1. Source of Funds

Detailed information on all VS Branch federal fund sources can be found in the [VS Branch Federal Fund Information Guide](#). Applicants are **strongly encouraged** to review this document to familiarize themselves with the requirements for all fund sources that support this Program.

The KC Program is supported through the Victims of Crime Act (VOCA) Victim Assistance Formula Grant Program (Formula Grant Program).

- Supports eligible crime victim assistance programs.
- Requires a cash and/or in-kind match equal to 20 percent of the total project cost. Applicants may request a partial or full match waiver. **To request a match waiver, Applicants must submit the VOCA Match Waiver Request form (Attachment A) to the applicable Program Specialist, by email, by December 8, 2020.** All sections of the form must be completed. Answers to questions 9 through 11 must be specific and unique to the Applicant and Program.

- Cal OES's four-character code for this federal fund is VOCA. This code will be in the drop-down on the Grant Subaward Face Sheet (Cal OES 2-101).
- The federal award number is 2019-V2-GX-0053.

2. Funding Amount

Applicants may apply for up to the amount listed in the Fund Chart (Attachment B) for the 12-month Grant Subaward performance period.

Please see Attachment B for the breakdown of the fund source and match.

G. PROGRAM INFORMATION

CACs are child-friendly facilities in which law enforcement, child protection, prosecution, mental health, medical, and victim advocacy professionals work together to protect the emotional needs of child victims.

National Children's Alliance (NCA) is the national association and accrediting body for CACs. NCA sets the standards for accreditation to ensure that all children served by CACs receive consistent, evidence-based interventions that help them heal.

1. Program Description

The purpose of the KC Program is to fund affiliate, developing, and accredited CACs in California that provide services to child abuse and neglect victims to reduce trauma to children and their families by using a multidisciplinary team approach.

2. Program Components

Subrecipients should use funds to enhance the services they provide, increase their capacity to serve more child victims, and work toward NCA Accreditation, if not already accredited. Funds may be used for training, however Subrecipients may not budget more than 10 percent of their total project cost for training and travel related to training.

a. Multidisciplinary Team

A multidisciplinary team for response to child abuse and neglect allegations includes representation from the following:

- Law Enforcement
- Child Protective Services
- Prosecution
- Medical
- Mental Health
- Victim Advocacy
- Children's Advocacy Center

b. Cultural Competency and Diversity

Subrecipients should provide culturally competent services for all victims throughout the duration of the case. Cultural competency is defined as the capacity to function in more than one culture, requiring the ability to appreciate, understand, and interact with members of diverse populations within the local community.

c. Forensic Interviews

Forensic interviews are coordinated to avoid duplicative interviewing and are conducted in a manner that is legally sound and of a neutral, fact finding nature.

d. Victim Support and Advocacy

Children and families in crisis need assistance in navigating the multiple systems involved in the CAC response. Specific victim support services may be provided in a variety of ways, including, but not limited to, the following:

- Employing staff members to perform advocacy function (e.g., family advocates, care coordinators, child life specialists);
- Linking with local community based advocates (e.g., domestic violence advocates, rape crisis counselors, Court Appointed Special Advocates);
- Linking with system based advocates (e.g., law enforcement victim advocates, prosecutor-based victim witness coordinators).

e. Medical Evaluation

All children who are suspected victims of child sexual abuse are entitled to a medical evaluation by a provider with specialized training.

NOTE: VOCA prohibits the use of funds for medical services, but allows for the purchase of medical equipment.

f. Mental Health

Without effective therapeutic intervention, many traumatized children will suffer ongoing or long-term adverse social, emotional, developmental, and health outcomes that may impact them throughout their lifetimes.

g. Case Review

Case review is the formal process that enables the multidisciplinary team to monitor and assess its independent and collective effectiveness so as to ensure the safety and well-being of children and families.

h. Case Tracking

Case tracking systems provide essential demographic information, case information, and intervention outcomes. Effective case tracking systems can enable multidisciplinary team members to accurately inform children and their families of the current status and disposition of their cases.

i. Child-Focused Setting

A CAC requires a separate, child-focused setting that is designed to provide a safe, comfortable, and neutral place where forensic interviews and other CAC services can be appropriately provided for children and their families.

j. Assistance with California Victim Compensation Board Claims

Subrecipients are strongly encouraged to assist victims with applying for compensation benefits through the California Victim

Compensation Board. Activities may include:

- Advising of the availability of such benefits
- Assisting with application forms and understanding procedures
- Obtaining necessary documentation to support the claim
- Monitoring claim status

Subrecipients are also strongly encouraged to budget for tablets or mobile communication devices and cellular service to swiftly facilitate the on-line application process in the office or in the field.

