Proposals must be emailed to VSapplications@caloes.ca.gov by 11:59 pm on Friday, June 10, 2022. Proposals must be attached as a single document (e.g., PDF) and contain the forms outlined in Part II - RFP Instructions. Emails should identify the name of the RFP in the Subject line.
D. ELIGIBILITY

1. Eligibility to Compete for Funding

For a proposal to be eligible to compete for funding (i.e., read and rated) all the following conditions must be met:

- The Applicant can be a governmental or non-governmental entity.

- The proposal must be submitted per the instructions in C. SUBMISSION DEADLINE AND REQUIREMENTS.

Please Note: proposals that do not meet the above requirements will be disqualified (i.e., ineligible) and not read and rated.

2. Eligibility for Funding Consideration

For a proposal to be considered it must receive a minimum score of 50% of available points on the Rating Sheet (Part IV).

Only one proposal per Applicant will be eligible to receive funding. If an Applicant submits more than one proposal, only the highest scoring proposal, meeting the criteria above, will be considered for funding.

3. Eligibility to Receive Funding

If selected, all the following must be completed within 60 days of receiving the Intent to Fund letter to be eligible to receive funding. Applicants:

- Must have a Unique Entity Identifier (Unique Entity ID) registered in the federal System for Award Management (SAM). Applicants who do not currently have a Unique Entity ID will need to register at SAM.gov to obtain one.

- Must not have an exclusion record in the SAM. An exclusion record in the SAM indicates that a contractor (agency) is listed in the (federal) government-wide system for debarment and suspension. An agency that is debarred or suspended is excluded from activities involving federal financial and nonfinancial assistance and benefits. Check SAM status.
• Must be registered with the California Department of Justice’s Registry of Charitable Trusts with a “current,” “exempt,” or “pending” status (applies to non-governmental organizations only)
  [Check nonprofit status.]

G. PROGRAMMATIC INFORMATION

1. Background Information

The XD Program is modeled after the Washington State Domestic Violence Housing First Program; an evidence-based form of rapid rehousing adapted to move and rehouse victims of domestic violence, who are experiencing homelessness, into permanent housing quickly and provide ongoing tailored services. Evidence shows, once victims are in stable housing the issues that may have contributed to their homelessness can best be addressed, thereby eradicating housing as a reason to stay in an abusive relationship.

Since 2017, California has implemented the Housing First Model as defined in Welfare and Institutions (W&I) Code Section 8255 to address the prevalence of homelessness in California. The Housing First Model is an approach to connect individuals and families experiencing homelessness quickly and successfully to permanent housing without preconditions and barriers to entry, such as sobriety, treatment, or service participation requirements.

2. Programmatic Description

The purpose of the XD Program is to provide victims of domestic violence with safe, permanent housing and ongoing, supportive services tailored to address the individual needs of each victim. Supportive services may include, but are not limited to, transportation subsidies, financial assistance, career training, employment assistance,
legal assistance, counseling, childcare, and temporary rental assistance.

Additionally, the XD Program will provide flexible, trauma-informed advocacy for victims and their families that addresses victims’ unique and evolving safety needs, and allows victims to choose how to best rebuild their lives.

3. Programmatic Components

Subrecipients must emphasize client choice through collaborative decision making when implementing the below Programmatic Components for the XD Program:

a. Housing Assistance

Subrecipients must assist victims with accessing safe and stable housing for up to 24 months. Subrecipients must meet with victims to determine their housing needs and present a realistic range of options to assist in the housing search process and advocate on their behalf. This can include accompanying victims to housing appointments, acting as a liaison with landlords, and negotiating leases. Subrecipients must reasonably meet the housing needs of clients while maintaining a staffing team that is suitably equipped to execute all program components. Where permanent housing cannot be secured upon completion of the XD Program, survivors should be referred to the local Continuum of Care and the Coordinated Entry System.

b. Community Engagement

Subrecipients must provide outreach and education to landlords and housing authorities, many of whom may view victims as high-risk tenants. In addition, Subrecipients must also provide outreach and education to key stakeholders such as city government, housing councils, and other homeless/housing programs regarding the dynamics of domestic violence, victims’ safety needs, and the need for safe and permanent housing. Subrecipients must develop relationships with other entities to assist victims (e.g., legal assistance providers, law enforcement, employment agencies, Child Protective Services, etc.).
c. Survivor-Driven Advocacy

Subrecipients must provide advocacy that focuses on addressing the needs identified by victims of domestic violence and tailor services to meet the unique needs of each victim. Subrecipients must be able to help address a range of service needs that may fall outside the scope of traditional domestic violence services, including flexible and mobile services where services can be provided to victims where it is safe and convenient.

