PART I - OVERVIEW

A. PROGRAM OVERVIEW

The Fiscal Year (FY) 2022-2023 California Budget allocated $50,000,000 for the CSNSGP. This is a competitive Program; therefore, scoring criteria have been established and funding will be awarded to the top-scoring applications until all allocated funding is awarded. Applicants are not guaranteed funding.

B. PROGRAM OBJECTIVES

The purpose of the CSNSGP is to provide funding support for physical security enhancements and other security-related activities to nonprofit organizations that are at high risk for violent attacks and hate crimes due to ideology, beliefs, or mission. The CSNSGP seeks to integrate the preparedness activities of nonprofit organizations with broader state and local preparedness efforts. The CSNSGP also promotes emergency preparedness coordination and collaboration activities between public and private community representatives as well as state and local government agencies.

C. ELIGIBILITY INFORMATION

Eligible Applicants (Subrecipients)
California nonprofit organizations that are described under Section 501(c)(3) of the Internal Revenue Code of 1986 (IRC) and exempt from tax under Section 501(a) of such code. Please reference additional guidance regarding beneficiary eligibility under the “Beneficiary of the CSNSGP” section.
Maximum Amount of Proposal Submissions
Each nonprofit organization may submit up to three proposals, and each proposal must address a different physical location. Nonprofit organizations can request up to $200,000 per location for a total of $600,000. The number of submissions and amount of funding requested may not exceed these limits.

Beneficiary of the CSNSGP
Beneficiaries of CSNSGP funds must be 501(c)(3) nonprofit organizations. For-profits or fundraising extensions of nonprofits are not eligible. While these fundraising extensions may be associated with the nonprofit organization, CSNSGP funds must be utilized to improve the safety and security of 501(c)(3) nonprofit organizations.

Nonprofits that cohabitate facilities
There are some nonprofit organizations that share the same building. In these cases, only one nonprofit organization can apply for CSNSGP funding. The safety and security enhancements can benefit those that cohabitate or share the same building as the nonprofit organization.

D. AWARD INFORMATION

Total Amount Available for Solicitation: $47,500,000
Maximum Allowed per Applicant: $200,000
Period of Performance: January 1, 2023 – December 31, 2024
Cost Share or Match Requirement: Cost Share or Match NOT Required

E. CONTACT INFORMATION

Questions concerning this RFP, the Proposal process, or programmatic issues can be submitted via e-mail to:

Infrastructure Protection Grants Unit II
CSNSGP@caloes.ca.gov

Cal OES can only respond to technical questions about the RFP during the period of time between the publication date and completion of the RFP process. Requests for records must be made through a Public Records Act request at PRA@caloes.ca.gov.
F. PROJECT ACTIVITY GUIDELINES

Proposals will be considered by Cal OES for eligibility based on the evaluation criteria identified in Part III. Allowable categories of cost under the CSNSGP are Planning, Equipment, Training, Construction/Renovation, and Contracted Security. The following is a brief description of examples of costs associated with each of these categories:

Planning
Funding may be used for security or emergency planning expenses, continuity of operations plan, and other planning activities, including the materials required to conduct planning activities. Planning must be related to the protection of the facility and the people within the facility and should include those with access and functional needs, as well as those with limited English proficiency. Examples of planning activities allowable under this Program include:

- Development and enhancement of security plans and protocols;
- Emergency contingency plans; and
- Evacuation/Shelter-in-place plans.

Equipment
Allowable costs are focused on target hardening and physical security enhancements. Funding can be used for the acquisition and installation of security equipment on real property (including buildings and improvements) owned or leased by the nonprofit organization, specifically in the prevention of and/or protection against the risk of a terrorist attack. Examples of equipment allowable under this Program include:

- Physical security enhancement equipment, including, but not limited to reinforced doors and gates, and high-intensity lighting and alarms;
- Inspection and screening systems, and access control;
- Any other security enhancement consistent with the purpose of the CSNSGP.
Training
Funding may be used for training-related costs. Training activities using CSNSGP funds must address a specific threat and/or vulnerability, as identified in the application. Examples of training costs allowable under this Program include:

- Attendance fees for the training; and
- Related expenses such as materials, supplies, and/or equipment.

No personnel costs, such as overtime and backfill costs, associated with attending training courses are allowable. Travel costs are not eligible.