3. Reporting Requirements

Progress Reports serve as a record for the implementation of the project. Statistics for Progress Reports must be collected on a quarterly basis, even when reporting occurs less frequently. The following reports are required:

a. Cal OES Progress Reports

There are two Cal OES Progress Reports required for the Program. See the chart for report periods and due dates.

Report	Report Period	Due Date
1st Report	April 1, 2021 – September 30, 2021	October 29, 2021
Final Report	October 1, 2021 – March 31, 2022	April 29, 2022

b. Office for Victims of Crime (OVC) Reports

There are two, on-line OVC reports Subrecipients will also need to complete:

1) Subgrant Award Report (SAR)

This on-line report is due **within 90 days of the beginning of the performance period**. Cal OES will initiate access and the Subrecipient must complete the remainder of the report in the OVC Performance Measurement Tool.

2) Subgrantee Report

Subrecipients receiving Victims of Crime Act funds must complete this report no later than two weeks following the end of each federal fiscal year quarter. Subrecipients will

report data directly into the OVC PMT database no later than the due dates listed, unless otherwise instructed by your Program Specialist.

Report Period	Due Date*
April 1, 2021 – June 30, 2021	on or about July 14, 2021
July 1, 2021 – September 30, 2021	on or about October 14, 2021

January 1, 2022 – March 31, 2022	on or about April 14, 2022

* Exact due dates will be provided by your Program Specialist at the end of each quarter.

CHILD ADVOCACY CENTER (KC) PROGRAM

PART II – RFA INSTRUCTIONS

- A. SUBRECIPIENT HANDBOOK
 - B. FORMS
 - C. APPLICATION COMPONENTS
 - D. BUDGET POLICIES
 - E. ADMINISTRATIVE REQUIREMENTS
-

A. SUBRECIPIENT HANDBOOK

Applicants are strongly encouraged to review the [Subrecipient Handbook \(SRH\)](#). The SRH outlines the terms and conditions that apply to the Cal OES, VS Branch grants and provides helpful information for developing an application, including a Glossary of Terms.

B. FORMS

The Applicant must use the forms provided on our website. The forms must be printed on plain white 8½" x 11" paper and single sided. **Applicants may not alter the formatting of any forms, including the Project and Budget Narratives. No tables, charts, or changes to the margins are allowed.**

C. APPLICATION COMPONENTS

Applicants must complete and submit all required components. Specific information for each component is included next. The Checklist in Part III is included to ensure Applicants submit all required components.

1. Grant Subaward Face Sheet (Cal OES 2-101)

The Grant Subaward Face Sheet is the title page of the Grant Subaward that is signed by the Subrecipient and the Cal OES Director (or designee). Instructions are included on the form.

2. Project Contact Information (Cal OES 2-102)

The Project Contact Information form provides Cal OES with all relevant Subrecipient personnel. Information for each individual should be direct contact information. Instructions are included on the form.

3. Signature Authorization (Cal OES 2-103)

The Signature Authorization form provides Cal OES with signatures of authorized signers and who they authorize to sign on their behalf for all grant-related matters. Instructions are included on the form.

4. Certification of Assurance of Compliance (Cal OES 2-104f)

Cal OES is required by law to obtain written certifications of compliance. The Certification of Assurance of Compliance form is a binding affirmation that the Subrecipient will comply with the following regulations and restrictions:

- State and federal civil rights laws
- Drug Free Workplace
- California Environmental Quality Act
- Federal grant fund requirements
- Lobbying restrictions
- Debarment and Suspension requirements
- Proof of Authority documentation from the city council/governing board

Subrecipients may be asked to sign and submit an updated Certification of Assurance of Compliance once in Grant Subaward agreement. Each year, Cal OES updates each Certificate of Assurance of Compliance to ensure that any new conditions placed upon the federal award are passed down to Subrecipients. Subrecipients will be notified if this change is needed.

5. Budget Pages (Cal OES 2-106a)

The Budget demonstrates how the Applicant will implement the proposed plan with the funds available through this Program. The budget is the basis for management, fiscal review, and audit. **Budgets are subject to Cal OES modifications and approval.** Failure of the Applicant to include required budget items does not eliminate responsibility to comply with those requirements during the implementation of the project.

The Budget Pages automatically calculate the subtotal at the end of each budget category and provide the total of the three

spreadsheets at the bottom of the Equipment page. Applicants may add additional columns to the Budget Pages when necessary.

