

**GRANTS MANAGEMENT MEMORANDUM
VSB 2020-21**

Date: June 17, 2020

To: Internet Crimes Against Children (IC) Program Subrecipients

From: Cal OES Grants Management, Victim Services Branch

Subject: Fiscal Year 2019-20 – IC Program Funding

Due to historic revenue shortfall and anticipated increased costs related to the COVID-19 pandemic, the May Revision proposes to revert the unencumbered balances associated with the five one-time General Fund legislative investments provided in the 2019 Budget Act, including the IC Program. While the budget process is still in the deliberative process, Cal OES will not be reimbursing 2019 ICAC at this time. Cal OES will notify you once status of funding has been determined. In addition, Cal OES will provide further guidance for any modification that may be necessary.
