

GRANT MANAGEMENT MEMORANDUM
GMM 2022-10

Date: September 2, 2022

To: All California Governor's Office of Emergency Services (Cal OES) Emergency Management Performance Grant (EMPG) and Homeland Security Grant Program (HSGP) Subrecipients

From: Cal OES Grants Management

Subject: Fiscal Year (FY) 2022 EMPG and HSGP Workshops

The California Governor's Office of Emergency Services (Cal OES), Grants Management, is pleased to announce the FY 2022 EMPG and HSGP Workshops.

Funding from both EMPG and HSGP assists state, local, and tribal governments in support of the National Preparedness Goal. To ensure funds are spent pursuant to the intent of the grants, Cal OES is conducting workshops to provide Subrecipients with technical assistance and updated programmatic requirements for both FY 2022 EMPG and HSGP.

The workshops will cover topics such as procurement, applications, and changes to the federal and state guidance to help Subrecipients understand the requirements of each grant beyond the fundamentals of grants management. To maximize the benefits of these workshops, EMPG and HSGP Subrecipients are strongly encouraged to attend.

We look forward to your participation at one of the upcoming workshops.
