- A. SUBRECIPIENT HANDBOOK
  - B. FORMS
  - C. SPACE LIMITATIONS
  - D. PROPOSAL COMPONENTS
  - E. BUDGET POLICIES
  - F. ADMINISTRATIVE REQUIREMENTS
- 

### A. SUBRECIPIENT HANDBOOK

Applicants are strongly encouraged to review the [SRH](#). The SRH outlines the terms and conditions that apply to Cal OES' Grant Subawards and provides helpful information for developing a proposal, including a Glossary of Terms.

### B. FORMS

Applicants must use the forms provided on our website. The forms must be printed on plain white 8½" x 11" paper and single sided. **Applicants may not alter the formatting of any forms, including the Grant Subaward Programmatic Narrative (Cal OES Form 2-108) and the Grant Subaward Budget Narrative (Cal OES Form 2-107). No tables, charts, or changes to the margins are allowed.**

### C. SPACE LIMITATIONS

If a space limitation is specified under the Programmatic Narrative section, strict adherence to the space limitation is required. **Information included beyond the space limitation and/or unrequested attachments will not be considered in the rating process.**

### D. PROPOSAL COMPONENTS

Applicants must complete and submit all required forms. All forms have written instructions. General information regarding each form is below. The Checklist in Part V is included to ensure Applicants submit all required components.

1. Grant Subaward Face Sheet (Cal OES Form 2-101)

This form is the title page of the Grant Subaward that is signed by the Official Designee (*SRH Section 3.030*) and the Cal OES Director (or designee).

2. Grant Subaward Contact Information (Cal OES Form 2-102)

This form provides Cal OES with contact information for all relevant Subrecipient personnel. Information for each individual should be direct contact information.

3. Grant Subaward Signature Authorization (Cal OES Form 2-103)

This form provides Cal OES with signatures of authorized signers and who they authorize to sign on their behalf for all Grant Subaward-related matters.

4. Grant Subaward Certification of Assurance of Compliance Assurances (Cal OES Forms 2-104)

These forms are a binding affirmation that the Subrecipient will comply with the following regulations and restrictions:

- State and federal civil rights laws;
- Drug Free Workplace;
- California Environmental Quality Act;
- Federal grant fund requirements;
- Lobbying restrictions;
- Debarment and Suspension requirements; and
- Proof of Authority documentation from the city council/governing board.

Subrecipients may be asked to sign and submit an updated Grant Subaward Certification of Assurances of Compliance (Cal OES Form 2-104) once in Grant Subaward. Every year, Cal OES updates each Grant Subaward Certificate of Assurances of Compliance (Cal OES Form 2-104) to ensure that any new conditions placed upon the federal award are passed down to Subrecipients. Subrecipients will be notified if this change is needed.

5. Grant Subaward Budget Pages (Cal OES Form 2-106b)

This form demonstrates how the Applicant will implement the proposed plan with the funds available through the LX Program. This is the basis for management, fiscal review, and audit. **Grant Subaward Budget Pages (Cal OES Form 2-106b) are subject to Cal OES modifications and approval.** Failure of the Applicant to include required items does not eliminate responsibility to comply with those requirements during the implementation of the Grant Subaward.

The Grant Subaward Budget Pages (Cal OES Form 2-106b) automatically calculate the subtotal at the end of each budget category and provide the total of the three spreadsheets at the bottom of the Equipment Costs page. Applicants may add additional columns to the Grant Subaward Budget Pages (Cal OES Form 2-106b) when necessary.

Cal OES requires the Applicant to develop a line-item budget that includes a **calculation and justification in the left column for all expenses.**

The Budget Pages should:

- Cover the entire Grant Subaward performance period;
- Include costs related to the objectives and activities of the Grant Subaward;
- Strict adherence to required and prohibited expenses; and
- Include costs in the correct category (i.e., Personnel Costs, Operating Costs, and Equipment Costs – see below).