Situationally, victims will have different levels of circumstance and need:

- Low: needs may include paying one month of rent, installing new locks, catching up on utilities, or providing temporary childcare for the victim.
- Medium: needs may include those services identified under the Low category, as well as connecting clients with other services (support groups, counseling, etc.).
- High: needs may include those services identified under the Low and Medium categories, as well as long-term planning with an advocate to obtain housing, improve their financial situation, etc.

d. Supportive Services

Subrecipients must provide supportive services while victims of domestic violence participate in the XD Program. Supportive services may include, but are not limited to, transportation subsidies, financial assistance, career training, employment assistance, legal assistance, counseling, childcare, and temporary rental assistance.

Subrecipients cannot require participation in supportive services for victims of domestic violence to have access to housing. Subrecipients may not impose restrictive conditions to receive services.

Supportive Services may be provided directly by the Subrecipient, and/or through the development and implementation of written
Operational Agreements (OAs) and/or Second-Tier Subawards with victim service providers in the Subrecipient’s service area.

e. Accessibility of Services

Subrecipients must address the barriers victims of domestic violence experience when accessing housing and supportive services, including lack of knowledge about resources, language barriers, social and cultural challenges, and accessibility for victims with disabilities. Subrecipients will ensure victims are provided with resources that allow them to access the full range of direct and supportive services.

f. Follow-up Services

Subrecipients must provide follow-up supportive services for a minimum of three months after a victim of domestic violence has secured permanent housing. Follow-up services should be limited to: advocacy, support groups, case management, minimal financial assistance (e.g., security deposits, first month’s rent, or childcare) when a survivor is establishing permanent housing.

g. Staffing

Subrecipients must maintain a staffing team that is suitably equipped to execute all program components. In addition, Subrecipients must:

1. Employ a minimum of one Fulltime Equivalent (FTE) advocate as a Domestic Violence Counselor pursuant to Evidence Code §1037.1(a)(1). Multiple part-time advocates may also be utilized if their total time is equal to or greater than one FTE. The advocate(s) must:

   • Have at least two years of experience providing domestic violence services.

   • Meet the requirements of a “Domestic Violence Counselor” pursuant to Evidence Code §1037.1(a)(1).

   • Have experience collaborating with community partners to assist victims of domestic violence to achieve safety, stability, and independence.
2. Employ a minimum of a half-time FTE (0.5 FTE) advocate as a Housing Coordinator. Multiple part-time advocates may also be utilized if their total time is equal to or greater than 0.5 FTE. The advocate(s) must:

- Serve as the voice of the XD Program and coordinate the implementation of all services related to the program.
- Work to establish and expand access to a range of housing options that meet the needs of victims of domestic violence experiencing homelessness.
- Conduct community outreach and referrals.
- Act as the liaison between the XD Program and landlords.

h. Evidence Code

Subrecipients must ensure all staff and volunteers working directly with victims of domestic violence and their children meet the requirements of a Domestic Violence Counselor per Evidence Code §1037.1(a)(1) within the first six months of the Grant Subaward performance period.

