G. PROGRAM INFORMATION

The purpose of the SP Program is to assure the safety and protection of children by supporting professional providers who supervise visitation of children with a noncustodial party where there is a history or allegations of domestic violence, child abuse or neglect, or sexual abuse.

1. Program Description

Supervised visitation is for one or more of the following reasons:

- a. To give the visiting parent/caregiver a chance to address specific issues.
- b. To help reintroduce a parent and child after a long absence.
- c. To help introduce a parent and a child when there has been no existing relationship.
- d. When there is a history of allegations of domestic violence, child abuse or neglect, or sexual abuse.
- e. When there are parenting concerns or mental illness.
- f. When there is a parental threat of abduction.

2. Program Components

a. On-Site Supervision

On-site supervised visitation refers to court-ordered visitation that occurs directly on the premises of the visitation center where the adult and child cannot leave the location. The following are the only types of on-site supervised visitation services permitted under the Program:

- One-to-one Supervision (sometimes called monitored visitation), which is the observation and supervision of the adult-child contact by a professional provider during the scheduled visitation session.
- Group or Multiple Supervision, which is the observation and supervision of multiple families or a group of families, all at one time, in a group setting during a scheduled visitation session.

Subrecipients must comply with Family Code Section 3200.5 and Standard 5.20 of the California Standards Judicial Administration (Uniform Standards of Practice for Providers of Supervised Visitation).

b. Resource and Referral Assistance

Subrecipients must provide participant families with referrals to agencies that provide applicable victim services. Subrecipients must maintain Operational Agreements (OAs) with at least three partner agencies which serve families. These documents must demonstrate a formal system of networking and coordination with other agencies and the Applicant.

c. Assistance with California Victim Compensation Board (CalVCB) Claims

Subrecipients are strongly encouraged to assist victims with applying for compensation benefits through CalVCB: Activities may include:

- Advising of the availability of such benefits
- Assisting with application forms and understanding procedures

- Obtaining necessary documentation to support the claim
- Monitoring claim status

Subrecipients are also strongly encouraged to budget for tablets or mobile communication devices and cellular service to swiftly facilitate the online application process in the office or in the field.

d. Operational Agreements

Subrecipients must maintain OAs with at least three partner agencies that serve families. An OA is a formal agreement, without the exchange of money, between an implementing agency and one or more participating agencies.

3. Reporting Requirements

Progress Reports serve as a record for the implementation of the project. Statistics for Progress Reports must be collected on a quarterly basis, even when reporting occurs less frequently. The following reports are required:

a. Cal OES Progress Reports

There are two Cal OES Progress Reports required for the Program. See the chart for report periods and due dates.

Report	Report Period	Due Date
1 st Report	May 1, 2021 – October 31, 2021	November 30, 2021
Final Report	November 1, 2021 – April 30, 2022	May 31, 2022

b. Office for Victims of Crime (OVC) Reports

There are two, on-line OVC reports Subrecipients will also need to complete:

1) Subgrant Award Report (SAR)

This on-line report is due **within 90 days of the beginning of the performance period**. Cal OES will initiate access and the Subrecipient must complete the remainder of the report in the OVC Performance Measurement Tool.

2) Subgrantee Report

Subrecipients receiving Victims of Crime Act funds must complete this report no later than two weeks following the end of each federal fiscal year quarter. Subrecipients will report data directly into the OVC PMT database no later than the due dates listed, unless otherwise instructed by your Program Specialist.

Report Period	Due Date*
May 1, 2021 – June 30, 2021	on or about July 14, 2021

April 1, 2022 – April 30, 2022	on or about July 14, 2022

* Exact due dates will be provided by your Program Specialist at the end of each quarter.

SUPERVISED VISITATION (SP) PROGRAM

PART II – RFA INSTRUCTIONS

- A. SUBRECIPIENT HANDBOOK
 - B. FORMS
 - C. APPLICATION COMPONENTS
 - D. BUDGET POLICIES
 - E. ADMINISTRATIVE REQUIREMENTS
-

A. SUBRECIPIENT HANDBOOK

Applicants are strongly encouraged to review the [Subrecipient Handbook \(SRH\)](#). The SRH outlines the terms and conditions that apply to the Cal OES, VS Branch grants and provides helpful information for developing an application, including a Glossary of Terms.

