

## Grant Subaward Budget Narrative

Grant Subaward #: \_\_\_\_\_

Subrecipient: \_\_\_\_\_

6. Budget Narrative – Each item in the budget is designed to directly support the recruiting, training and, when necessary, deployment of CERT volunteers.

- Projector and Projector with Speakers – used for Basic and advanced CERT training. It is outdoor capable to reduce costs of renting training venues.
- CERT Pocket Guides and Laminated Training Guide – this is used during training and deployment to refresh CERTs memories as to skills they have learned and must use. They are in Spanish and English (100).
- CPR/AED and First Aid additional training/certification by Red Cross or American Heart – This is the cost per student (100) of this additional certification and training.
- OneCallNow Alert & Notification Subscription – this is how we communicate and deploy during incidents – The system is in English and Spanish and sends text, e-mail and voice message in both languages and has a response capability to register receipt or whether the person is volunteering for duty.
- First Responder EMT \$300 stipend for a full day of training in Medical Operations (10 full day class sessions)
- Teen CERT recruiting brochures and posters in Spanish and English to recruit candidates.

All purchases will be re-priced before being made to ensure competitive pricing. This will be done by the CERT Program Manager under the general direction of the Fire District Administrator. There are no full-time staff assigned to these duties as they will be done by the CERT Program Manager. There are vendors who have been asked to provide preliminary quotes but there are no vendor relationships that are binding. Each item will be competitively procured.