Include **only** those items covered by Grant Subaward funds. Applicants may supplement Grant Subaward funds with funds from other sources. However, since approved line items are subject to audit, Applicants should not include matching funds (if applicable) in excess of the required match on the Grant Subaward Budget Pages (Cal OES Form 2-106b).

a. Personnel Costs – Salaries/Employee Benefits

1) Salaries

Personnel includes Grant Subaward services performed by Grant Subaward staff **directly employed by the Applicant**

(not a contract or Participating Agency) and must be identified by position, cost and time spent on allowable activities for the Grant Subaward (e.g., Clerical Staff @ \$20/hour x 980 hours; or Victim Advocate @ \$1,500/month x 12 months x .50 FTE). Personnel may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must also be budgeted as a part of salaries. If the Applicant's personnel have accrued sick leave or vacation time prior to the approval of the Grant Subaward, they may not take time off using Grant Subaward funds.

2) Benefits

Employee benefits must be identified by type and percentage of salaries. The Applicant may use fixed percentages of salaries to calculate benefits. Allocated benefits cannot exceed those already established by the Applicant.

Employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance, and/or pension plans are allowable. Benefits, such as uniforms or California Bar Association dues, are allowable budget items if negotiated as a part of an employee benefit package.

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 clerical positions).

Additional information on Personnel Expenses can be found in *SRH Part 3*.

b. Operating Costs

Operating costs are defined as necessary expenditures other than personnel salaries, benefits, and equipment. The costs must be Grant Subaward-related (i.e., to further the Program objectives as

defined in the Grant Subaward) and be encumbered during the Grant Subaward performance period.

Examples of common operating costs include, but are not limited to:

- Computers with an acquisition cost of \$4,999 or less;
- Computer equipment rentals;
- Consultant services (*SRH Section 6.050*);
- Equipment service and maintenance agreements;
- Financial Assistance for clients (*SRH Section 4.040*);
- Furniture and office equipment with an acquisition cost of \$4,999 or less;
- Indirect costs (*SRH Section 4.045*);
- Insurance (e.g., vehicle, fire, bonding, theft, malpractice, and liability);
- Internet access;
- Office supplies;
- Office rental space (*SRH Section 4.055*);
- Postage;
- Printing;
- Second-Tier Subawards (*SRH Section 7.010*);
- Software;
- Training materials;
- Travel and per diem (*SRH Section 4.065*);
- Utilities; and
- Vehicle maintenance.

Additional information on Operating Expenses can be found in *SRH Part 4*.

c. Equipment Costs

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and a cost of \$5,000 or more per unit (excluding tax).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three copy machines must be one line item, not three).

Additional information on Equipment Costs can be found in *SRH Part 5*.

6. Grant Subaward Budget Narrative (Cal OES Form 2-107) – Maximum One Page

The Budget Narrative should describe the following:

- a. How the proposed budget supports the objectives and activities.
  - b. How funds are allocated to minimize administrative costs and support direct services.
  - c. How shared costs are allocated.
  - d. How Grant Subaward-funded staff duties and time commitments support the proposed objectives and activities.
  - e. The necessity for subcontracts and unusual costs.
  - f. Need for mid-year salary range adjustments.
7. Grant Subaward Programmatic Narrative (Cal OES Form 2-108) – Maximum Five Pages. Resumes and samples of work are the exceptions to this requirement.

This form is the main body of information describing the problem to be addressed, the plan to address the identified problem through appropriate and achievable objectives and activities, and the ability of the Applicant to implement the proposed plan.

- 5) Offer initial advice to ensure that this is a successful campaign that demonstrates your expertise as a project manager of a major campaign.

8. Subrecipient Grants Management Assessment

Per title 2 CFR § 200.331, Cal OES is required to evaluate the risk of noncompliance with federal statutes, regulations, and terms and conditions posed by each Subrecipient of pass-through funding. The assessment is made in order to determine and provide an appropriate level of technical assistance, training, and oversight to Subrecipients.

9. Grant Subaward Service Area Information (Cal OES Form 2-154)

This form identifies the counties, cities, and congressional districts served by the Grant Subaward.

