Proposals must be emailed to VSapplications@caloes.ca.gov by **11:59 pm on Wednesday, May 25, 2022**. Proposals must be attached as a single document (e.g., PDF) and contain the forms outlined in Part II - RFP Instructions. Emails should identify the name of the RFP in the Subject line.

D. ELIGIBILITY

1. Eligibility to Compete for Funding

For a proposal to be eligible to compete for funding (i.e., read and rated) all the following conditions must be met:

- The Applicant must be a Cal OES-funded Rape Crisis (RC) Program Subrecipient.
- The proposal must be submitted per the instructions in C. SUBMISSION DEADLINE AND REQUIREMENTS.

Please Note: proposals that do not meet the above requirements will be disqualified (i.e., ineligible) and not read and rated.

2. Eligibility for Funding Consideration

For a proposal to be considered it must receive a minimum score of 50% of available points on the Rating Sheet (Part IV).

Only one proposal per Applicant will be eligible to receive funding. If an Applicant submits more than one proposal, only the highest scoring proposal, meeting the criteria above, will be considered for funding.

3. Eligibility to Receive Funding

If selected, all the following must be completed within 60 days of receiving the Intent to Fund letter to be eligible to receive funding:

- Applicants must have a DUNS number issued by Dun & Bradstreet. Effective April 4, 2022, Applicants will need a Unique Entity Identifier (Unique Entity ID). Applicants registered in the federal System for Award Management (SAM) have already been assigned a Unique Entity ID and it can be found by logging into SAM.gov. Applicants who do not currently have a DUNS number will need to register at SAM.gov to obtain a Unique Entity ID. Cal OES will accept either a DUNS number or a Unique Entity ID effective immediately, however beginning April 4, 2022, only a Unique Entity ID will be accepted.
- Applicants must not have an exclusion record in the SAM by the beginning of the KA Program Grant Subaward performance

An agency that is debarred or suspended is excluded from activities involving federal financial and nonfinancial assistance and benefits. [Check SAM status.](#)

- Applicants must be registered with the California Department of Justice's Registry of Charitable Trusts with a "current," "exempt," or "pending" status (applies to non-governmental organizations only) [Check nonprofit status.](#)

1. Funding Amount

Applicants may apply for up to \$181,059, for the 12-month Grant Subaward performance period.

Please see the chart for the breakdown of the fund sources (by four-digit code) and match.

G. PROGRAMMATIC INFORMATION

1. Programmatic Description

The purpose of the KA Program is to increase access to appropriate services for victims of sexual assault in detention facilities. For the purposes of this RFP, local detention facilities include adult detention facilities, juvenile detention facilities, and immigration detention facilities. Subrecipients may work with one or more detention facilities in their service area. The KA Program requires each Subrecipient to fund a Sexual Assault Counselor, per Evidence Code 1035.2, to solely focus on serving victims in local detention facilities, and to act as a point of contact for detention facility staff to assist in removing any physical or programmatic barriers to services for victims.

2. Programmatic Components

a. Lead Sexual Assault Advocate

Subrecipients must commit a minimum of one full-time equivalent (FTE) Sexual Assault Counselor, per Evidence Code 1035.2. This can be accomplished using one or more individuals that meet the requirements of the Evidence Code Section.

Subrecipients must designate one individual, from the required FTE, as the Lead Sexual Assault Advocate (Lead Advocate).

The Lead Advocate must:

- Provide direct services to the sexual assault victims in the detention facility(ies) and work as a liaison between the Rape Crisis Center (RCC) and the detention facility(ies). The individual must have adequate training to serve both functions.
- Meet with other advocates responding to the detention facility(ies) on an ongoing basis to discuss concerns and issues around working in detention facilities and ensure all advocates are adhering to best practices and established protocols.

b. Collaboration with local detention facility(ies)

Subrecipients must collaborate with local detention facility(ies) to:

- Secure appropriate clearance levels for RCC staff working in the facility(ies).
- Develop and implement a formal collaboration, the form of a Memorandum of Understanding (MOU), between the RCC and the detention facility(ies). All MOUs must be listed on a Cal OES Operational Agreement Summary Form.
- Develop and implement cross-training for staff of the RCC and the detention facility(ies).

- Develop and implement a plan to increase physical and programmatic access to services for sexual assault victims in detention facility(ies).

c. Training and Technical Assistance

Subrecipients must work with ValorUS to ensure they are adhering to best practices in providing services to victims of sexual assault in detention facilities and navigating the partnership between RCCs and detention facilities. Specifically, Subrecipients must:

- Participate in technical assistance and/or trainings on building internal capacity for working with detention facilities, including advocate safety and the unique challenges to providing services to sexual assault victims in detention facilities.
- Request and utilize the Detention Facility toolkit developed by ValorUS.

d. Direct Services

The Lead Advocate is the primary victim service provider for the detention facility(ies) when possible. However, other sexual assault counselors/sexual assault advocates from the RCC may provide services, as long as they have been specifically trained to provide services to victims in detention facilities. Direct services must include:

- **First Contact/Crisis Intervention Services:** Initial contact with sexual assault victims via in-person, confidential mail, or confidential telephone line.

