Failure of the Applicant to include required items does not eliminate responsibility to comply with those requirements during the implementation of the Grant Subaward.

The Grant Subaward Budget Pages ([Cal OES Form 2-106b](#)) automatically calculate the subtotal at the end of each budget category and provide the total of the three spreadsheets at the bottom of the Equipment Costs page. PART III – SELECTION AND FINALIZING THE GRANT SUBAWARD

- A. PUBLIC RECORDS ACT NOTICE
 - B. SELECTION OF PROPOSAL FOR FUNDING
 - C. FINALIZING THE GRANT SUBAWARD
-

A. PUBLIC RECORDS ACT NOTICE

Proposals are subject to the California Public Records Act, Government Code Section 7920.000, *et seq.* **Do not put any personally identifiable information or private information on this proposal.** If you believe that any of the information you are putting on this proposal is exempt from the Public Records Act (e.g., facility vulnerabilities, security enhancements, information that may prove a risk to the health and safety of patients), please indicate what portions of the proposal and the basis for the exemption. Your statement that the information is not subject to the Public Records Act will not guarantee that the information will not be disclosed. Cal OES carefully reviews all records prior to any production for content exempt from the Public Records Act.

B. SELECTION OF PROPOSAL FOR FUNDING

1. Proposal Rating

Eligible proposals received by the deadline will be evaluated by a four-member team. The rater scores are averaged and then ranked numerically. Proposals are evaluated numerically; no notes are taken during the evaluation. The Rating Sheet used for this process is included in Part IV of this RFP and is for informational purposes only.

2. Funding Decision

A proposal must receive a minimum score of 50% of available points on the Rating Sheet to be considered for funding.

Final funding recommendations are approved by the Chief Deputy Director of HCAI, and final funding decisions are made by the Director of Cal OES. Funding decisions are based on the following:

- The ranked score of the proposal;
- Consideration of priorities or geographical distribution specific to this RFP; and

- Any prior negative administrative or programmatic performance, if applicable.

Subrecipients previously funded by Cal OES will be reviewed for poor past compliance, including fiscal management, progress and annual reports, audit reports, and other relevant documentation or information. This review may result in one or more of the following actions:

- The Subrecipient may not be selected for funding;
- The amount of funding may be reduced; and/or
- Grant Subaward Conditions may be placed on the Grant Subaward.

3. Notification Process

All Applicants will be notified in writing, via electronic communication, of the results of the rating process. The notification will be sent only to the Official Designee (the person authorized to sign the Grant Subaward Face Sheet).

Applicants will receive one of the following:

- Letter of Intent to Fund if selected for funding.
- Letter of Denial if not selected for funding, including the Applicant's scores and information regarding the appeal process.
- Letter of Ineligibility:
 - If the proposal did not meet Eligibility to Compete for Funding (Part 1,D.), including information regarding the appeal process; or
 - If the proposal scored less than the required 50% of points possible, including the Applicant's scores and information regarding the appeal process.

Cal OES can only respond to technical questions about the RFP during the period of time between the RFP release date and completion of the RFP process. Requests for records must be made through a Public Records Act request at PRA@caloes.ca.gov.

C. FINALIZING THE GRANT SUBAWARD

1. Grant Subaward Application

Once selected for funding, Cal OES may require revisions and/or additional documentation to finalize the Grant Subaward Application package. The Program Specialist identified in the Applicant's Intent to Fund Letter can provide technical assistance in completing these components.

2. Grant Subaward

A copy of the executed Grant Subaward and pertinent attachments will be sent to the Grant Subaward Director. The Applicant is not authorized to incur costs against the grant until a copy of the fully executed Grant Subaward is received. When the executed Grant Subaward is received, a Report of Expenditures and Request for Funds (Cal OES Form 2-201) may be submitted for reimbursement.

a. Grant Subaward Conditions

Cal OES may add conditions to the Grant Subaward in order to execute the Grant Subaward. If conditions are added, these will be discussed with the Subrecipient, and a copy of the conditions will be sent to the Subrecipient when the conditions are made part of the Grant Subaward.

b. Grant Subaward Amounts

When the amount of funds available is limited, Cal OES may reduce the amount of the Grant Subaward from the amount requested by the Applicant. In addition, Cal OES reserves the right to negotiate budgetary changes with the Applicant prior to executing the Grant Subaward. If either of these actions is necessary, Cal OES will notify the Applicant prior to executing the Grant Subaward.

3. Standard Grant Subaward Funding Authority

Cal OES does not have the authority to disburse funds until the Grant Subaward is fully executed. Expenditures incurred prior to authorization are made at the Subrecipient's own risk and may be disallowed. Cal OES employees are not able to authorize an Applicant to incur expenses or financial obligations prior to the execution of a Grant Subaward. However, once the Grant Subaward is finalized the

Subrecipient may claim reimbursement for expenses incurred on, or subsequent to, the start of the Grant Subaward performance period.

If, during the term of the Grant Subaward, the state funds appropriated for the purposes of the Grant Subaward are reduced or eliminated by the California State Legislature, Cal OES may immediately terminate or reduce the Grant Subaward by written notice to the Subrecipient.

Cal OES Grant Subawards are subject to applicable restrictions, limitations, or conditions enacted by the California State Legislature, after the execution of the Grant Subaward.
