### G. PROGRAMMATIC INFORMATION

#### 1. Background Information/Program Description

Restorative justice in the form of mediation or reconciliation between offenders and victims/survivors has been utilized since the 1970s. There is not a shared understanding of how to implement a restorative justice process within the victim service(s) field, the criminal justice system, and specifically within the prosecutorial process. Restorative justice includes a broad range of activities and normally involves both the criminal justice system and non-governmental partners.

Per the United States Office of Justice Programs (OJP), restorative justice is "a process whereby parties with a stake in a specific offense resolve collectively how to deal with the aftermath of the offense and its implications for the future." OJP further describes the process as an approach that "creates opportunities for empowerment of crime victims to identify their own needs and requirements for justice" and provides "those who have harmed an opportunity to take action to repair the harm caused by criminal behavior."

For prosecutors, restorative justice may be seen as a tool to empower victims/survivors, seek the best justice for victims/survivors of crime, and lessen prosecutorial caseloads. Restorative justice is not appropriate for all criminal cases. The safety of the victim/survivor and the community must always be considered. Additionally, both the victim/survivor and offender must choose this process; it cannot be mandatory.

Restorative justice is most commonly used in the juvenile justice system. The RJ Program would train prosecutors, criminal justice system personnel, and allied victim service providers to use the restorative justice process safely and effectively for the prosecution of criminal cases of sexual assault and domestic violence where the victim/survivor is 11 years of age or older.

The purpose of the RJ Program is to establish expertise in victim/survivor-centered restorative justice prosecutorial best practices

Personnel may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must also be allocated as a part of salaries. If the Applicant's personnel have accrued sick leave or vacation time prior to the approval of the Grant Subaward, they may not take time off using Grant Subaward funds.

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 FTE clerical positions).

### PART III – SELECTION AND FINALIZING THE GRANT SUBAWARD

---

- A. SELECTION OF PROPOSAL FOR FUNDING
  - B. FINALIZING THE GRANT SUBAWARD
- 

#### A. SELECTION OF PROPOSAL FOR FUNDING

##### 1. Proposal Rating

Eligible proposals received by the deadline are generally evaluated by a three-member team. The rater scores are averaged and then ranked numerically. Proposals are only evaluated numerically; no notes are taken during the evaluation. The Rating Sheet used for this process is included in Part IV of this RFP and is for informational purposes only.

##### 2. Funding Decision

A proposal must receive a minimum score of 50% of available points on the Rating Sheet to be considered for funding.

Final funding decisions are made by the Director of Cal OES. Funding decisions are based on the following:

- The ranked score of the proposal.
- Consideration of priorities or geographical distribution specific to this RFP.
- Prior negative administrative and programmatic performance, if applicable.

Subrecipients previously funded by Cal OES will be reviewed for poor past compliance, including fiscal management, progress and annual reports, audit reports, and other relevant documentation or information. This review may result in one or more of the following actions:

- The Subrecipient may not be selected for funding.
- The amount of funding may be reduced.
- Grant Subaward Conditions may be placed on the Grant Subaward.

##### 3. Notification Process

All Applicants will be notified in writing, via electronic communication, of the results of the rating process. The notification will be sent only to

the Official Designee (the person authorized to sign the Grant Subaward Face Sheet).

Applicants will receive one of the following:

- Letter of Intent to Fund if selected for funding.
- Letter of Denial if not selected for funding, including the Applicant's scores and information regarding the appeal process.
- Letter of Ineligibility:
  - If the proposal did not meet Eligibility to Compete for Funding (Part 1, D.), including information regarding the appeal process; or
  - If the proposal scored less than the required 50% of points possible, including the Applicant's scores and information regarding the appeal process.

Cal OES can only respond to technical questions about the RFP during the period of time between the RFP release date and completion of the RFP process. Requests for records must be made through a Public Records Act request at [PRA@caloes.ca.gov](mailto:PRA@caloes.ca.gov).

### **B. FINALIZING THE GRANT SUBAWARD**

#### **1. Grant Subaward Application**

Once selected for funding, Cal OES may require revisions and/or additional documentation to finalize the Grant Subaward Application package. The Program Specialist identified in the Applicant's Intent to Fund Letter can provide technical assistance in completing these components.

#### **2. Grant Subaward**

A copy of the executed Grant Subaward and pertinent attachments will be sent to the Grant Subaward Director. The Applicant is not authorized to incur costs against the Grant Subaward until a copy of the fully executed Grant Subaward is received. When the executed Grant Subaward is received, a Report of Expenditures and Request for Funds (Cal OES Form 2-201) may be submitted for reimbursement.

a. Grant Subaward Conditions

Cal OES may add conditions to the Grant Subaward in order to execute the Grant Subaward. If conditions are added, these will be discussed with the Subrecipient, and a copy of the conditions will be sent to the Subrecipient when the conditions are made part of the Grant Subaward.

b. Grant Subaward Amounts

When the amount of funds available is limited, Cal OES may reduce the amount of the Grant Subaward from the amount requested by the Applicant. In addition, Cal OES reserves the right to negotiate budgetary changes with the Applicant prior to executing the Grant Subaward. If either of these actions is required, Cal OES will notify the Applicant prior to executing the Grant Subaward.

3. Standard Grant Subaward Funding Authority

**Allocation of funds is contingent on the enactment of the State Budget.**

Cal OES does not have the authority to disburse funds until the State Budget is passed, and the Grant Subaward is fully executed. Expenditures incurred prior to authorization are made at the Subrecipient's own risk and may be disallowed. Cal OES employees are not able to authorize an Applicant to incur expenses or financial obligations prior to the execution of a Grant Subaward. However, once the Grant Subaward is finalized the Subrecipient may claim reimbursement for expenses incurred on, or subsequent to, the start of the Grant Subaward performance period.

If, during the term of the Grant Subaward performance period, the state and/or federal funds appropriated for the purposes of the Grant Subaward are reduced or eliminated by the California Legislature or the United States Government, or in the event revenues are not collected at the level appropriated, Cal OES may immediately terminate or reduce the Grant Subaward by written notice to the Subrecipient.

Cal OES Grant Subawards are subject to applicable restrictions, limitations, or conditions enacted by the California Legislature and/or the United States Government, subsequent to the execution of the Grant Subaward.