Advocates must be on call 24-hours a day, for initial in-person response to calls from local detention facility(ies) for sexual assault victims.

- **Follow-Up Services:** On-going victim contact to ensure continuity of services.

Advocates must respond to all communication from sexual assault victims in detention facilities within three days of receipt of notification.

- Accompaniment Services: Supporting sexual assault victims by being physically present during meetings or appointments.

Advocates must provide accompaniment services for sexual assault victims to medical providers, law enforcement agencies, district attorneys' offices, court proceedings, and other agencies or locations as requested by the victim.

- Advocacy Services: Intervening with agencies or individuals on behalf of sexual assault victims.

Advocates must intervene with medical providers, law enforcement, district attorneys, court proceedings, and other agencies as requested by the victim.

e. Accessibility of Services

Subrecipients must address the barriers that victims in detention facilities experience when accessing RCC services, including lack of knowledge about resources, language barriers, social, and cultural challenges.

f. Sexual Assault Response Team (SART)

Subrecipients that have an active SART in their community must be a member and ensure that sexual assault in the local detention facility(ies) is discussed at meetings. The Lead Advocate should attend SART meetings, or at a minimum, another agency representative should be present to provide input from the Lead Advocate.

g. Assistance with California Victim Compensation Board Claims

Subrecipients are strongly encouraged to assist victims with applying for compensation benefits through the California Victim Compensation Board. Activities may include:

- Advising of the availability of such benefits.
- Assisting with application forms and understanding procedures.
- Obtaining necessary documentation to support the claim.

- Monitoring claim status.

Subrecipients are also strongly encouraged to allocate funds for tablets or mobile communication devices and cellular service to swiftly facilitate the on-line application process in the office or in the field.

h. California Victims Legal Resource Center

Subrecipients are strongly encouraged to utilize the California Victims Legal Resource Center (VLRC) when assisting victims.

At the VLRC, Pacific McGeorge School of Law students and attorneys provide victims, their families, and service providers with information about victims' legal rights in the criminal and civil justice systems and provide tailored resource referrals. Upon request, the VLRC provides publications on victims' rights, legal research on victims' rights to service providers, and educational presentations.

Services are free and can be accessed through the VLRC's confidential, toll-free hotline: 1-800-VICTIMS (842-8467), or through the www.1800victims.org website.

i. Operational Agreements

Operational Agreements (OAs) with the local detention facility(ies) the Subrecipient is providing services to is required.

An OA is a formal agreement, without the exchange of money, between an implementing agency and one or more participating agencies (*SRH Section 7.005*).

3. Reporting Requirements

Progress Reports serve as a record for the implementation of the Grant Subaward. Statistics for Progress Reports must be collected on a quarterly basis, even when reporting occurs less frequently. The following reports are required:

a. Cal OES Progress Reports

There are two Progress Reports required for the Program. See the chart below for report periods and due dates.

b. Office for Victims of Crime (OVC) Reports

There are two, on-line OVC reports Subrecipients will also need to complete:

1) Subgrant Award Report (SAR)

This on-line report must be completed by both the Subrecipient and Cal OES within 90 days of the beginning of the performance period. Cal OES will initiate access and the Subrecipient will have **60 days to complete** the remainder of the report in the OVC Performance Measurement Tool. Then, Cal OES will have 30 days to either approve the SAR, or work with the Subrecipient on corrections, and then approve the SAR.

2) Subgrantee Report

Subrecipients receiving Victims of Crime Act funds must complete this report no later than two weeks following the end of each federal fiscal year quarter. Subrecipients will report data directly into the OVC PMT database no later than the due dates listed, unless otherwise instructed by your Program Specialist.

PART II – RFP INSTRUCTIONS

- A. SUBRECIPIENT HANDBOOK
 - B. FORMS
 - C. SPACE LIMITATIONS
 - D. PROPOSAL COMPONENTS
 - E. BUDGET POLICIES
 - F. ADMINISTRATIVE REQUIREMENTS
-

- A. SUBRECIPIENT HANDBOOK

Applicants are strongly encouraged to review the [SRH](#). The SRH outlines the terms and conditions that apply to Cal OES VS Branch Grant Subawards and provides helpful information for developing a proposal, including a Glossary of Terms.

