively; no applicant is guaranteed funding. The highest ranking applicants will receive funding until all the allocated funding is awarded.

Information and documents for the FY 2017 EMPG Tribal Allocation will be posted on the Emergency Management Performance Grant page on the Cal OES website.

Please submit application documents for the FY 2017 EMPG Tribal Allocation to the following email address NO LATER THAN May 28, 2018: James.Griffith@caloes.ca.gov
