Approved 2022 TA Request

Tactical Interoperable Communications Field Operations Guide (TIC-FOG)

Based on the Cybersecurity Infrastructure Security Agency (CISA) National Interoperability Field Operations Guide (NIFOG), a state/territory-specific TIC-FOG is a compendium of interoperable communications, information such as frequencies, Government Emergency Telecommunications Service (GETS)/Wireless Priority Service (WPS) information, radio caches, alerts and warning message formats, among others. Stakeholder kick-off meeting held July 20, 2022. Cal OES Contact:

Completed: June 2023; Pending ADA Compliance for Web Content

Approved 2022 TA Request

Electronic Field Operations Guide (eFOG)

CISA offers public safety eFOG mobile apps through Interoperable Communications Technical Assistance Program (ICTAP). These radio frequency interoperability field guides are the go-to reference for emergency communications planning and for radio technicians responsible for radios that will be used during disaster response. This technical assistance delivers eFOG mobile apps for both Apple and Android mobile devices.

Approved 2022 TA Request

COML Train-the-Trainer Course (COML T-the-T)

This service offering helps states/territories create a self-sustaining COML training program by providing instructor training to individuals who have completed the basic COML course and the PTB. This course helps attendees develop essential core competencies required for teaching the COML course in their own state.

October 28-31, 2024; Bay Area Location TBD

Approved 2024 TA Requests/Exercises

Upcoming TA requests/exercises

- Communications Unit leader (COML) San Francisco schedule to be determined
- Table Top Exercise for World Cup Planning, City of Los Angeles, Date TBD
- Joint All-Hazard Awareness and Assessment Exercise (JAHAAX) - ESF2 Comms, McClellan Park, May 20-23, 2024

9-1-1 Branch Updates

The CA 9-1-1 Branch will provide an update on Next Gen 9-1-1.

California Radio Interoperable System (CRIS)

- Total of 56 sites installed, 54 in wide-area trunking
- Scheduled to have 59 sites online by end of this fiscal year
- Currently working on CRIS VHF expansion in Mono and Lassen Counties, and 700 MHz installations in various locations throughout the state
- Developing partnerships for CRIS expansion with an additional four rural counties
- Challenge: Acquiring leases and facility upgrades at radio sites owned by partnering state agencies

PSC CAPSNET

Status

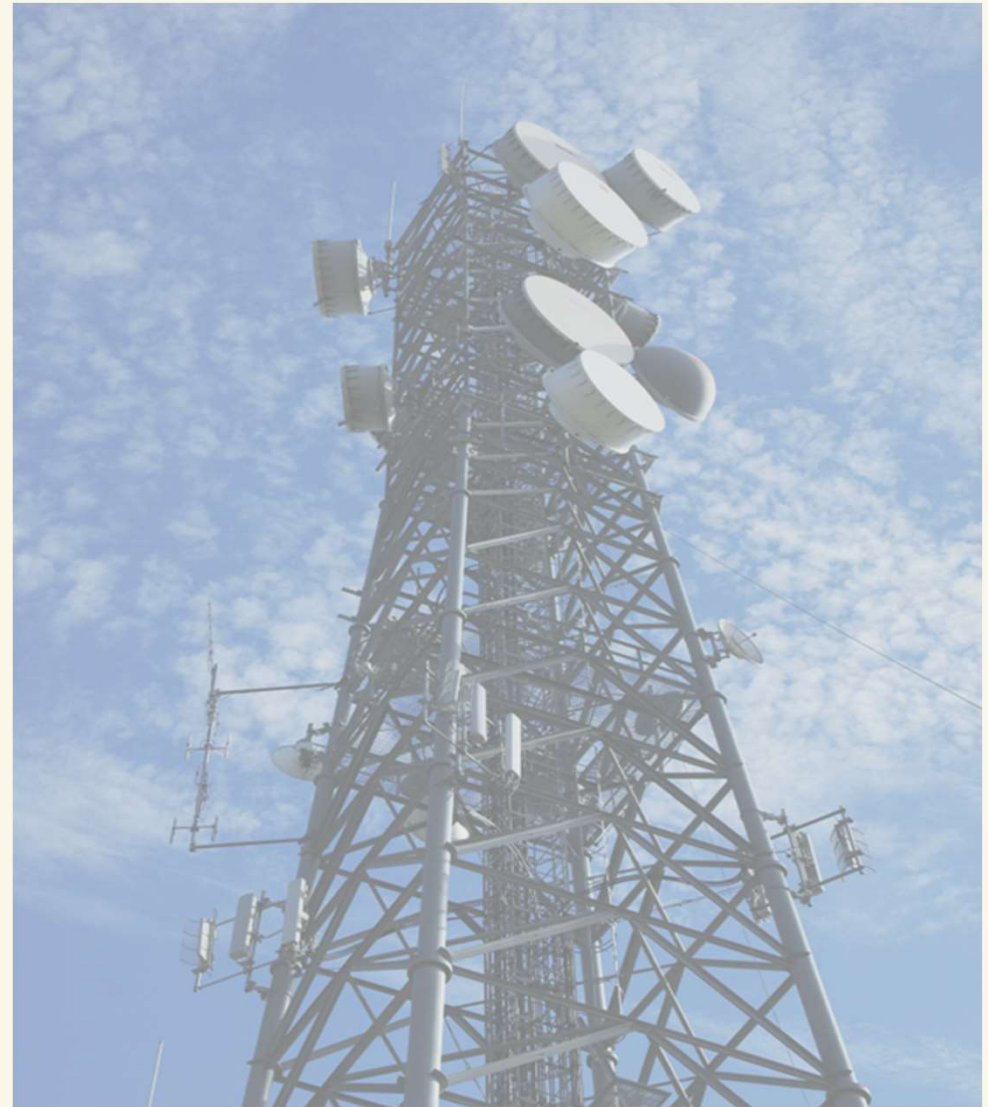

- 73% Complete
- Of the 240 sites planned to receive MPLS infrastructure, 175 have been installed
- Phase 4 installations completed
- Revisiting remaining Phase 3 sites and planning for their installations summer 2024

Deployment Progress

- Phase 1: 52/52 sites installed
- Phase 2: 49/49 sites installed
- Phase 3: 33/49 sites installed
- Phase 4: 41/41 sites installed
- Phase 5: 0/17 sites installed (229 submissions and staging underway)

Upcoming

- Phase 6 , 32 sites in scope for installation, include some carryover from Phase 3

Broadband Services Unit Update

- We are currently updating and renegotiating the CALNET 9.1 FirstNet Broadband for Public Safety contract, as well as CALNET 19.2 First Responder Cellular Services for Broadband contract
- Our SWIC, Devin Clarke, has left State service; please contact us if you know of a candidate
- We are continuing the 2026 World Cup Planning meetings for Levi Stadium with bi-monthly meetings; next meeting will be the 2026 World Cup Emergency Communications Planning Workshop In Dallas in May

Tactical Communications Unit Update

- TACCOM is purchasing new ISATs for the Regions and Governor's cabinet
- They should be getting delivery of our final three trailers soon
- The team will be participating in training at the JAHAAAX exercise in May
- TACCOM will be training the IMAT team on radios and satellite phones in May
- Preparations for fire season are under way

Agenda Items and Dates for Future Meetings

Upcoming CalSIEC Board Meetings:

- August 20, 2024 – combined with PSRSPC

Public Comment

- **Public Comment**
 - Comments limited to three minutes

Adjourn