- B. FORMS

Applicants must use the forms provided on our website. The forms must be printed on plain white 8½" x 11" paper and single sided. **Applicants may not alter the formatting of any forms, including the Grant Subaward Programmatic Narrative ([Cal OES Form 2-108](#)) – with a revision date of 4/2021 or later – and the Grant Subaward Budget Narrative ([Cal OES Form 2-107](#)) – with a revision date of 4/2021 or later. Using older versions of these forms may result in a reduction of points in the rating process.**

Additionally, tables and charts will be redacted, not read and rated, and will count against the total text that can be read. Including tables and charts may result in a reduction of points in the rating process.

- C. SPACE LIMITATIONS

If a space limitation is specified under the Programmatic Narrative section, strict adherence to the space limitation is required. **Information included beyond the space limitation and/or unrequested attachments will not be considered in the rating process.**

- D. PROPOSAL COMPONENTS

Applicants must complete and submit all required forms. All forms have written instructions. General information regarding each form is below. The

Checklist in Part V is included to ensure Applicants submit all required components.

1. Grant Subaward Face Sheet (Cal OES Form 2-101)

This form is the title page of the Grant Subaward that is signed by the Official Designee (*SRH Section 3.030*) and the Cal OES Director (or designee).

2. Grant Subaward Contact Information (Cal OES Form 2-102)

This form provides Cal OES with contact information for all relevant Subrecipient personnel. Information for each individual should be direct contact information.

3. Grant Subaward Signature Authorization (Cal OES Form 2-103)

This form provides Cal OES with signatures of authorized signers and who they authorize to sign on their behalf for all Grant Subaward-related matters.

4. Grant Subaward Certification of Assurance of Compliance & VOCA Federal Fund Grant Subaward Assurances (Cal OES Forms 2-104 & 2-109a)

These forms are a binding affirmation that the Subrecipient will comply with all of the following regulations and restrictions:

- State and federal civil rights laws
- Drug Free Workplace
- California Environmental Quality Act
- Federal grant fund requirements
- Lobbying restrictions
- Debarment and Suspension requirements
- Proof of Authority documentation from the city council/governing board

Subrecipients may be asked to sign and submit an updated VOCA Federal Fund Grant Subaward Assurances (Cal OES Form 2-109a) once in Grant Subaward. Every year, Cal OES updates the VOCA Federal Fund Grant Subaward Assurances (Cal OES Form 2-109a) to ensure that any new conditions placed upon the federal

award are passed down to Subrecipients. Subrecipients will be notified if this change is needed.

5. Grant Subaward Budget Pages (Cal OES Form 2-106a)

This form demonstrates how the Applicant will implement the proposed plan with the funds available through this Program. This is the basis for management, fiscal review, and audit. **Grant Subaward Budget Pages (Cal OES Form 2-106a) are subject to Cal OES modifications and approval.** Failure of the Applicant to include required items does not eliminate responsibility to comply with those requirements during the implementation of the Grant Subaward.

The Grant Subaward Budget Pages (Cal OES Form 2-106a) automatically calculate the subtotal at the end of each budget category and provide the total of the three spreadsheets at the bottom of the Equipment Costs page. Applicants may add additional columns to the Grant Subaward Budget Pages (Cal OES Form 2-106a) when necessary.

Cal OES requires the Applicant to develop a line-item budget that includes a **calculation and justification in the left column for all expenses.**

The Grant Subaward Budget Pages (Cal OES Form 2-106a) should:

- Cover the entire Grant Subaward performance period;
- Include costs related to the objectives and activities of the Grant Subaward;
- Strict adherence to required and prohibited expenses; and
- Include costs in the correct category (i.e., Personnel Costs, Operating Costs, and Equipment Costs – see below).

Include **only** those items covered by Grant Subaward funds, including match funds, when applicable. Applicants may supplement Grant Subaward funds with funds from other sources. However, since approved line items are subject to audit, Applicants should not include matching funds (if applicable) in excess of the required match on the Grant Subaward Budget Pages (Cal OES Form 2-106a).

a. Personnel Costs – Salaries/Employee Benefits

1) Salaries

Personnel includes Grant Subaward services performed by Grant Subaward staff **directly employed by the Applicant** (not a contract or Participating Agency) and must be identified by position, cost and time spent on allowable activities for the Grant Subaward (e.g., Clerical Staff @ \$20/hour x 980 hours; or Victim Advocate @ \$1,500/month x 12 months x .50 FTE). Personnel may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must also be budgeted as a part of salaries. If the Applicant's personnel have accrued sick leave or vacation time prior to the approval of the Grant Subaward, they may not take time off using Grant Subaward funds.

2) Benefits

Employee benefits must be identified by type and percentage of salaries. The Applicant may use fixed percentages of salaries to calculate benefits. Allocated benefits cannot exceed those already established by the Applicant.

Employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance, and/or pension plans are allowable. Benefits, such as uniforms or California Bar Association dues, are allowable budget items if negotiated as a part of an employee benefit package.