The training must be supervised by a Domestic Violence Counselor with at least one year of experience counseling victims of domestic violence and include the following training topics:

- History of domestic violence
- Civil and criminal law as it relates to domestic violence, the domestic violence victim-counselor privilege, and other laws that protect the confidentiality of victim records and information
- Societal attitudes towards domestic violence
- Peer counseling techniques
- Housing, public assistance, and other financial resources available to meet the financial needs of victims of domestic violence
- Referral services available to victims of domestic violence
i. Documentation

Subrecipients must attach a copy of the corresponding training course agenda to each certificate of completion issued. The certificates and agenda shall be maintained in the staff/volunteer personnel file for each domestic violence counselor providing direct services to victims.

j. Assistance with California Victim Compensation Board Claims

Subrecipients are strongly encouraged to assist victims with applying for compensation benefits through the California Victim Compensation Board. Activities may include:

- Advising of the availability of such benefits
- Assisting with application forms and understanding procedures
- Obtaining necessary documentation to support the claim
- Monitoring claim status

Subrecipients are also strongly encouraged to allocate funds for tablets or mobile communication devices and cellular service to swiftly facilitate the on-line application process in the office or in the field.

k. California Victims Resource Center

Subrecipients are strongly encouraged to utilize the California Victims Resource Center (CVRC) when assisting victims.

At the CVRC, Pacific McGeorge School of Law students and attorneys provide victims, their families, and service providers with information about victims’ legal rights in the criminal and civil justice systems and provide tailored resource referrals. Upon request, the CVRC provides publications on victims’ rights, legal research on victims’ rights to service providers, and educational presentations. Services are free and can be accessed through the CVRC’s confidential, toll-free hotline: 1-800-VICTIMS (842-8467), or through the www.1800victims.org website.
I. Operational Agreements/Second-Tier Subawards

Subrecipients are required to enter into at least three OAs or Second-Tier Subawards with participating agencies that will expand the XD Program’s scope of services and assist in the implementation of their Grant Subawards, such as:

- Victim service providers
- Housing and homeless organizations
- Job training organizations
- Legal services agencies
- Underserved population-specific organizations

An OA is a formal agreement, without the exchange of money, between an implementing agency and one or more participating agencies (SRH Section 7.005). A Second-Tier Subaward is a formal agreement that includes the exchange of money between an implementing agency and a participating agency to further the goals of the Grant Subaward (SRH Section 7.010).

4. Reporting Requirements

Progress Reports serve as a record for the implementation of the Grant Subaward. Statistics for Progress Reports must be collected on a quarterly basis, even when reporting occurs less frequently. The following reports are required:

a. Cal OES Progress Reports

There are two Progress Reports required for the Program. See the chart below for report periods and due dates.

Cal OES will initiate access and the Subrecipient will have 60 days to complete the remainder of the report in the OVC Performance Measurement Tool. PART II – RFP INSTRUCTIONS

A. SUBRECIPIENT HANDBOOK

Applicants are strongly encouraged to review the SRH. The SRH outlines the terms and conditions that apply to Cal OES VS Branch Grant Subawards and provides helpful information for developing a proposal, including a Glossary of Terms.

B. FORMS

Applicants must use the forms provided on our website. The forms must be printed on plain white 8½" x 11" paper and single sided. Applicants may not alter the formatting of any forms, including the Grant Subaward Programmatic Narrative (Cal OES Form 2-108) – with a revision date of 4/2021 or later – and the Grant Subaward Budget Narrative (Cal OES Form 2-107) – with a revision date of 4/2021 or later. Using older versions of these forms may result in a reduction of points in the rating process.

Additionally, tables and charts will be redacted, not read and rated, and will count against the total text that can be read. Including tables and charts may result in a reduction of points in the rating process.

C. SPACE LIMITATIONS

If a space limitation is specified under the Programmatic Narrative section, strict adherence to the space limitation is required. Information included beyond the space limitation and/or unrequested attachments will not be considered in the rating process.

D. PROPOSAL COMPONENTS

Applicants must complete and submit all required forms. All forms have written instructions. General information regarding each form is below. The
Checklist in Part V is included to ensure Applicants submit all required components.

1. **Grant Subaward Face Sheet (Cal OES Form 2-101)**

   This form is the title page of the Grant Subaward that is signed by the Official Designee (SRH Section 3.030) and the Cal OES Director (or designee).

2. **Grant Subaward Contact Information (Cal OES Form 2-102)**

   This form provides Cal OES with contact information for all relevant Subrecipient personnel. Information for each individual should be direct contact information.

3. **Grant Subaward Signature Authorization (Cal OES Form 2-103)**

   This form provides Cal OES with signatures of authorized signers and who they authorize to sign on their behalf for all Grant Subaward-related matters.

