G. PROGRAM INFORMATION

1. Program Description

The primary purpose of the XY Program is to provide funding for advocacy and support services to unserved/underserved child and youth victims of crime. This can be accomplished by maintaining and/or enhancing the existing program to commit staff time to specifically address the needs of the identified unserved/underserved child and youth victim population, hiring staff that reflects that population, training staff on the cultural norms of the population, and increasing outreach efforts.

2. Program Components

Subrecipients must serve their target population and respond to the emotional and physical needs of their identified child and youth crime victim population using a trauma-informed, culturally-sensitive approach.

Subrecipients must provide the following comprehensive services to child and youth victims:

a. Crisis Intervention

Subrecipients must provide immediate, short-term emotional and physical care for unserved/underserved child and youth victims.

b. Counseling/Therapy

Subrecipients must provide a means for unserved/underserved child and youth victims to obtain individual counseling, when it is requested. Counseling must be provided by an individual, either a licensed, or licensed-eligible clinician. This requirement may be met through the development and implementation of written procedures for referrals to qualified professional counselors/therapist.

c. Advocacy

Subrecipients must provide the following comprehensive services to child and youth victims:

- Intake
- Meeting with the child's non-offending family member and/or caregiver in order to help he/she assist with therapeutic services for the child
- Case Management
- Transportation services to criminal justice offices and court
- Accompaniment to criminal justice offices and court
- Assistance with Victim Impact Statement
- School Advocacy

d. Outreach

Subrecipients must consult with service providers of the specific unserved/underserved child and youth victim populations to develop a plan to conduct outreach to increase access to services and inform victims of their rights. This may include the preparation, publication and distribution of informational materials.

e. Training

The child advocate and/or Court Appointed Special Advocate (CASA) volunteers working under the XY grant must complete 40 hours of training which must include topics on, but not limited to:

- Crisis Intervention
- Behavioral issues of children exposed to violence/abuse
- Domestic violence and its effects on children
- Identifying and reporting child abuse and neglect
- Issues related to abused children with disabilities

f. Emergency Assistance

Subrecipients may allocate a reasonable amount of their total grant funds to provide financial intervention for unserved/underserved child and youth victims' related needs. If funds are provided directly to the victim, Subrecipients must follow the procedure outlined in the SRH §2235.2

g. Staff

Subrecipients must commit a minimum of one half-time child advocate to provide services to unserved/underserved child and youth victims and coordinate outreach efforts. If the Subrecipient is a CASA program, the project must commit to one half-time supervisor. Subrecipients are encouraged to recruit staff which culturally reflect the identified unserved/underserved child and youth victim population.

h. Referrals to Existing Community Resources

Subrecipients must have knowledge of local community resources and connect unserved/underserved child and youth victims to these resources, as appropriate. A referral list must be developed, maintained, regularly updated, and include law enforcement agencies, district and city attorney's offices, medical services, child protective service agencies, local domestic violence centers, rape crisis centers, victim/witness assistance centers, and family justice centers.

i. Assistance with California Victim Compensation Board Claims

Subrecipients are strongly encouraged to assist victims with applying for compensation benefits through the California Victim Compensation Board. Activities may include:

- Advising of the availability of such benefits
- Assisting with application forms and understanding procedures
- Obtaining necessary documentation to support the claim
- Monitoring claim status

Subrecipients are also strongly encouraged to budget for tablets or mobile communication devices and cellular service to swiftly facilitate the on-line application process in the office or in the field.

j. Operational Agreements (OAs)

An OA is a formal agreement, without the exchange of money, between an implementing agency and one or more participating agencies.

A Second Tier Subaward is a formal agreement that includes the exchange of money between the implementing agency and a participating agency to further the goals of the project.

The Subrecipient must have Operational Agreements (OAs) with agencies in their service areas in the following disciplines, unless the Subrecipient is one of the below programs:

- Victim/Witness Assistance program
- Cal OES-funded Domestic Violence Assistance Program
- Cal OES-funded Rape Crisis Program
- Cal OES-funded Child Abuse Treatment Program

3. Reporting Requirements

Progress Reports serve as a record for the implementation of the project. Statistics for Progress Reports must be collected on a quarterly basis, even when reporting occurs less frequently. The following reports are required:

a. Cal OES Progress Reports

There are two Cal OES Progress Reports required for the Program. See the chart for report periods and due dates.