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 clerical positions).

Additional information on Personnel Expenses can be found in *SRH Part 3*.

Operating costs are defined as necessary expenditures other than personnel salaries, benefits, and equipment. The costs must be Grant Subaward-related (i.e., to further the Program objectives as defined in the Grant Subaward) and be encumbered during the Grant Subaward performance period.

- Software
- Training materials
- Travel and per diem (*SRH Section 4.065*)

Additional information on Operating Expenses can be found in *SRH Part 4*.

c. Equipment Costs

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and a cost of \$5,000 or more per unit (excluding tax).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three copy machines must be one line item, not three).

A. SELECTION OF PROPOSAL FOR FUNDING

1. Proposal Rating

Eligible proposals received by the deadline are generally evaluated by a three-member team. The rater scores are averaged and then ranked numerically. Proposals are only evaluated numerically; no notes are taken during the evaluation. The Rating Sheet used for this process is included in Part IV of this RFP and is for informational purposes only.

2. Funding Decision

A proposal must receive a minimum score of 50% of available points on the Rating Sheet to be considered for funding.

Final funding decisions are made by the Director of Cal OES. Funding decisions are based on all of the following:

- The ranked score of the proposal
- Consideration of priorities or geographical distribution specific to this RFP
- Prior negative administrative and programmatic performance, if applicable

Subrecipients previously funded by Cal OES will be reviewed for poor past compliance, including fiscal management, progress and annual reports, audit reports, and other relevant documentation or information. This review may result in one or more of the following actions:

- The Subrecipient may not be selected for funding
- The amount of funding may be reduced
- Grant Subaward Conditions may be placed on the Grant Subaward

3. Notification Process

All Applicants will be notified in writing, via electronic communication, of the results of the rating process. The notification will be sent only to the Official Designee (the person authorized to sign the Grant Subaward Face Sheet).

Applicants will receive one of the following:

- Letter of Intent to Fund if selected for funding
- Letter of Denial if not selected for funding, including the Applicant's scores and information regarding the appeal process
- Letter of Ineligibility:
 - If the proposal did not meet Eligibility to Compete for Funding (Part 1, D.), including information regarding the appeal process; or
 - If the proposal scored less than the required 50% of available points possible, including the Applicant's scores and information regarding the appeal process.

Cal OES can only respond to technical questions about the RFP during the period between the RFP release date and completion of the RFP process. Requests for records must be made through a Public Records Act request at PRA@caloes.ca.gov.

B. FINALIZING THE GRANT SUBAWARD

1. Grant Subaward Application

Once selected for funding, Cal OES may require revisions and/or additional documentation to finalize the Grant Subaward Application package. The Program Specialist identified in the Applicant's Intent to Fund Letter can provide technical assistance in completing these components.

2. Grant Subaward

A copy of the executed Grant Subaward and pertinent attachments will be sent to the Grant Subaward Director. The Applicant is not authorized to incur costs against the grant until a copy of the fully

executed Grant Subaward is received. When the executed Grant Subaward is received, a Report of Expenditures and Request for Funds (Cal OES Form 2-201) may be submitted for reimbursement.

a. Grant Subaward Conditions

Cal OES may add conditions to the Grant Subaward in order to execute the Grant Subaward. If conditions are added, these will be discussed with the Subrecipient and a copy of the conditions will be sent to the Subrecipient when the conditions are made part of the Grant Subaward.

b. Grant Subaward Amounts

When the amount of funds available is limited, Cal OES may reduce the amount of the Grant Subaward from the amount requested by the Applicant. In addition, Cal OES reserves the right to negotiate budgetary changes with the Applicant prior to executing the Grant Subaward. If either of these actions is required, Cal OES will notify the Applicant prior to executing the Grant Subaward.

3. Standard Grant Subaward Funding Authority

Allocation of funds is contingent on the enactment of the State Budget.

Cal OES does not have the authority to disburse funds until the State Budget is passed, and the Grant Subaward is fully executed. Expenditures incurred prior to authorization are made at the Subrecipient's own risk and may be disallowed. Cal OES employees are not able to authorize an Applicant to incur expenses or financial obligations prior to the execution of a Grant Subaward. However, once the Grant Subaward is finalized the Subrecipient may claim reimbursement for expenses incurred on, or subsequent to, the start of the Grant Subaward performance period.

If, during the term of the Grant Subaward, the state and/or federal funds appropriated for the purposes of the Grant Subaward are reduced or eliminated by the California Legislature or the United States Government, or in the event revenues are not collected at the level appropriated, Cal OES may immediately terminate or reduce the Grant Subaward by written notice to the Subrecipient.

Cal OES Grant Subawards are subject to applicable restrictions, limitations, or conditions enacted by the California Legislature and/or the United States Government, subsequent to the execution of the Grant Subaward.