Construction or Renovation
Construction or Renovation is allowed under this Program. Construction or Renovation activities should be done in support of the target hardening activities and is limited to fifteen percent of the total grant. (Equipment installation is not considered construction or renovation). All Construction or Renovation activities must comply with applicable federal, state, and local laws and regulations.

Contracted Security
Contracted security personnel are allowed under this Program. The Applicant must be able to sustain this capability in future years without CSNSGP funding. CSNSGP funds may not be used to purchase equipment for contracted security. Funding for contracted security cannot exceed fifty percent of the amount requested.

Management and Administration (M&A)
Applicants that receive a subaward under this Program may use and expend up to five percent of their funds for M&A activities. This cost consists of hiring full-time or part-time staff or contractors/consultants.

G. SPECIAL CONSIDERATIONS

Sustainability
Grant funds are intended to supplement existing fiscal resources and are not guaranteed long-term sustainability solutions. Projects funded under this grant opportunity are expected to be reasonably sustained after the end of the period of performance without the expectation to receive future grant funds.
Changes to Scope of Work
CSNSGP awardees are selected through a competitive Proposal process. Projects are rated and ranked based on the proposal as submitted. Therefore, any changes to the scope of work are not permitted. The expectation is for each Applicant to thoroughly plan out the entire process of each proposed project, from project conception to completion. Funds remaining at the end of the period of performance will be disencumbered and returned to Cal OES.

Extension Requests
Subrecipients are expected to complete all grant-funded activities by the end of the period of performance. Any costs incurred outside of the period of performance will be unallowable under the Grant Subaward. Extensions to the period of performance identified in the subaward will be extremely limited and will only be considered through formal, written requests with specific, reasonable, and compelling justifications that warrant an extension.
A. PROPOSAL DUE DATE AND SUBMISSION INSTRUCTIONS

The Application Form and Vulnerability Assessment (VA) Worksheet, must be emailed to CSNSGP@caloes.ca.gov, no later than 5:00 pm (PDT) Friday, October 28, 2022. Only electronic submissions will be accepted. Proposals submitted after this time/date will not be considered. Proposals must be submitted using the following file naming convention:

FY 2022_CSNSGP_Application_OrganizationName
FY 2022_CSNSGP_VAWorksheet_OrganizationName

Applicants are encouraged to apply only for the amount of funding necessary to safeguard their facility.

B. PROPOSAL COMPONENTS

Applicant’s Proposal MUST include at the time of submission: a fully completed Application Form and VA Worksheet. Incomplete proposals will not be considered.

1. Application Form that includes:
   - Applicant Information
   - Background
   - Risk
   - Target Hardening
   - Milestones
   - Impact
   - Funding History

2. VA Worksheet:
   - Defines, identifies, and prioritizes vulnerabilities of the organizational structure.
CALIFORNIA STATE NONPROFIT SECURITY GRANT PROGRAM

- Provides the organization with mitigation options of what equipment to procure in order to make the organization more secure.
- The VA must be completed by a person with a security, emergency services, military, or law enforcement background.
- If a VA has been previously completed, information from the previous VA must be transferred to the VA Worksheet and submitted at the time of application.

Eligible proposals received by the submission deadline will be read, evaluated, and scored by a panel to determine which interested Applicants will be selected to continue in the subaward application process.

It is very important to note that Cal OES staff cannot assist in the creation of the documents. Cal OES staff may only provide clarification on the questions presented in the Application Form.

Applicants should check the box on the bottom of the last page if they are willing to accept less than the full amount requested based on scoring and fund availability. If the box is not checked, partial funding may not be given in the event that full funding is not available for the project. Applicants who are willing to accept less than the requested amount must also identify the minimum amount in grant funding they would be willing to accept.

*Grant applications are subject to the California Public Records Act, Government Code Section 6250 et seq. Do not put any personally identifiable information or private information on this application. If you believe that any of the information you are putting on this application is exempt from the Public Records Act, please attach a separate statement that indicates what portions of the application and the basis for the exemption. Your statement that the information is not subject to the Public Records Act will not guarantee that the information will not be disclosed.

Ten bonus points will be awarded to nonprofit organizations that have not received prior federal Nonprofit Security Grant Program (NSGP) or CSNSGP funding in the past.

Points may be deducted during the rating process based on negative past performance under a prior CSNSGP or NSGP award (i.e. funds disencumbered, failure to submit required documents).