## PART II – RFA INSTRUCTIONS

---

- A. SUBRECIPIENT HANDBOOK
  - B. FORMS
  - C. APPLICATION COMPONENTS
  - D. BUDGET POLICIES
  - E. ADMINISTRATIVE REQUIREMENTS
- 

### A. SUBRECIPIENT HANDBOOK

Applicants are strongly encouraged to review the [Subrecipient Handbook \(SRH\)](#). The SRH outlines the terms and conditions that apply to the Cal OES, VS Branch grants and provides helpful information for developing an application, including a Glossary of Terms.

### B. FORMS

The Applicant must use the forms provided on our website. The forms must be printed on plain white 8½" x 11" paper and single sided. **Applicants may not alter the formatting of any forms, including the Project and Budget Narratives. No tables, charts, or changes to the margins are allowed.**

### C. APPLICATION COMPONENTS

Applicants must complete and submit all required components. Specific information for each component is included next. The Checklist in Part III is included to ensure Applicants submit all required components.

#### 1. Grant Subaward Face Sheet (Cal OES 2-101)

The Grant Subaward Face Sheet is the title page of the Grant Subaward that is signed by the Subrecipient and the Cal OES Director (or designee). Instructions are included on the form.

#### 2. Project Contact Information (Cal OES 2-102)

The Project Contact Information form provides Cal OES with all relevant Subrecipient personnel. Information for each individual should be direct contact information. Instructions are included on the form.

3. Signature Authorization (Cal OES 2-103)

The Signature Authorization form provides Cal OES with signatures of authorized signers and who they authorize to sign on their behalf for all grant-related matters. Instructions are included on the form.

4. Certification of Assurance of Compliance (Cal OES 2-104f)

Cal OES is required by law to obtain written certifications of compliance. The Certification of Assurance of Compliance form is a binding affirmation that the Subrecipient will comply with the following regulations and restrictions:

- State and federal civil rights laws
- Drug Free Workplace
- California Environmental Quality Act
- Federal grant fund requirements
- Lobbying restrictions
- Debarment and Suspension requirements
- Proof of Authority documentation from the city council/governing board

Subrecipients may be asked to sign and submit an updated Certification of Assurance of Compliance once in Grant Subaward agreement. Each year, Cal OES updates each Certificate of Assurance of Compliance to ensure that any new conditions placed upon the federal award are passed down to Subrecipients. Subrecipients will be notified if this change is needed.

5. Budget Pages (Cal OES 2-106a)

The Budget demonstrates how the Applicant will implement the proposed plan with the funds available through this Program. The budget is the basis for management, fiscal review, and audit. **Budgets are subject to Cal OES modifications and approval.** Failure of the Applicant to include required budget items does not eliminate responsibility to comply with those requirements during the implementation of the project.

The Budget Pages automatically calculate the subtotal at the end of each budget category and provide the total of the three

spreadsheets at the bottom of the Equipment page. Applicants may add additional columns to the Budget Pages when necessary.

Cal OES requires the Applicant to develop a line-item budget that includes a **calculation and justification in the left column for all expenses.**

The Budget Pages should:

- Cover the entire Grant Subaward performance period
- Include costs related to the objectives and activities of the project
- Strictly adhere to required and prohibited expenses
- Include expenses in the correct category (i.e., Personal Services, Operating Expenses, and Equipment – see below)

Include **only** those items covered by grant funds, including match funds, when applicable. Applicants may supplement grant funds with funds from other sources. However, since approved line items are subject to audit, Applicants should not include in the Project Budget matching funds (if applicable) in excess of the required match.

a. Personal Services – Salaries/Employee Benefits

1) Salaries

Personal services include services performed by project staff **directly employed by the Applicant** (not a contract or participating agency) and must be identified by position, cost and time spent on allowable activities for the Program (e.g., Clerical Staff @ \$20/hour x 980 hours; or Victim Advocate @ \$3,500/month x 12 months x .50 FTE). They may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must also be budgeted as a part of salaries. If the Applicant's personnel have accrued sick leave or vacation time prior to the approval of grant funding, they may not take time off using project funds.