4. **Grant Subaward Certification of Assurance of Compliance & VOCA Federal Fund Grant Subaward Assurances (Cal OES Forms 2-104 & 2-109a)**

   These forms are a binding affirmation that the Subrecipient will comply with all of the following regulations and restrictions:

   - State and federal civil rights laws
   - Drug Free Workplace
   - California Environmental Quality Act
   - Federal grant fund requirements
   - Lobbying restrictions
   - Debarment and Suspension requirements
   - Proof of Authority documentation from the city council/governing board

Subrecipients may be asked to sign and submit an updated VOCA Federal Fund Grant Subaward Assurances (Cal OES Form 2-109a) once in Grant Subaward. Every year, Cal OES updates the VOCA Federal Fund Grant Subaward Assurances (Cal OES Form 2-109a) to ensure that any new conditions placed upon the federal
award are passed down to Subrecipients. Subrecipients will be notified if this change is needed.

5. Grant Subaward Budget Pages (Cal OES Form 2-106a)

This form demonstrates how the Applicant will implement the proposed plan with the funds available through this Program. This is the basis for management, fiscal review, and audit. **Grant Subaward Budget Pages (Cal OES Form 2-106a) are subject to Cal OES modifications and approval.** Failure of the Applicant to include required items does not eliminate responsibility to comply with those requirements during the implementation of the Grant Subaward.

The Grant Subaward Budget Pages (Cal OES Form 2-106a) automatically calculate the subtotal at the end of each budget category and provide the total of the three spreadsheets at the bottom of the Equipment Costs page. Applicants may add additional columns to the Grant Subaward Budget Pages (Cal OES Form 2-106a) when necessary.

Cal OES requires the Applicant to develop a line-item budget that includes a **calculation and justification in the left column for all expenses.**

The Grant Subaward Budget Pages (Cal OES Form 2-106a) should:

- Cover the entire Grant Subaward performance period;
- Include costs related to the objectives and activities of the Grant Subaward;
- Strict adherence to required and prohibited expenses; and
- Include costs in the correct category (i.e., Personnel Costs, Operating Costs, and Equipment Costs – see below).

Include **only** those items covered by Grant Subaward funds, including match funds, when applicable. Applicants may supplement Grant Subaward funds with funds from other sources. However, since approved line items are subject to audit, Applicants should not include matching funds (if applicable) in excess of the required match on the Grant Subaward Budget Pages (Cal OES Form 2-106a).
a. Personnel Costs – Salaries/Employee Benefits

1) Salaries

Personnel includes Grant Subaward services performed by Grant Subaward staff **directly employed by the Applicant** (not a contract or Participating Agency) and must be identified by position, cost and time spent on allowable activities for the Grant Subaward (e.g., Clerical Staff @ $20/hour x 980 hours; or Victim Advocate @ $1,500/month x 12 months x .50 FTE). Personnel may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must also be budgeted as a part of salaries. If the Applicant’s personnel have accrued sick leave or vacation time prior to the approval of the Grant Subaward, they may not take time off using Grant Subaward funds.

2) Benefits

Employee benefits must be identified by type and percentage of salaries. The Applicant may use fixed percentages of salaries to calculate benefits. Allocated benefits cannot exceed those already established by the Applicant.

Employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance, and/or pension plans are allowable. Benefits, such as uniforms or California Bar Association dues, are allowable budget items if negotiated as a part of an employee benefit package.

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 clerical positions).

Additional information on Personnel Expenses can be found in **SRH Part 3**.
b. Operating Costs

Operating costs are defined as necessary expenditures other than personnel salaries, benefits, and equipment. The costs must be Grant Subaward-related (i.e., to further the Program objectives as defined in the Grant Subaward) and be encumbered during the Grant Subaward performance period.