B. FORMS

The Applicant must use the forms provided on our website. The forms must be printed on plain white 8½" x 11" paper and single sided. **Applicants may not alter the formatting of any forms, including the Project and Budget Narratives. No tables, charts, or changes to the margins are allowed.**

C. APPLICATION COMPONENTS

Applicants must complete and submit all required components. Specific information for each component is included next. The Checklist in Part III is included to ensure Applicants submit all required components.

1. Grant Subaward Face Sheet (Cal OES 2-101)

The Grant Subaward Face Sheet is the title page of the Grant Subaward that is signed by the Subrecipient and the Cal OES Director (or designee). Instructions are included on the form.

2. Project Contact Information (Cal OES 2-102)

The Project Contact Information form provides Cal OES with all relevant Subrecipient personnel. Information for each individual should be direct contact information. Instructions are included on the form.

3. Signature Authorization (Cal OES 2-103)

The Signature Authorization form provides Cal OES with signatures of authorized signers and who they authorize to sign on their behalf for all grant-related matters. Instructions are included on the form.

4. Certification of Assurance of Compliance (Cal OES 2-104f)

Cal OES is required by law to obtain written certifications of compliance. The Certification of Assurance of Compliance form is a binding affirmation that the Subrecipient will comply with the following regulations and restrictions:

- State and federal civil rights laws
- Drug Free Workplace
- California Environmental Quality Act
- Federal grant fund requirements
- Lobbying restrictions
- Debarment and Suspension requirements
- Proof of Authority documentation from the city council/governing board

Subrecipients may be asked to sign and submit an updated Certification of Assurance of Compliance once in Grant Subaward agreement. Each year, Cal OES updates each Certificate of Assurance of Compliance to ensure that any new conditions placed upon the federal award are passed down to Subrecipients. Subrecipients will be notified if this change is needed.

5. Budget Pages (Cal OES 2-106a)

The Budget demonstrates how the Applicant will implement the proposed plan with the funds available through this Program. The budget is the basis for management, fiscal review, and audit. **Budgets are subject to Cal OES modifications and approval.** Failure of the Applicant to include required budget items does not eliminate responsibility to comply with those requirements during the implementation of the project.

The Budget Pages automatically calculate the subtotal at the end of each budget category and provide the total of the three

spreadsheets at the bottom of the Equipment page. Applicants may add additional columns to the Budget Pages when necessary.

Cal OES requires the Applicant to develop a line-item budget that includes a **calculation and justification in the left column for all expenses.**

The Budget Pages should:

- Cover the entire Grant Subaward performance period
- Include costs related to the objectives and activities of the project
- Strictly adhere to required and prohibited expenses
- Include expenses in the correct category (i.e., Personnel Costs, Operating Costs, and Equipment Costs – see below)

Include **only** those items covered by grant funds, including match funds, when applicable. Applicants may supplement grant funds with funds from other sources. However, since approved line items are subject to audit, Applicants should not include in the Project Budget matching funds (if applicable) in excess of the required match.

a. Personnel Costs– Salaries/Employee Benefits

1) Salaries

Personnel costs include services performed by project staff **directly employed by the Applicant** (not a contract or participating agency) and must be identified by position, cost and time spent on allowable activities for the Program (e.g., Clerical Staff @ \$20/hour x 980 hours; or Victim Advocate @ \$3,500/month x 12 months x .50 FTE). They may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must also be budgeted as a part of salaries. If the Applicant's personnel have accrued sick leave or vacation time prior to the approval of grant funding, they may not take time off using project funds.

2) Benefits

Employee benefits must be identified by type and percentage of salaries. The Applicant may use fixed percentages of salaries to calculate benefits. Budgeted benefits cannot exceed those already established by the Applicant.

Employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance, and/or pension plans are allowable budget items. Benefits, such as uniforms or California Bar Association dues are allowable budget items if negotiated as a part of an employee benefit package.