## PART III – SELECTION AND FINALIZING THE GRANT SUBAWARD

---

- A. SELECTION OF PROPOSAL FOR FUNDING
  - B. FINALIZING THE GRANT SUBAWARD
- 

### A. SELECTION OF PROPOSAL FOR FUNDING

#### 1. Proposal Rating

Eligible proposals received by the deadline are generally evaluated by a three-member team. The rater scores are averaged and then ranked numerically. Proposals are only evaluated numerically; no notes are taken during the evaluation. The Rating Sheet used for this process is included in Part IV of this RFP and is for informational purposes only.

#### 2. Funding Decision

A proposal must receive a minimum score of 50% of available points on the Rating Sheet to be considered for funding.

Final funding decisions are made by the Director of Cal OES. Funding decisions are based on the following:

- The ranked score of the proposal;
- Consideration of priorities or geographical distribution specific to this RFP; and
- Prior negative administrative and programmatic performance, if applicable.

Subrecipients previously funded by Cal OES will be reviewed for poor past compliance, including fiscal management, progress and annual reports, audit reports, and other relevant documentation or information. This review may result in one or more of the following actions:

- The Subrecipient may not be selected for funding;
- The amount of funding may be reduced; and
- Grant Subaward Conditions may be placed on the Grant Subaward.

### 3. Notification Process

All Applicants will be notified in writing, via electronic communication, of the results of the rating process. The notification will be sent only to the Official Designee (the person authorized to sign the Grant Subaward Face Sheet).

Applicants will receive one of the following:

- Letter of Congratulation to Applicants selected for funding;
- Letter of Denial to Applicants not selected for funding, including the Applicant's scores and information regarding the appeal process; or
- Letter of Ineligibility:
  - to Applicants whose proposals were not read and rated, including information regarding the appeal process; and
  - to Applicants who scored less than the required 50% of points possible, including the Applicant's scores and information regarding the appeal process.

Cal OES can only respond to technical questions about the RFP during the period of time between the RFP release date and completion of the RFP process. Requests for records must be made through a Public Records Act request at [PRA@caloes.ca.gov](mailto:PRA@caloes.ca.gov).

## B. FINALIZING THE GRANT SUBAWARD

### 1. Grant Subaward Application

Once selected for funding, Cal OES may require additional documentation to finalize the Grant Subaward Application package. The Program Specialist identified in your Award Letter can provide technical assistance in completing these components.

### 2. Grant Subaward

A copy of the executed Grant Subaward and pertinent attachments will be sent to the Grant Subaward Director. The Applicant is not authorized to incur costs against the grant until a copy of the fully executed Grant Subaward is received. When the executed Grant Subaward is received, a Report of Expenditures and Request for Funds (Cal OES Form 2-201) may be submitted for reimbursement.

a. Grant Subaward Conditions

Cal OES may add conditions to the Grant Subaward in order to execute the Grant Subaward. If conditions are added, these will be discussed with the Subrecipient and a copy of the conditions will be sent to the Subrecipient when the conditions are made part of the Grant Subaward.

b. Grant Subaward Amounts

When the amount of funds available is limited, Cal OES may reduce the amount of the Grant Subaward from the amount requested by the Applicant. In addition, Cal OES reserves the right to negotiate budgetary changes with the Applicant prior to executing the Grant Subaward. If either of these actions is required, Cal OES will notify the Applicant prior to executing the Grant Subaward.

3. Standard Grant Subaward Funding Authority

Cal OES does not have the authority to disburse funds until the State Budget is passed, and the Grant Subaward is fully executed. Expenditures incurred prior to authorization are made at the Subrecipient's own risk and may be disallowed. Cal OES employees are not able to authorize an Applicant to incur expenses or financial obligations prior to the execution of a Grant Subaward. However, once the Grant Subaward is finalized the Subrecipient may claim reimbursement for expenses incurred on, or subsequent to, the start of the Grant Subaward performance period.

If, during the term of the Grant Subaward, the state and/or federal funds appropriated for the purposes of the Grant Subaward are reduced or eliminated by the California Legislature or the United States Government, or in the event revenues are not collected at the level appropriated, Cal OES may immediately terminate or reduce the Grant Subaward by written notice to the Subrecipient.

Cal OES Grant Subawards are subject to applicable restrictions, limitations, or conditions enacted by the California Legislature and/or the United States Government, subsequent to the execution of the Grant Subaward.
