---

**Date:** October 1, 2026

**To:** FY 2025 Eligible Next Generation Warning System (NGWS) for Early Earthquake Warning (EEW) Grant Program Applicants

**From:** Cal OES Grants Management

**Subject:** Fiscal Year (FY) 2025 NGWS for EEW Competitive Funding Opportunity

---

The California Governor's Office of Emergency Services (Cal OES), Grants Management is soliciting proposals for the NGWS for EEW Grant Program.

### **Purpose**

The purpose of the NGWS EEW Grant Program is to enhance public safety in California by integrating EEW alerts into streaming platforms, internet-connected devices, emerging digital platforms, and other non-traditional communication channels. The Program aims to expand the reach of life-saving emergency alerts by leveraging modern communication technologies and digital ecosystems, ensuring that critical earthquake warnings reach more Californians through the platforms and devices they use every day.

### **Eligibility**

Eligibility for the FY 2025 NGWS for EEW Grant Program is limited to streaming service providers, organizations that represents or supports the streaming ecosystem, or technology providers that have established partnerships with streaming service providers and has the technical capabilities to develop and implement streaming-based earthquake early warning alerts.