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 clerical positions).

b. Operating Costs

Operating costs are defined as necessary expenditures other than personnel salaries, benefits, and equipment. The expenses must be grant-related (i.e., to further the Program objectives as defined in the Grant Subaward) and be encumbered during the Grant Subaward performance period.

Examples of an Operating Costs line item include, but are not limited to:

- Consultant services such as subcontractors
- Indirect cost allowance
- Salaries of participating staff who are not employed by the Applicant
- Travel
- Office supplies
- Training materials
- Equipment maintenance
- Software equipment rental/lease
- Telephone, postage

- Printing
- Facility rental
- Vehicle maintenance
- Furniture and office equipment with a cost of less than \$5,000 (excluding tax) and/or with a useful life of less than one year

Salaries for staff not directly employed by the Applicant must be shown as consultant and/or participating staff costs and must be supported with a Second Tier Subaward, which must be kept on file and made available for review during audits or at the request of Cal OES (SRH 3710 and 4300).

c. Equipment Costs

Equipment costs are defined as nonexpendable tangible personal property having a useful life of more than one year and a cost of \$5,000 or more per unit (excluding tax).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three laser jet printers must be one line item, not three).

6. Budget Narrative (Cal OES 2-107)

The Budget Narrative should describe the following:

- a. How the Applicant's proposed budget supports the objectives and activities.
- b. How funds are allocated to minimize administrative costs and support direct services.
- c. How shared costs are allocated.
- d. How program-funded staff duties and time commitments support the proposed objectives and activities.
- e. The necessity for subcontracts and unusual expenditures.
- f. Need for mid-year salary range adjustments.

7. Project Narrative (Cal OES 2-108)

The Project Narrative is the main body of information describing the problem to be addressed, the plan to address the identified problem through appropriate and achievable objectives and activities, and the ability of the Applicant to implement the proposed plan.

a. Problem Statement

A problem statement is not required.

b. Plan

In narrative form, address the following:

- 1) Describe the modality(ies) of supervised visitation (i.e. one-to-one or group) to be provided by this grant. If group supervised visitation is facilitated, indicate the number of individuals/families to be served per session and the number of staff per visitation session.
- 2) Describe scheduling hours, caseload size, and the number of service hours for grant-related activity.
- 3) Describe the policies and procedures you have implemented, beyond citation of Standard 5.20 of the California Standards of Judicial Administration and Family Code Section 3200.5, to assure the safety of the clients being served by this Program.
- 4) State Program goals and objectives to provide professional supervised visitation services to the victim population identified in the problem statement.
- 5) Explain how the Program fills service gaps in facilitating supervised visitation to victims and how this increases access and visitation for non-offending noncustodial parties with their children.
- 6) Describe the measures taken to assure that the supervised visitation is victim centered, trauma informed and culturally inclusive. Describe the Program's screening tools or protocols for determining potential risks of bias in service delivery.

- 7) Address, in detail, the minimum security measures and procedures for the Program. Specify how the Program assures safety for and protection of children during the delivery of services.

8. Subrecipient Grants Management Assessment

Per title 2 CFR § 200.331, Cal OES is required to evaluate the risk of noncompliance with federal statutes, regulations, and grant terms and conditions posed by each Subrecipient of pass-through funding. The assessment is made in order to determine and provide an appropriate level of technical assistance, training, and grant oversight to Subrecipients. Instructions are included on the form.

9. Project Service Area Information (Cal OES 2-154)

The Project Service Area Information form identifies the counties, cities, and congressional districts served by the project. Instructions are included on the form.

10. Organizational Chart

The Organizational Chart should clearly depict the structure of the Applicant organization and the specific unit within the organization responsible for the implementation of the project. This chart should also depict supporting units within the organization (e.g., the Accounting Unit) and the lines of authority within the organization. Job titles on the Organizational Chart must match those in the Budget Pages and Budget Narrative.

11. Additional Forms/Documents

The following are required only if applicable:

- Match Waiver Request

This form is required only if the Applicant is requesting to waive a portion, or all, of the required Match. See Part I, F., 1 for additional information.

- Operational Agreements Summary Form

OAs are required per Part I, Subpart G of this RFA.
