

## GRANT MANAGEMENT MEMORANDUM GMM 2024-19

---

**Date:** November 1, 2024

**To:** All California Governor's Office of Emergency Services (Cal OES) Homeland Security Grant Program (HSGP) and Emergency Management Performance Grant (EMPG) Subrecipients

**From:** Cal OES Grants Management

**Subject:** Clarification on the Simplified Acquisition Threshold

---

This memorandum is to clarify the status of the Simplified Acquisition Threshold (SAT) as discussed during the 2024 HSGP/EMPG webinars.

As of the date of this communication, the SAT **remains at \$250,000** and has not increased to \$500,000, as mentioned in the webinars. This clarification is vital for ensuring compliance with federal procurement regulations, and it is imperative that all Subrecipients adhere to this established threshold in their procurement activities. Any future changes to the threshold will be communicated promptly.

Thank you once again for participating in the 2024 webinars. If you were unable to attend, the presentation is available on the Cal OES website and includes the SAT update referenced in this memorandum. If you have any questions or need further clarification, please don't hesitate to contact your assigned Grants Analyst.
