

EXECUTIVE DEPARTMENT  
STATE OF CALIFORNIA

**PROCLAMATION OF A STATE OF EMERGENCY**

**WHEREAS** on July 29, 2021, the McFarland Fire began burning and has burned more than thirty thousand acres in Trinity, Tehama, and Shasta counties, and continues to burn;

**WHEREAS** on July 30, 2021, the Monument Fire began burning in Trinity County, has since burned more than fifty thousand acres, and continues to burn; and

**WHEREAS** on August 4, 2021, the Dixie Fire, now the second largest fire in California history, crossed into Tehama County and continues to burn; and

**WHEREAS** these fires have collectively burned nearly 100 thousand acres in Trinity, Shasta, and Tehama counties, have destroyed homes, and continue to threaten additional homes and other structures, necessitating the evacuation of thousands of residents; and

**WHEREAS** these fires have damaged or destroyed, and continue to threaten, valuable timber and ranch land and other natural resources; and

**WHEREAS** these fires have forced the closure of major roadways, have damaged, and are threatening, other critical infrastructure; and

**WHEREAS** strong winds, high temperatures, drought conditions, and dry fuels have further increased the spread of these fires; and

**WHEREAS** under the provisions of Government Code section 8625(c), I find that local authority is inadequate to cope with the magnitude of the damage caused by these fires; and

**WHEREAS** under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this Order would prevent, hinder, or delay the mitigation of the effects of these fires.