Cal OES requires the Applicant to develop a line-item budget that includes a **calculation and justification in the left column for all expenses.**

The Budget Pages should:

- Cover the entire Grant Subaward performance period
- Include costs related to the objectives and activities of the project
- Strictly adhere to required and prohibited expenses
- Include expenses in the correct category (i.e., Personal Services, Operating Expenses, and Equipment – see below)
- Contain a detailed description of each line item

Include **only** those items covered by grant funds, including match funds, when applicable. Applicants may supplement grant funds with funds from other sources. However, since approved line items are subject to audit, Applicants should not include in the Project Budget matching funds (if applicable) in excess of the required match.

a. Personal Services – Salaries/Employee Benefits

1) Salaries

Personal services include services performed by project staff **directly employed by the Applicant** (not a contract or participating agency) and must be identified by position, cost and time spent on allowable activities for the Program (e.g., Clerical Staff @ \$20/hour x 980 hours; or Victim Advocate @ \$3,500/month x 12 months x .50 FTE). They may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must also be budgeted as a part of salaries. If the Applicant's personnel have accrued sick leave or vacation time prior to the approval of grant funding, they may not take time off using project funds.

2) Benefits

Employee benefits must be identified by type and percentage of salaries. The Applicant may use fixed

percentages of salaries to calculate benefits. Budgeted benefits cannot exceed those already established by the Applicant.

Employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance, and/or pension plans are allowable budget items. Benefits, such as uniforms or California Bar Association dues are allowable budget items if negotiated as a part of an employee benefit package.

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 clerical positions).

b. Operating Expenses

Operating expenses are defined as necessary expenditures other than personal salaries, benefits, and equipment. The expenses must be grant-related (i.e., to further the Program objectives as defined in the Grant Subaward) and be encumbered during the Grant Subaward performance period.

Examples of an Operating Expense line item include, but are not limited to:

- Consultant services such as subcontractors
- Indirect cost allowance
- Salaries of participating staff who are not employed by the Applicant
- Travel
- Office supplies
- Training materials
- Equipment maintenance
- Software equipment rental/lease
- Telephone, postage
- Printing
- Facility rental
- Vehicle maintenance

- Furniture and office equipment with a cost of less than \$5,000 (excluding tax) and/or with a useful life of less than one year

Salaries for staff not directly employed by the Applicant must be shown as consultant and/or participating staff costs and must be supported with a Second Tier Subaward, which must be kept on file and made available for review during audits or at the request of Cal OES (SRH 3710 and 4300).

c. Equipment

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and a cost of \$5,000 or more per unit (excluding tax).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three laser jet printers must be one line item, not three).

6. Budget Narrative (Cal OES 2-107)

A Budget Narrative is not required, however, Applicants must provide a detailed description of each line item within the Budget Pages.

7. Project Narrative (Cal OES 2-108)

The Project Narrative is the main body of information describing the problem to be addressed, the plan to address the identified problem through appropriate and achievable objectives and activities, and the ability of the Applicant to implement the proposed plan.

a. Problem Statement

A Problem Statement is not required.

b. Plan

In narrative form, address the following:

- 1) Describe the multidisciplinary team and the plan to increase the effectiveness of the team's response to child abuse/neglect cases.

- 2) The frequency forensic interviews take place at the Subrecipient's CAC and how information is shared with the multidisciplinary team.
- 3) The victim and advocacy services provided by Subrecipient.
- 4) Whether mental health services are provided on site or referred to outside individuals/agencies.
- 5) The frequency of case reviews and how the Subrecipient coordinates the multidisciplinary team for the case reviews.
- 6) How volunteers will be used (VOCA requirement).

8. Subrecipient Grants Management Assessment

Per title 2 CFR § 200.331, Cal OES is required to evaluate the risk of noncompliance with federal statutes, regulations, and grant terms and conditions posed by each Subrecipient of pass-through funding. The assessment is made in order to determine and provide an appropriate level of technical assistance, training, and grant oversight to Subrecipients. Instructions are included on the form.

9. Project Service Area Information (Cal OES 2-154)

The Project Service Area Information form identifies the counties, cities, and congressional districts served by the project. Instructions are included on the form.

10. Organizational Chart

The Organizational Chart should clearly depict the structure of the Applicant organization and the specific unit within the organization responsible for the implementation of the project. This chart should also depict supporting units within the organization (e.g., the Accounting Unit) and the lines of authority within the organization. Job titles on the Organizational Chart must match those in the Budget Pages and Budget Narrative.

11. Additional Forms/Documents
