GRANT MANAGEMENT MEMORANDUM
GMM 2022-04

Date: March 15, 2022

To: Eligible Nonprofit Security Grant Program (NSGP) Applicants

From: Cal OES Grants Management

Subject: Preparation for the Fiscal Year (FY) 2022 Nonprofit Security Grant Program (NSGP)

The California Governor's Office of Emergency Services (Cal OES) is encouraging nonprofit organizations to prepare for the release of the FY 2022 Nonprofit Security Grant Program (NSGP), Notice of Funding Opportunity (NOFO) by the Department of Homeland Security/Federal Emergency Management Agency.

We anticipate that the FY 2022 NSGP NOFO and application instructions will be released in the coming weeks. We also anticipate the application timeline to be much shorter than previous years. Upon release of the FY 2022 NSGP NOFO, Cal OES will conduct webinars to provide technical assistance to applicants.

Related application documents should not be submitted to Cal OES at this time. In preparation for the FY 2022 NSGP application, nonprofit organizations are encouraged to prepare the following information:

- **Vulnerability Assessment (VA)**: Identifies the threats, vulnerabilities, and potential consequences related to the specific facility/site. All activities and requested equipment should be directly linked to the VA.
- **Mission Statement**: Validates information in the Investment Justification and to categorizes the facility (ideology-based, education, medical, other).
- **Unique Entity Identifier:** Replaces the DUNS number, and is used for identification and validation of unique identity. Register at SAM.gov.

Questions regarding the NSGP can be directed to the Infrastructure Protection Grants Unit at (916) 845 -8410 or Nonprofit.Security.Grant@caloes.ca.gov
