GMM 2024-16

Date:	October 17, 2024
To:	All California Governor's Office of Emergency Services (Cal OES) Nonprofit Security Grant Program (NSGP) Subrecipients
From:	Cal OES Grants Management
Subject:	Fiscal Year (FY) 2024 NSGP Required Documents Webinars

The California Governor's Office of Emergency Services (Cal OES), Grants Management is pleased to announce the FY 2024 NSGP Required Documents webinars.

NSGP funding is focused on target hardening activities, and to support physical security enhancements and other security-related activities for nonprofit organizations that are at high risk of violent attacks and hate crimes due to ideology, beliefs, and mission.

To ensure funds are spent pursuant to the intent of the grant, Cal OES is conducting webinars to provide FY 2024 NSGP Subrecipients with technical assistance and updated programmatic requirements.

The webinars will cover topics such as new requirements for FY 2024, how to avoid common mistakes, instruction on the required documents submission process, and procurement technical assistance. To maximize the benefits of these workshops, FY 2024 NSGP Subrecipients are strongly encouraged to participate.

We look forward to your participation at one of the upcoming workshops.