Examples of common operating costs include, but are not limited to:

- Audit costs *(SRH Section 14.035)*
- Computers with an acquisition cost of $4,999 or less
- Computer equipment rentals
- Consultant services *(SRH Section 6.050)*
- Equipment service and maintenance agreements
- Financial Assistance for clients *(SRH Section 4.040)*
- Furniture and office equipment ($4,999 or less)
- Indirect costs *(SRH Section 4.045)*
- Insurance (e.g., vehicle, fire, bonding, theft, and liability)
- Internet access
- Office supplies
- Office rental space *(SRH Section 4.055)*
- Postage
- Printing
- Second-Tier Subawards *(SRH Section 7.010)*
- Software
- Training materials
- Travel and per diem *(SRH Section 4.065)*
- Utilities
- Vehicle maintenance

Additional information on Operating Expenses can be found in SRH Part 4.

c. Equipment Costs

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and a cost of $5,000 or more per unit (excluding tax).
A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three copy machines must be one line item, not three).

Additional information on Equipment Costs can be found in SRH Part 5.

6. Grant Subaward Budget Narrative (Cal OES Form 2-107) – Maximum Four Pages

The Budget Narrative should describe the following:

- How the proposed budget supports the objectives and activities.

- How shared costs are allocated.
- How Grant Subaward-funded staff duties and time commitments support the proposed objectives and activities.
- The necessity for subcontracts and unusual costs.
- Need for mid-year salary range adjustments.

7. Grant Subaward Programmatic Narrative (Cal OES Form 2-108)

This form is the main body of information describing the problem to be addressed, the plan to address the identified problem through appropriate and achievable objectives and activities, and the ability of the Applicant to implement the proposed plan.

a. Problem Statement – Maximum Two Pages

In narrative form, address the following:

1) Describe your agency’s current domestic violence housing efforts.

2) Describe the barriers your agency experiences with housing and how XD Program funding will assist your agency in overcoming those barriers.
b. Plan – Maximum Eight Pages

In narrative form, address the following:

1) Describe your agency’s plan to provide safe and stable housing for victims of domestic violence.

2) Describe your agency’s plan to comply with the components of the Housing First Model, as outlined in Welfare and Institutions Code § 8255 when serving victims of domestic violence.

3) Describe your agency’s plan to provide outreach and education to landlords and key stakeholders such as city government, housing councils, and other homeless/housing programs regarding the dynamics of domestic violence, victims’ safety needs, and the need for safe and permanent housing.

4) Describe your agency’s plan to provide survivor-driven advocacy that focuses on addressing the needs identified by victims of domestic violence and how your agency will tailor services to meet the unique needs of each victim.

5) Describe your agency’s plan to provide supportive services to victims of domestic violence as they participate in the XD Program. Include what those services will be and how they will be implemented.

6) Describe your agency’s plan to provide follow-up supportive services for a minimum of three months after a victim of domestic violence has secured permanent housing. Include what those services will be and how they will be implemented.

7) Describe your agency’s plan to employ one FTE Domestic Violence Counselor and one half-time FTE Housing Coordinator.
c. Capabilities – Maximum Four Pages

In narrative form, address the following:

1) Describe your agency’s capacity to successfully provide safe and permanent housing for victims of domestic violence.

2) Describe your agency’s expertise in providing supportive services to victims of domestic violence. Include how your agency engages other victim service providers in these efforts.

3) Describe your agency’s existing community relationships that facilitate housing placements for victims of domestic violence. Include how your agency engages community partners in securing housing.

8. Subrecipient Grants Management Assessment

Per title 2 CFR § 200.331, Cal OES is required to evaluate the risk of noncompliance with federal statutes, regulations, and terms and conditions posed by each Subrecipient of pass-through funding. The assessment is made in order to determine and provide an appropriate level of technical assistance, training, and oversight to Subrecipients.

9. Grant Subaward Service Area Information (Cal OES Form 2-154)

This form identifies the counties, cities, and congressional districts served by the Grant Subaward.

10. Organizational Chart

The Organizational Chart should clearly depict the structure of the Applicant organization and the specific unit within the organization responsible for the implementation of the Grant Subaward. This chart should also depict supporting units within the organization (e.g., the Accounting Unit) and the lines of authority within the organization. PART III – SELECTION AND FINALIZING THE GRANT SUBAWARD

A. SELECTION OF PROPOSAL FOR FUNDING

1. Proposal Rating

Eligible proposals received by the deadline are generally evaluated by a three-member team. The rater scores are averaged and then ranked numerically. Proposals are only evaluated numerically; no notes are taken during the evaluation. The Rating Sheet used for this process is included in Part IV of this RFP and is for informational purposes only.

