VSB 2022-23-3**

Date: October 14, 2022

To: **Campus Sexual Assault (CT) Program Subrecipients**

From: Cal OES Grants Management, Victim Services Branch (VSB)

Subject: Fiscal Year (FY) 2022-23 – Changes to your CT Program Request for Application

On March 11, 2021, President Biden signed into law the American Rescue Plan (ARP) Act of 2021, a \$1.9 trillion economic stimulus bill designed to speed up America's recovery from the economic and health effects of the COVID-19 pandemic. With the passage of this bill, the Family Violence Prevention and Services Act (FVPSA) has received a historic investment for rape crisis centers and sexual assault programs to support sexual assault survivors impacted by the COVID-19 public health emergency. For FVPSA, Section 2204 provides a total of \$198 million of supplemental funding to help rape crisis centers and sexual assault programs continue adapting to meet the emergency needs of sexual assault survivors.

The purpose of the ARP Grants to Support Survivors of Sexual Assault is to 1) assist with the transition to virtual/remote services for rape crisis centers, sexual assault programs, tribal programs, and culturally specific programs that provide crisis services, support services, and assistance to survivors of sexual assault, and 2) support the increased emergency needs of sexual assault survivors as a result of the COVID-19 public health emergency.

In response to the ARP, Cal OES will be augmenting the CT Program in the amount of \$161,917 with FVSA ARP funds. Each CT22 Subrecipient will receive \$23,131.