Cal OES will review and approve projects which meet the criteria based on the scoring system established for this Program. All projects must be completed within the period of performance. All applicable CSNSGP guidelines and policies remain in effect for the grant.
B. EVALUATION CRITERIA DEFINED

The CSNSGP application includes:

**Section I. Applicant Information (Not Scored)**

- **Legal Name of the Organization**: This is the name on the 501(c)(3) Letter of Determination or exact name registered with the Secretary of State’s Office.
- **Physical Address of the Project(s) Location**: Indicate the address of the project location.
- **Mailing Address, if different**: Indicate the Applicant’s administrative office address, if different from project location.
- **Contact Information**: Email address, website address, primary and secondary points of contact.
- **Organization Type**: Short description of organization’s ideology, beliefs, and mission.
- **501(c)(3) status**: Indicate if the Applicant’s organization is a federally-recognized nonprofit or is a nonprofit eligible organization.
- **Funding Request**: Up to a maximum of $200,000 can be requested.
- **Primary Organization Type**: Select from the drop-down menu.
- **Organization’s Primary Affiliation**: Select from the drop-down menu.

**Section II. Background Information (2 Possible Points)**

- Describe the symbolic value of the site as a highly-recognized national or historical institution or significant institution within the community that renders the site as a possible target of violent attacks or hate crimes due to ideology, beliefs, or mission.
- Describe any previous or existing role in responding to or recovering from violent attacks or hate crimes due to ideology, beliefs, or mission.

**Section III. Risk (12 Possible Points)**

- **Threat**: Applicant should discuss the identification and substantiation of specific threats or attacks against the nonprofit organization.
- **Vulnerabilities**: Applicant should discuss the organization’s susceptibility to destruction, incapacitation, or exploitation.
- **Potential Consequences**: Applicant should discuss potential negative effects on the organization’s asset, system, and/or network if damaged, destroyed, or disrupted by a terrorist.
Section IV. Target Hardening (14 Possible Points)

Describe each proposed activity or investment and the identified threat or vulnerability that it addresses as well as the associated cost for each activity or investment. Allowable costs are focused on target hardening activities as well as planning-related costs, contracted security personnel, and security-related training courses and programs limited to the protection of critical infrastructure key resources, including physical and cyber security, target hardening, and terrorism awareness/employee preparedness. Funding can also be used for the acquisition and installation of security equipment on real property.

Section V. Milestones (4 Possible Points)

Provide a description and associated grant activities that lead to the milestone event. Start dates should reflect the start of the associated grant activities and end dates should reflect when the milestone event will be completed.

Section VI. Impact (5 Possible Points)

Explain how the organization/facility will be safer at the end of the FY 2022 CSNSGP period of performance.

Funding History

If the nonprofit organization has received NSGP or CSNSGP funding in the past, provide the fund source, funding year, and total funding received. Ten bonus points will be awarded to nonprofit organizations that have never received prior NSGP or CSNSGP funding.

C. FUNDING RECOMMENDATION

Final funding decisions are made by the Director of Cal OES. Funding recommendations are based on the following:

- The ranked score of the application
- Consideration of funding priorities
- Prior negative administrative and programmatic performance, if applicable
Projects previously funded by Cal OES will be reviewed for past compliance, including fiscal management, progress and annual reports, audit reports, and other relevant documentation or information. This review may result in one or more of the following actions:

- The project may not be selected for funding.
- The amount of funding may be reduced.
- Grant Subaward Special Conditions may be included in the Grant Subaward.

D. NOTIFICATION PROCESS

Applicants will be notified of the results of the rating process in writing. Applicants not selected for funding will receive a notification letter containing their average score and information on the appeal process.

E. APPEAL OF DECISION

Applicants are entitled to appeal the denial of funding pursuant to the Cal OES Appeal Guidelines for Competitive Funding. A copy of these guidelines will be included with the denial of funding letter.

F. POST AWARD REQUIREMENTS

Applicants identified for funding must submit all required documentation listed in the FY 2022 CSNSGP State Guidance and attend a Required Documents Workshop or Webinar. Failure to submit the required documents by the deadline may result in Cal OES reallocating the funding to the next Applicant on the list and the award will be terminated.

All grant funds must be expended by the end of the Grant Subaward period of performance, and final reimbursements must be submitted to Cal OES within twenty calendar days of the grant expiration date.