2. Funding Decision

A proposal must receive a minimum score of 50% of available points on the Rating Sheet to be considered for funding.

Final funding decisions are made by the Director of Cal OES. Funding decisions are based on all of the following:

- The ranked score of the proposal.
- Consideration of priorities or geographical distribution specific to this RFP.
- Prior negative administrative and programmatic performance, if applicable.

Subrecipients previously funded by Cal OES will be reviewed for poor past compliance, including fiscal management, progress and annual reports, audit reports, and other relevant documentation or information. This review may result in one or more of the following actions:

- The Subrecipient may not be selected for funding.
- The amount of funding may be reduced.
- Grant Subaward Conditions may be placed on the Grant Subaward.
3. Notification Process

All Applicants will be notified in writing, via electronic communication, of the results of the rating process. The notification will be sent only to the Official Designee (the person authorized to sign the Grant Subaward Face Sheet).

Applicants will receive one of the following:

- Letter of Intent to Fund if selected for funding.
- Letter of Denial if not selected for funding, including the Applicant’s scores and information regarding the appeal process.
- Letter of Ineligibility:
  - If the proposal did not meet Eligibility to Compete for Funding (Part 1, D.), including information regarding the appeal process; or
  - If the proposal scored less than the required 50% of available points possible, including the Applicant’s scores and information regarding the appeal process.

Cal OES can only respond to technical questions about the RFP during the period between the RFP release date and completion of the RFP process. Requests for records must be made through a Public Records Act request at PRA@caloes.ca.gov.

B. FINALIZING THE GRANT SUBAWARD

1. Grant Subaward Application

Once selected for funding, Cal OES may require revisions and/or additional documentation to finalize the Grant Subaward Application package. The Program Specialist identified in the Applicant’s Intent to Fund Letter can provide technical assistance in completing these components.

2. Grant Subaward

A copy of the executed Grant Subaward and pertinent attachments will be sent to the Grant Subaward Director. The Applicant is not
authorized to incur costs against the grant until a copy of the fully executed Grant Subaward is received. When the executed Grant Subaward is received, a Report of Expenditures and Request for Funds (Cal OES Form 2-201) may be submitted for reimbursement.

a. Grant Subaward Conditions

Cal OES may add conditions to the Grant Subaward in order to execute the Grant Subaward. If conditions are added, these will be discussed with the Subrecipient and a copy of the conditions will be sent to the Subrecipient when the conditions are made part of the Grant Subaward.

b. Grant Subaward Amounts

When the amount of funds available is limited, Cal OES may reduce the amount of the Grant Subaward from the amount requested by the Applicant. In addition, Cal OES reserves the right to negotiate budgetary changes with the Applicant prior to executing the Grant Subaward. If either of these actions is required, Cal OES will notify the Applicant prior to executing the Grant Subaward.

3. Standard Grant Subaward Funding Authority

*Allocation of funds is contingent on the enactment of the State Budget.*

Cal OES does not have the authority to disburse funds until the State Budget is passed, and the Grant Subaward is fully executed. Expenditures incurred prior to authorization are made at the Subrecipient’s own risk and may be disallowed. Cal OES employees are not able to authorize an Applicant to incur expenses or financial obligations prior to the execution of a Grant Subaward. However, once the Grant Subaward is finalized the Subrecipient may claim reimbursement for expenses incurred on, or subsequent to, the start of the Grant Subaward performance period.

If, during the term of the Grant Subaward, the state and/or federal funds appropriated for the purposes of the Grant Subaward are reduced or eliminated by the California Legislature or the United States Government, or in the event revenues are not collected at the level appropriated, Cal OES may immediately terminate or reduce the Grant Subaward by written notice to the Subrecipient.
Cal OES Grant Subawards are subject to applicable restrictions, limitations, or conditions enacted by the California Legislature and/or the United States Government, subsequent to the execution of the Grant Subaward.