2) Benefits

Employee benefits must be identified by type and percentage of salaries. The Applicant may use fixed percentages of salaries to calculate benefits. Budgeted benefits cannot exceed those already established by the Applicant.

Employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance, and/or pension plans are allowable budget items. Benefits, such as uniforms or California Bar Association dues are allowable budget items if negotiated as a part of an employee benefit package.

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 clerical positions).

b. Operating Expenses

Operating expenses are defined as necessary expenditures other than personal salaries, benefits, and equipment. The expenses must be grant-related (i.e., to further the Program objectives as defined in the Grant Subaward) and be encumbered during the Grant Subaward performance period.

Examples of an Operating Expense line item include, but are not limited to:

- Consultant services such as subcontractors
- Indirect cost allowance
- Salaries of participating staff who are not employed by the Applicant
- Travel
- Office supplies
- Training materials
- Equipment maintenance
- Software equipment rental/lease
- Telephone, postage

- Printing
- Facility rental
- Vehicle maintenance
- Furniture and office equipment with a cost of less than \$5,000 (excluding tax) and/or with a useful life of less than one year

Salaries for staff not directly employed by the Applicant must be shown as consultant and/or participating staff costs and must be supported with a Second Tier Subaward, which must be kept on file and made available for review during audits or at the request of Cal OES (SRH 3710 and 4300).

c. Equipment

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and a cost of \$5,000 or more per unit (excluding tax).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three laser jet printers must be one line item, not three).

6. Budget Narrative (Cal OES 2-107)

The Budget Narrative should describe the following:

- a. How the Applicant's proposed budget supports the objectives and activities.
- b. How funds are allocated to minimize administrative costs and support direct services.
- c. How shared costs are allocated.
- d. How program-funded staff duties and time commitments support the proposed objectives and activities.
- e. The necessity for subcontracts and unusual expenditures.
- f. Need for mid-year salary range adjustments.

7. Project Narrative (Cal OES 2-108)

The Project Narrative is the main body of information describing the problem to be addressed, the plan to address the identified problem through appropriate and achievable objectives and activities, and the ability of the Applicant to implement the proposed plan.

a. Problem Statement

No Problem Statement is required.

b. Plan

In narrative form, address the following:

- 1) Describe your agency's plan to provide trauma-informed, culturally-sensitive services.
- 2) Describe your agency's plan to provide crisis intervention to the unserved/underserved child and youth victim population.
- 3) How will your organization conduct outreach to increase access to services and inform the identified unserved/underserved child and youth victim population of their rights?
- 4) Provide a description of the cultural sensitivity training that your staff will attend, specific to the identified unserved/underserved child and youth victim population.
- 5) Describe your utilization of volunteers.

8. Subrecipient Grants Management Assessment

Per title 2 CFR § 200.331, Cal OES is required to evaluate the risk of noncompliance with federal statutes, regulations, and grant terms and conditions posed by each Subrecipient of pass-through funding. The assessment is made in order to determine and provide an appropriate level of technical assistance, training, and grant oversight to Subrecipients. Instructions are included on the form.

9. Project Service Area Information (Cal OES 2-154)

The Project Service Area Information form identifies the counties, cities, and congressional districts served by the project. Instructions are included on the form.

10. Organizational Chart

The Organizational Chart should clearly depict the structure of the Applicant organization and the specific unit within the organization responsible for the implementation of the project. This chart should also depict supporting units within the organization (e.g., the Accounting Unit) and the lines of authority within the organization. Job titles on the Organizational Chart must match those in the Budget Pages and Budget Narrative.

11. Additional Forms/Documents

The following are required only if applicable:

- Match Waiver Request

If the Applicant is requesting to waive a portion of the required Match, a match waiver request form (Attachment A), must be completed and submitted by the due date below: This form is required only if the Applicant is requesting to waive a portion, or all, of the required Match. See Part I, F., 1 for additional information.

Request per *SRH 3511*. Instructions are included on the form.

- Contractor/Consultant Rate Exemption Request (Cal OES 2-164)
